DRAFT Proposal!!!!

SSU FLAG POLICY

This policy is designed to facilitate the notification of the SSU community and to denote our concern when one of the members of our community of scholars passes away. From this date on it shall be the policy of the institution to fly the United States flag before Holloway Hall at half mast for one full day following the demise of any of our currently enrolled students (full or part- time) faculty or staff. The procedure shall be that Public Safety shall be notified of the death then on the subsequent day they will only raise the flag to half mast for that day. This policy in no way precludes the president of the University from ordering that the flag shall be flown at half-mast in any situation for which it is deemed appropriate.
