

Honored Guests Visit STC Campus

During their recent visit to Salisbury, Maryland, the Right Honorable Alfred E. Batt, Mayor of Salisbury, England, and his wife, the Mayoress, were honored at the assembly on September 23 at STC. Dr. Wilbur Devilbiss presided at the assembly.

Following the singing of "God Save the Queen" and "The Star Spangled Banner" the College Chorus, under the direction of Dr. Jessie L. Fleming, sang "To Thee, O Country" by Eichberg. Following this selection our President formally welcomed Councilor Batt. Mr. Batt, in a brief reply, expressed his delight in being here and emphasized the walking-togetherness of the great English speaking people of the world.

Dr. Willis, on behalf of the College faculty, presented a scroll to the Lord Mayor.

Mayoress Batt was then escorted to the platform by William Livingston and presented, along with her husband, tokens of remembrance from Henry Hausdorff on behalf of the student body. Mrs. Batt received a corsage and Mr. Batt, two ceramic tumblers with the college seal.

The assembly closed with the singing of "America, the Beautiful."

A luncheon given by the College faculty took place immediately after the assembly.

President's Message To Students Delivered In Annual Assembly

On Tuesday, September 17, 1957, Dr. Wilbur Devilbiss spoke at the Annual President's Assembly here at State Teachers College. The speech, which he entitled "Today and Tomorrow," was especially poignant for it excluded none in its challenge to make tomorrow better by today's decisions.

Dr. Devilbiss expressed vividly in his message the importance of an education, with an appreciative attitude for the doors of personal success and reward which college brings within reach. Just as tomorrow cannot be until today is yesterday, so the future cannot bring a fulfillment of the present's dreams and desires unless one does today the things that will eventually bring about a more satisfying tomorrow.

STC Enrollment Data Released by Registrar

STC's enrollment for this year totals 327 full-time students studying under the teacher education and junior college curricula. Two hundred and sixty-six students are enrolled in teacher education.

The women slightly outnumber the men; there are 182 women and 145 men. The enrollment of men for the first semester of last year is exactly the same as it is this year. The freshmen have the largest class, numbering 134; sophomores, 76; juniors, 58; and seniors, 59.

Of this group, 266 are studying for the B.S. degree at this college, and the remaining 61 are in the transfer program.

There are 22 nurses from Peninsula General Hospital attending classes and 49 part-time and evening students.

STC Handbook Revised

In answer to a request by Dr. Devilbiss, and through the cooperation and suggestion of all organization presidents and advisors, a new handbook has been published. This handbook is a revision of that used in 1946.

The book contains an outline of procedures for the common understanding of college rules and regulations. It is to make student life from the curricular and extra-curricular point of view completely understanding to each individual student.

One of the important revisions which the handbook contains is that concerning class attendance.

DR. WILSON H. ELKINS

Evergreen Completes First Sixteen Pages

The Salisbury Teachers College yearbook, the *Evergreen*, will be edited this year by Mrs. Barbara Caine, a member of the senior class.

To date, there are 16 pages completed which include the title page — a picture of the College President Dr. Wilbur Devilbiss; various pictures of the campus, and the city of Salisbury; the June Ball of '57; and other spring events. The Freshmen pictures have all been taken and those of the seniors, juniors, and sophomores are now being finished.

Other personnel who will be instrumental in making this a successful yearbook are Helen Layman, who performs most of the

Fall Convocation Will Be Held on October 7

DR. WILSON H. ELKINS
WILL ADDRESS STUDENTS

On Monday, October 7 at 1:45 P.M., Dr. Wilson H. Elkins, President of the University of Maryland, will deliver the fall convocation address to the student body. This address, entitled "Price of Excellence," will inaugurate a new type of program at State Teachers College.

Each class will sit in assembly as a body, with those in the senior class proceeding first, and the faculty will be attired in academic robes for the occasion. Dr. Wilbur Devilbiss, President of State Teachers College, will preside and the Student Christian Association will select a student to deliver the invocation. The College Chorus will provide appropriate music.

Dr. Elkins received his primary and secondary education in the public schools at San Antonio, Texas. He received a B.A. degree and M.A. degree from the University of Texas and B.Litt. and Ph.D. from Oxford University where he studied as a Rhodes

(Continued on Page 2)

Orientation Week Welcomes Freshmen

Wearing beanies and other badges of identification, approximately one hundred freshmen participated in the annual STC Freshman Orientation Week, September 23-25.

Sophomores participating in last year's Freshmen Week hazed the newcomers in a constructive manner designed to make them feel a part of STC and its traditions. A softball game between freshmen and sophomore culminated orientation events.

Good sportsmanship on the part of both freshmen and sophomores dominated the scene. Hazing procedures were governed by rules set up this year by sophomores. Confined to the administrative segment of the building, the hazing activities took place from 7:30 A.M. to 4:30 P.M. and 5:30 to 6:30 P.M.

According to Dean of Women, Mrs. A. L. Fleming, this year's Freshman Week was a great departure from previous years. "There has been a shift of emphasis since 1954 from degrading horseplay to an increased recognition of freshman dignity," she added.

Editorially Speaking

Today the STC soccer team plays its first game of the 1957 season. They are being challenged by the strong soccer team of Towson State Teachers College. The game is to be played on the STC field. The team has practiced long and hard. The cheerleaders, too, have put in many hours of preparation for this event.

Are these efforts to go unrecognized by the students and faculty of the college? Are we to continue in the paths of past years and lend little or no support to this fine team?

True, we have no glorious football team, but we are a small college. As such we have the definite advantage of being closer to the players as individuals and to be proud of the skill and competence of each. As part of the cheering section we can and should feel much closer to our teams than students of a large college or university possibly can of their teams.

What team does not play better ball with the knowledge that the students and faculty are behind it cheering with pride in their voices? What better indication of school pride and spirit can be shown than this?

Now is the time to start on the road to true school spirit. Start today by turning out for the game to support our powerful soccer team.

Science Projects Announced by Club

The Science Club will hold its first fall meeting on Wednesday, Oct. 2 at 7:15 in room 131. New members are welcome.

The club, meeting every other week, has many tentative plans for this semester. The fish pond is to be undertaken as a project and several field trips are in view.

Preparation of a weather box, made and donated by Mr. Frank S. Matthews, has been completed. The members, with the assistance of Mr. Eugene Farace and Mr. James Glenn, painted and installed the weather box at the northeast corner of the new science wing. The box includes the standard basic equipment: maximum-minimum thermometer, wet-dry bulb thermometer, aneroid barometer, wind velocity gauge, sling psychrometer and a rain gauge. With these instruments the club plans to do weather forecasting posting daily weather notices in the front hall.

A staff meeting was held on Sept. 18 at which time new members were added. At the time this article goes to press, the year-book staff is not complete.

FALL CONVOCATION

(Continued from Page One) Scholar. Before becoming President of the University of Maryland, he was an instructor at the University of Texas, as well as a president at San Angelo Junior College (1938-1940) and Texas Western College (1949-1954). He became president of the Univer-

Community Players Plan Busy Season

The Community Players of Salisbury have three plays slated for presentation this season. First on the bill will be Clifford Odets' "Country Girl" which will be given on November 21 and 22. Miss Audrey Stewart and Mrs. Ralph Wimbrow will direct.

On February 27 and 28 "Anne of the 1000 Days" by Maxwell Anderson will be staged under the direction of William B. Thornton, Jr. and Joseph Udovich.

Mrs. Roger K. Steffans and Miss Delores Miller will direct the final play, "Two Blind Mice" by Samuel Spewack. This will be given on May 1 and 2.

All plays will be presented in the Wicomico Junior High School auditorium with curtain time set at 8:15. Seasonal tickets are available to students at a reduced rate—\$1.50.

Magellan's pioneer voyage around the world was not only a navigational achievement of the first rank, it was profitable. Cloves brought back from South Pacific islands were sold for more than the entire cost of the three-year expedition, the National Geographic Magazine says.

city of Maryland in 1954. Dr. Elkins has honorary degrees from Washington College at Chestertown and from the Johns Hopkins University in Baltimore.

It is traditional in most colleges to open the academic year with a fall convocation, followed by a mid-year convocation in January. The address at mid-year, it is planned, will be delivered by a faculty member of the college.

MR. H. ALLAN FOUTTY

New Physics Instructor Joins College Faculty

This fall a new member was added to the college faculty in the person of Mr. H. Allan Foutty, who has already become a familiar figure at STC. A native of Newark, W. Va., Mr. Foutty is the new instructor of physics. A resident of Howard County since 1948, he has served in the capacity of a junior and senior high school teacher and a vice principal.

Mr. Foutty's special interest lies in the field of student activities. He served as Director of Student Activities in the Ellicott City Junior - Senior High School, where he supervised the high school club program. Photography is his hobby; and at present he has colored slides from various countries, among them, Korea and Japan.

After receiving the A.B. degree from Glenville State College, Glenville, W. Va., in the fields of Math and Science, Mr. Foutty received his Masters degree from George Washington University in Washington, D. C. In addition, he matriculated at the University of Maryland for the doctor's degree.

FACULTY HERE AND THERE STUDENTS

By JANICE HUBBARD

An organizational meeting of the Future Teachers of America was held September 18th, in the college auditorium. The president, Gary White, introduced Dr. Leila Stevens, who then presented the speakers for the afternoon. They were Mr. H. Orville Berwick, Coordinator of FTA work in Maryland, and Mr. Robert Y. Dubel, Associate Executive Secretary, MSTA.

Dr. and Mrs. Wilbur Devilbiss entertained the Student Government Association Board at a buffet supper in their home on Sept. 17.

Dean Earl T. Willis spoke at the Wicomico County Women's Club on October 2. At this same meeting Miss Delores Miller gave a dramatic reading on Noah Webster.

The president's reception for the sophomores was held in the social room of the college on Sept. 19. Dean Powell provided appropriate music for the occasion.

The Wesley Foundation enjoyed a picnic in Municipal Park on Sunday evening, Sept. 15.

Dr. Jessie Fleming and Miss Margaret Addis were featured on the program for the American Association of University Women, Sept. 17.

Miss Gladys Lewis is confined to her home because of illness.

Miss Nancy Kline was a recent guest of Linda Sehman.

Mr. Marvin Thomas, husband of Dr. IdaBelle Thomas, has been in the hospital convalescing from a broken hip.

Debra Peters, Helen Mae Ellis, Lou Lambden, Jeanette Barclay, Connie Mears, Joanne Cathell and Bob Davis, all of whom held summer positions in Ocean City, have continued their jobs on weekends since college has reopened.

President Welcomes Individual Classes

Fast becoming a tradition at STC, the President's Receptions were held this year for the four classes. The freshman and sophomore receptions were held in the Social Room on Sept. 6 and Sept. 19, respectively. On Sept. 26 the reception for the juniors was held at the home of the president, Dr. Wilbur Devilbiss. The reception to the seniors will be held at the president's home on Oct. 3.

The reception line included Dr. and Mrs. Devilbiss, Dean and Mrs. Willis, the class advisor and his wife, and the class reception committee chairman.

Class advisors are: Mr. A. L. Fleming for the freshmen, Mr. Frank D. White for the sophomores, Dr. William H. Wroten for the juniors, and Mr. James Di-Virgilio for the seniors.

Janet Hart, Connie Mears, and Lou Pritchard served as chairmen for the sophomore, junior, and senior classes respectively.

Faculty women assisting at the tables were: Miss Dorothy Powell, Dr. Mary L. Francis, Dr. Carolyn C. Dunlap, Miss Henrietta S. Purnell, Dr. Alethea Whitney, Dr. Leila Stevens, and Dr. Jessie Fleming.

Summer Improvements Brighten College Decor

STC welcomed many improvements around the campus this September. In addition to a new library and science wing, and new furniture in the Snack Bar, there were several other changes.

The dormitory supervisors' office has been completely re-decorated. A modern desk and sign-out table replaced the old; the walls were painted; and the floor was linoleum tiled. Curtains in a Maryland print will be hung at the windows soon.

Five air-conditioning units were installed in the Administration offices for the comfort of the personnel at work during the summer months. Also, the offices of the Registrar and the Dean, and the Business and General offices were painted, and curtains were hung in the Dean's office, the Education office, and the General office.

The floor of the gymnasium was refinished, the lockers in the corridor leading to the women day student's dressing room were painted, the corridor leading to the Snack Bar was painted, and classroom 125 was furnished with blonde desks.

Organization Leaders Explain Club Activities

On Wednesday, September 11, an assembly was held in the auditorium of STC, at which time the presidents of the various organizations welcomed the Freshman Class.

The Student Government Association President Henry Hausdoff introduced the leaders of the organization. Those groups represented were: Men's Dormitory Association, Women's Dormitory Association, Men's Athletic Association, Women's Athletic Association, Men's Day Association, Women's Day Association, Social Committee, Senior Class, Junior Class, Sophomore Class, Science Club, Fencing Club, Photography Club, Evergreen Staff, Holly Leaf Staff, Sophanes Players, College Chorus, Canterbury Club, Newman Club, Wesley Club, Student Baptist Union, Philosophy Club, and the Christian Association.

Each gave a brief talk describing the activities of its group. After the program exhibits were on display in the gymnasium.

The various organizations had information tables and interesting displays set up. Questions concerning its activities were readily answered by each group. A demonstration in make-up application was given by the Sophanes Players and the Fencing Club demonstrated the techniques of fencing. The freshmen were therefore provided with the opportunity of finding out information concerning the groups in which they were interested.

Improvements Made In Student Center

In the past few months, various pieces of new equipment have been added to the Student Activity Center. A few more are expected to arrive within the next several weeks.

The ping pong table and equipment have been used and enjoyed by all. The white plastic chairs and sofa have added much to the cheerful atmosphere of the Snack Bar. New ashtrays have been made available for those who smoke.

In the near future, a 1958 table model television set with a 24-inch screen will be installed. A 30-cup electric coffee urn has also been purchased along with a cream and sugar set. The urn and set are to be available to student organizations at meetings whenever refreshments are desired.

Two assembly programs have already been printed on the new printing press, which was purchased for this purpose. The press, operated by students under the direction of Mr. A. L. Fleming, will surely prove its usefulness through the school year.

The acquisition of these items has been made possible through profits made by the Snack Bar and the College Book Store. The approximate cost of the chairs was \$700 and the ashtrays cost \$30. The ping pong equipment was \$51 and the coffee urn and set were \$50. The price of the printing press was \$200.

Soccer Team Meets Towson Squad Today

The STC soccer team opens its 1957 season on October 2, as host to Towson at Salisbury. Coach Benn Maggs is optimistic despite the ratings of the Towson team, who are leading contenders in the Mason-Dixon Conference.

And Coach Maggs has legitimate reasons to be hopeful. Returning are seasoned upperclassmen plus a crew of experienced freshmen. However, Coach says it is too early to tell much about the freshmen. The nucleus of the squad will be eight lettermen including seniors Bill Brown, Tom Fallin, and Joe Steelman; each will be making this his fourth campaign.

Mild-mannered Maggs disquiets any rumors about a powerful team by saying, "We'll do better than last year's 3-3 record. That's all I can say."

WAA Appoints Sports Managers

Louise Holbrook, president of the W.A.A. board, anticipates a successful sporting year. She urges that all girls participate in the varsity and intramural activities in order to receive as many W.A.A. points as possible. A point system was inaugurated last year and at the end of the season athletic awards were presented to the students on the basis of the individual points received.

Each girl in the college is automatically a member of the W.A.A. and it is urged that all take an active part in this organization. The executive board will hold meetings on alternating Tuesdays at 6:15 P.M.

The managers for the sports activities this year are as follows:

Varsity Hockey, Mary Doepp, Mary Wright; Intramural Hockey, Joanne Cathell; Varsity Basketball, Barbara Caine, Carole Kirkwood; Intramural Basketball, Delores Cooling, Norma Culver; Varsity Volleyball, Nettie Stern, Sue Metz; Intramural Volleyball, Nancy Johnson, June Magee; Social Manager, Patsy Miller, Marilyn Miller; Publicity, Helen Mae Ellis, Nan Biddle; Softball, Delores Gardner; Tumbling, Ina Ray Foskey; Badminton, Niki Moxey; Bowling, Barbara Carstens; Tennis, Betty Lee Shawn.

Suggestions from students as to the type of sports activities desired here on the campus will be welcomed by Dr. Whitney and members of the W.A.A. board.

Twelve Teams Open STC Bowling Season

Under the capable leadership of Mrs. Barbara Carstens, the STC bowling league resumed action on Monday, September 23. Last year marked the beginning of organized bowling teams, comprised of students from this college. Much enthusiasm has been shown by the participants and a very successful season is anticipated by all.

There are 12 teams in the circuit, each composed of five members.

At the end of the season, which runs for 20 consecutive weeks, there will be a culminating activity to honor the outstanding bowlers. Trophies will be presented to the winning team and individual achievements will also be honored.

The following list comprises the individual teams and their respective captains.

Alley Cats, Sandy Sherman; Birds, Ruth Neilsen; Cannibals, Pauline Osinski; Demons, Joyce Bennett; Eagles, Regina Hughes; Fireflies, Mary Jane Parsons; Gophers, Sue Magee; Hotshots, Carol Knapp; Injuns, Norma Culver; Jaguars, Barbara Disharoon; Kings, June Taylor; Lizards, Maryleen Jones.

It is noted that all the captains are girls. This is due to the fact that the W.A.A. board is sponsoring the bowling league, consequently the boys relinquished the honors to the females.

Veteran Hockey Players Spark Varsity Eleven

The first Varsity Field Hockey practice was held on Monday, September 23rd. With quite a few veteran members and a good turnout of new members, the team should make a good showing this season, possibly coming out on top. Among the returning players are Emily Burns, Mary Evelyn Doepp, Joyce Bennett, Delores Gardner, Helen Mae Ellis, Laurie Hammerman, Carole Kirkwood, Joanne Cathell, Mary Wright, and Ina Ray Foskey. New turnouts include Mary Lou Lambden, Barbara Streett, Mike Shortall, Andrea Brose, Adrienne Nock, Pat Hutson, Beppy Price and Pat Lloyd.

Field Hockey managers, Mary Evelyn Doepp and Mary Wright, have been busy securing games for the team. Invitations have been set to Villa Julie College, Notre Dame, Towson, Mary Washington, Beaver College and Wesley. It is the purpose of the women's varsity sports program to establish friendly relations through the games between the various colleges.

Sport Beat

By Gary White

According to the pre-season experts Oklahoma will again repeat as National Champions of the 1957 gridiron season. With the Pittsburgh game tucked easily under their belt, tagged as Oklahoma's biggest test, they should roar through the rest of their schedule like a mid-west tornado.

Tennessee, who ranked second in the Nation last year, will probably be somewhere in the same vicinity at the close of this season. The Volunteers should only be given trouble by Georgia Tech and Kentucky. They will certainly miss Johnny Majors, everybody's All-American, who recently was cut by a Canadian Club.

Iowa, Big Ten and Rose Bowl champs, is expected to have another fine team, but it might have to take a back seat to anyone of these teams. Minnesota, led by Bobby Cox, should generate enough steam to get to Pasadena. Also in the fight for the Big Ten crown will be Michigan State and the University of Michigan minus Maentz and Kianes.

On the state scene, Navy will give Marylanders a lot to talk about. Led by Ned Oldham and Tom Forrestal, the Middies could easily go undefeated. Of course, there's a huge stadium in Philadelphia where some mighty strange things happen.

Then we see the plight of the once mighty Terrapins. The Terps gave a creditable performance against Texas A and M. The rest of their schedule will give Tommy Mont quite a number of headaches. Maybe he should borrow a pair of Jim Tatum's socks. Disaster seems certain in games with Duke, Miami (Fla.), and powerful Tennessee. Maybe what the Terps need are a few more scholarships like they give at Texas.

New Cheer Leaders Will Be Selected In Student Assembly

An active program is being planned by the co-captains of this year's cheerleading squad, Mary Wright and Connie Mears. Practice and try-outs are well under way; the first practice was held on September 19. An assembly, followed by the election of new cheerleaders by the student body, will take place on October 9th.

Twelve students have turned out for practice. They include eight girls and four boys — Barbara Streett, Jerry Baker, Joanne Snyder, Juanita Gordy, Sue Magee, Regina Hughes, Becky Forsythe, Pauline Osinski, Victor Davis, Bob Fitzgerald, Tom Lewis, and Donald Moore.

Organization Officers Elected For 1957-58

Election of Officers Was Held Last May

Traditionally, the elections for the incoming officers for most organizations on the campus are held in the spring. Those elected last spring to serve as officers in the various organizations are as follows:

S.G.A.

Henry Hausdorff, Pres.
William C. Livingston, Vice Pres.
Helen M. Ellis, Sec.
G. Kenneth Gerlach, Treas.

Men's Dorm.

Woodrow Robbins, Pres.
Joseph Evans, Vice Pres.
Samuel Brannock, Sec.
William Bailey, Treas.

Women's Dorm.

Norma Pollitt, Pres.
Delores Gardner, Vice Pres.
Joan Cowan, Sec. - Treas.

Men's A.A.

Thomas Fallin, Pres.
Thomas Dorman, Vice Pres.
Gary White, Sec.
William Hill, Treas.

Women's A.A.

Louise Holbrook, Pres.
Helen Luzetsky, Vice Pres.
Ruth Nielsen, Sec.
Sue Magee, Treas.
