Academic Regalia

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities — for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk, gowns increasingly are the color of the college which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates his department of specialty.

Candidates for Degrees in Course

At this Commencement degrees are conferred upon persons who completed requirements in May 1975, December 1974, and August 1974. It is not possible, prior to the printing of this program, to determine who will have completed degree requirements. The list is tentative. The diploma of the College, signed and sealed by its proper officers, remains the official testimony to the possession of a degree.

Alma Mater

Our Alma Mater, Mother of Knowledge,
We sing of thy glory, and thy honored name
Founded for learning, of minds that are yearning
We treasure, we treasure our years at Frostburg State.

Our Alma Mater, Guide us still nearer,
As striving for truth, we follow in thy light.
Grant us thy grace, that our minds may embrace
The wisdom, the wisdom ours here at Frostburg State.

Lyrics by the Class of 1966
