SOAR@SU Distribution License

By signing and submitting this agreement, I grant Salisbury University a no cost, nonexclusive, right and license to include the work identified below in the Digital Repository SOAR@SU, or another Digital Repository system that Salisbury University may in the future utilize in the place of SOAR@SU, and through the Digital Repository, to reproduce, publicly display, and distribute the work at no cost to users world-wide provided the University does not alter the content of the work. I understand that if I wish to publish the work with a third party that requires me to assign to it all my rights in the work, I may direct Salisbury University to remove the work from the Digital Repository. In such an event, I understand that a bibliographic reference to the work will be retained in the Digital Repository, but the work will be removed to a "dark archive" that is not publicly accessible. I also understand that I may request and specify an embargo period that will delay full-text access to my work, if I am considering publication.

I represent that I am the sole or joint owner of the entire copyright in the work or, to the extent that I do not hold copyright in any part of the work, that I have written authority from the owner of copyright to grant this license to Salisbury University. If the work is based on work that was sponsored or supported by an agency or entity other than Salisbury University, I represent that I complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgment of its support.

This agreement will be interpreted and governed in accordance with applicable Federal law and the laws of the State of Maryland without reference to its conflict of laws rules.
