REASSESSMENT OF THE  
TAXES ON WINDMILLS.

WHEREAS, the Legislature of the State  
of Maryland, in their session of 1835,  
passed a bill, entitled "An Act to re-  
assess the taxes on windmills," which  
was approved by the Governor, and  
is now in force, and it appears that  
the said act has been construed by  
the Collector of the Port of Baltimore  
as applying to windmills used in  
the manufacture of salt, and that  
therefore the Collector has assessed  
the taxes on such windmills, and  
has required payment of the same,  
which payment is now due and  
ought to be paid.
