

Honors Program Committee Annual Report Fall 2014 – Spring 2015

In the fall semester the Honors Program Committee reviewed the annual report compiled by the director over the summer. The committee also reviewed students recommended for probation or removal from the Honors Program according to the policy. Additionally, the committee discussed the strategic plan for the Honors Program and discussed curricular reform. In the spring semester the committee chose the recipient of the Whall Award for excellence in writing based on papers written by Freshman honors students. The committee continued the discussion of curricular reform in the Honors Program. Finally, the committee discussed the transition of the Honors Program to an Honors College. The committee unanimously voted to move forward on accepting the Honors College proposal.
