Committee on Athletics - The Committee on Athletics shall serve as an advisory board to the director of athletics and as a communications liaison between the Athletics program and the various constituencies of the University. The committee shall primarily concern itself with the relationships among all academic matters and athletics. In particular, each year the committee shall review:

- admissions profiles of student-athletes; and
- reports on academic progress and graduation rates of student-athletes;
- the procedures for and problems arising from athletic eligibility;
- NCAA, conference, and University policies which affect the academic progress of student-athletes.

The Committee shall consist of eight members: the Director of Athletics (ex-officio and non-voting), the NCAA Faculty Athletics Representative*, two elected faculty members and two elected staff members serving three year terms, and two student members serving one year terms.

- * The NCAA Faculty Athletics Representative, appointed by and serving at the pleasure of the President of the University, shall be a member of the teaching faculty who neither reports to the Director of Athletics nor is a member of the athletics staff.
