## Academic Regalia

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities— for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk, gowns increasingly are the color of the college which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates the department of specialty.

## **Candidates for Degrees in Course**

At this Commencement, degrees are conferred upon persons who completed requirements in May 1979, December 1978, and August 1978. ## Alma Mater

Our Alma Mater, Mother of Knowledge,  
We sing of thy glory, and thy honored name  
Founded for learning, of minds that are yearning  
We treasure, we treasure our years at Frostburg State.

Our Alma Mater, Guide us still nearer,  
As striving for truth, we follow in thy light.  
Grant us thy grace, that our minds may embrace  
The wisdom, the wisdom ours here at Frostburg State.
