Academic Regalia

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities—for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk gowns increasingly are the color of the college which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates the department of specialty.

The Marshals

Grand Marshal

Dr. Harold J. Cordts

Faculty Marshals

Dr. Jon W. Bauman

Dr. Audrey T. Edwards

Chairman of the Commencement Committee

Mr. Paul F. Trichel

Reception

A reception for graduates, families and guests will be held immediately following the ceremonies in the Auxiliary Gymnasium.

Frostburg
Mr. Robert E. Scarcelli
Cumberland

Commencement Speakers

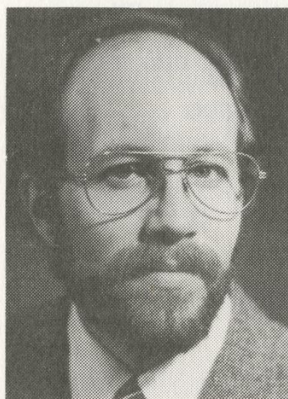

Mrs. Ann R. Hull of Takoma Park, Maryland was appointed to the Board of Trustees in August, 1983 by Governor Harry Hughes. She was elected Vice Chairman of the Board in July, 1986.

Mrs. Hull received her B.A. degree from the University of Washington and an M.A. degree from Syracuse University.

Elected as a Delegate to the General Assembly from Prince George's County in 1966, Mrs. Hull served until 1978. In 1979, Mrs. Hull was appointed an Executive Assistant to Governor Hughes, a post she held until her retirement in 1983.

Christopher Brooks Ogden will receive a Bachelor of Science Degree with majors in Biology, Reclamation, and Earth Science today, Graduating Summa Cum Laude with honors in General Education. A peer tutor in Geography, Biology, and Chemistry for more than three years, he has served as president of Gamma Theta Upsilon, and is a member of Phi Eta Sigma and Beta Beta Beta Honorary Societies. In 1985, Mr. Ogden received an Oak Ridge Associates Universities appointment as student research participant in the Department of Energy Center for Energy and Environment Research in Mayaguez, Puerto Rico. He has held positions as student worker for the FSC Department of Biology, laboratory assistant for the Department of Geography, and has produced a tactual map of the FSC campus. A native of Frostburg, he is the son of Mr. and Mrs. Ernest Ogden. Mr. Ogden plans to earn advanced degrees in Environmental Toxicology.

Dr. Herb. F. Reinhard, Jr., became the College's 12th president in July 1986. A native of Covington, Ky., he has devoted most of his adult life to public higher education, including the presidency of Slippery Rock (Pa.) University of Pa., Morehead (Ky.) State University, and as an administrator at universities in Florida, North Carolina, and Tennessee. President Reinhard chairs the Committee on Governance of the American Association of State Colleges and Universities, was a member from both Division I and II of the new 44 member President's Commission of the National Collegiate Athletic Association (NCAA), and is active in a number of professional, civic, fraternal, and service organizations. He received his bachelor's and master's degrees in psychology from Florida State University and the doctorate in higher education, business and public administration from Indiana University.

Candidates for Degrees in Course

At this Commencement, degrees are conferred upon persons who completed requirements in August 1986 and December 1986. It is not possible, prior to the printing of this program, to determine who will have completed degree requirements. The list is tentative. The diploma of the College, signed and sealed by its proper officers, remains the official testimony to the possession of a degree.

Order of Presentation

Master of Arts in Modern Humanities

Master of Science in Biology

Master of Science in Counseling Psychology

Master of Education

Master of Science in Fisheries Management

Master of Science in Management

Master of Science in Wildlife Management

Alma Mater

Our Alma Mater, Mother of Knowledge,
We sing of thy glory, and thy honored name
Founded for learning, of minds that are yearning
We treasure, we treasure our years at Frostburg State.

Our Alma Mater, Guide us still nearer,
As striving for truth, we follow in thy light.
Grant us thy grace, that our minds may embrace
The wisdom, the wisdom ours here at Frostburg State.

Lyrics by the Class of 1966

Music by Thomas Green

Phi Mu Alpha
