... i am a mixture of
 feelings
 without beginning
 or ending
 a pinch of this
 a pinch of that ...

G. H. Nemacolin 7-8-74

. . . the unexamined life
is not worth living . . .

socrates

. . . there are two ways
of spreading light:
to be the candle
or
the mirror that
reflects it . . .

edith wharton

. . . even if i knew that
tomorrow the world would
go to pieces
i would still plant my
apple tree . . .

martin luther

. . . while some advance
the rest retire
while some inhale
the rest respire
while some are weak
the rest are strong
while some stand still
the rest move on . . .

ellen kei hua

. . . one person alone is
simply
no person at all . . .
rufus jones

. . . i came here to find
myself.
it is so easy to
get lost in the
world . . .

. . . i can't decide
which i would rather
be,
an orchestra or a
streetlight . . .

john perrault

. . . to know where you are
is a good thing;
but it is as important
and perhaps more so,
to know where you are
going . . .

. . . the unexamined life is
not worth living . . .

socrates

Friends

friends

elton john

i hope the day will be a
lighted highway.

for friends are found on
every road.

can you ever think of any
better way.

for the lost and weary
travelers to go.

making friends for the world
to see.

let the people know you've
got a watch on me.

with a friend at hand you will
see the light.

if your friends are there, then
everything's alright.

it seems to me a crime that
we should age.

these fragile times should
never slip us by.

a time you never count that
shall erase.

as friends together watch
their childhood fly.

. . . there is no better way
in which to use the time we spend
than just to smile and say hello
and find another friend . . .

james metcalfe

. . . laughter is not a
bad beginning
for a friendship,
and it is the best
ending
for one . . .

oscar wilde

... happiness is not
perfected until
it is
shared.

custom photography

philadelphia, pa. 19152

as you think, you travel;
as you love, you attract.
you are today where your
thoughts have brought you;
you will be tomorrow where
your thoughts take you.

you cannot escape the result
of your thoughts, but you
can endure and learn, can
accept and be glad.

you will realize the vision of
your heart, be it base or
beautiful, or a mixture of
both, for you will always
gravitate toward that which
you secretly most love.

into your hands will be placed
the exact result of your thoughts;
you will receive that which
you earn;
no more, no less.

whatever your present
environment may be, you will
fall, remain, or rise with
your thoughts, your vision,
your ideal.
you will become as small
as your
controlling desire;
as great as your
dominant aspiration.
