

Faculty Awards and Recognition Committee

Annual Report

May 2017

During the Fall 2016 semester, the Faculty Awards and Recognition Committee solicited applications and nominations for the USM Board of Regents Faculty Awards. Two applications were received. These were in two different categories (Teaching and Public Service) and both were approved by the Committee. The President forwarded two applications to the Board, and both applicants received an award. Dr. Stephen Habay was selected as one of four recipients for the 2017 USM Regents' Faculty Award for Excellence in Teaching, while Dr. Michèle Schlehofer was selected as one of four recipients for the 2017 USM Regents' Faculty Award for Excellence in Public Service.

During the Spring 2017 semester, the Committee, received seven nominations for the annual SU Distinguished Faculty Award. Five complete applications were received. The Committee is currently reviewing the applications and will meet May 17 to discuss them. Once a decision is reached, it will be forwarded to the administration to facilitate the presentation of the award to the winner at the Provost's Welcome Back Meeting in August.
