## O GOD, OUR HELP IN AGES PAST

O God, our help in ages past,  
Our hope for years to come,  
Our shelter from the stormy blast,  
And our eternal home:

Under the shadow of thy throne  
Thy saints have dwelt secure;  
Sufficient is thine arm alone,  
And our defence is sure.

Before the hills in order stood,  
Or earth received her frame,  
From everlasting thou art God,  
To endless years the same.

A thousand ages in thy sight  
Are like an evening gone;  
Short as the watch that ends the night  
Before the rising sun.

O God, our help in ages past,  
Our hope for years to come,  
Be thou our guide while life shall last,  
And our eternal home. Amen.

## FAITH OF OUR FATHERS

Faith of our fathers! living still  
In spite of dungeon, fire, and sword,  
O how our hearts beat high with joy,  
Whene'er we hear that glorious word:

### *Refrain:*

Faith of our fathers, holy faith!  
We will be true to thee till death.

Our fathers, chained in prisons dark,  
Were still in heart and conscience free:  
And truly blest would be our fate,  
If we, like them, should die for thee.

Faith of our fathers! faith and prayer  
Shall win all nations unto thee;  
And through the truth that comes from God,  
Mankind shall then indeed be free.

Faith of our fathers! we will love  
Both friend and foe in all our strife:  
And preach thee, too, as love knows how,  
By kindly deeds and virtuous life.

AMEN
