'61 Who's Who Announced At S.T.C.

The **Holly Leaf** takes great pride in announcing the names of the following seniors, selected by a committee of five, to be included in **Who's Who in American Colleges and Universities, 1961**: James Edward Davis, Robert Scott Fitzgerald, Geraldine James Blazek, Mary Anna Lake, Richard Lee Taylor, Jr., and Thomas Duncan Wimbrow.

To be qualified for inclusion in **Who's Who**, a student must have an accumulative grade average of 2.5 for at least six semesters. The committee then selects by ballot those persons who have made special contributions to college life in general. Serving on this committee were the Dean of Students, Mr. Orem E. Robinson, Jr.; Miss Margaret Addis; and the following Juniors: Luther Fennel, Billye Parks, and Yates Harris. The students asked to serve on the committee were chosen because of their personal proximity to the above qualifications for **Who's Who** candidates.

Geraldine Blazek, daughter of Mr. and Mrs. James W. Blazek of Cambridge, Maryland, graduated from Cambridge High School in 1957, after which she enrolled in the Junior High Education here at the College. Presently, Miss Blazek is President of Women's Dormitory Association, having served as a member of the Dorm Council in her Sophomore year. Also, she is now acting as a Social Committee Representative. Especially active in the realm of sports, she has given of her versatile talents to such varsity sports as hockey, basketball and volleyball throughout her Sophomore through Senior years as well as serving on the Woman's Athletic Association Board and actively participating in the bowling league for the past two years. In addition to gathering laurels in sports, Miss Blazek has been a member, since her Freshman year, of the Newman Club, of the Science Club and S.N.E.A. since her Junior year, and of the Glee Club since her Sophomore year.

James Edward Davis, of Salisbury, Maryland, is the son of Mrs. James M. Davis and is enrolled in Junior High Education — scheduled to graduate this coming February. An exceptional student, he has been on the Dean's list at least one semester since coming here and both semesters in his Junior year. Also, he has been an active member of Phi Alpha Theta since his Junior year. He has served as Treasurer in his Sophomore year.

Sophanes Players to Present "Antigone"

On November 21, 1960, at 7:30 P.M., the Sophanes Players under the direction of Mr. Burnet will present a one act play, "The Great Choice," translated by Sir Percy Young. Short readings from "Antigone," the origin of "The Great Choice," will also be included. "Antigone" is a Greek tragedy written by Sophocles. Both the Greek version and a French version adapted from the Greek by Jean Cocteau will constitute two readings. "The Great Choice" is set in the future with Anne, the lead, representing Antigone of the future. The cast, the majority of whom are freshmen, is composed of the following students:

- "The Great Choice"**
- Paula Joyce Poole
 - Anne Sue Ellen Marcee
 - Isabelle Bonnie Farlow
 - Thomas Kruger Bill Homead
 - Miss Lee Marian Jurceka
 - Lieutenant John Willis
 - Herman Charles Tost
 - Rev. Thompson John Payne

- "Antigone"**
- Antigone Sue Nichols
 - Irmene Loraine Shanoski
 - Creon Bill Homead
 - Haemon Charles Tost
 - Tiresias John Payne
 - Stage Manager Mrs. Doris Hobbs
 - Assistant Jo Ann Jefco
- Future plans of the Sophanes Players include the production of a four-act play, most likely to be held second semester. Any student interested in dramatics is qualified to become a member of the group. The growing interest among the students in producing plays on an academic level should be commended.

Scholarship Nominees Made For S.T.C.

**MEN'S
OPEN HOUSE
NOVEMBER 22
Big Entertainment**

Salisbury College has had the opportunity on many occasions to bestow upon deserving students various honors and recognitions pertaining to academic achievements. Students Robert Fitzgerald, Maryanna Lake, Elsie Roberts, Sylvia Stant, Dick Taylor, and Tom Wimbrow have recently procured one such honor by being selected to represent our college as nominees vying for a \$3000 scholarship as offered by the Harvard University Graduate School of Education.

STC Critized

In the October 25th edition of *The Salisbury Times*, Mr. Kelvin Adkins, Farm Editor, erected a structure of criticism directed at S.T.C. The following week, *The Times* carried the letters of Dr. Devilbiss and of Tom Wimbrow and Jay McCrear, which effectively demonstrated that Mr. Adkins' structure was built on quicksand.

At the risk of being accused of flogging a dead horse, I would like to carry the matter one step further by examining the structure itself — that is, if all Mr. Adkins' fantasies had been facts, could he logically have arrived at those same conclusions.

To begin with, he stated that we are in the center of one of the nation's richest farm areas, but that we are unable to become a part of it or to make the contributions to it of which we are capable. I doubt that any future farmer born after 1925, in this State, has been able to receive a secondary education without owing some part of it to the graduates of S.T.C. This is especially interesting in the light of one of his later statements: "Every year

Competition for this coveted award includes six outstanding students selected by the respective schools from teachers colleges, or comparable institutions, in the Middle Atlantic and North Central states.

The purpose of this award is to aid academic-minded students in pursuing graduate work as offered in any one of Harvard's several degree programs. Additional awards in substantial amounts are made to nominees who rank high in the competition.

Congratulations are extended to our nominees for this distinct honor — one product which has evolved from their four years of industrious, academic labor.

Cultural Affairs Group Presents Dr. Davis

On November 1 the Cultural Affairs Committee presented the first in a series of informal assemblies — the purpose of which is to acquaint the student body with various topics of interest as discussed by lecturers both from the staff and outside.

Dr. Davis, speaking on his experiences while a student attending the University of Vienna — (See **DR. DAVIS**, Page 2)

(See S.T.C., Page 2)

WHO'S WHO (Con't. from Pg. 1)

more year and Vice-President in his Junior year to the College Chorus and as S.G.A. Representative in both years. Rounding out an already full schedule of activities, Mr. Davis was a member of the Sophanes Players in his Sophomore year, played Varsity Basketball in his Freshman semesters, and was Duchess Escort at the May Day program of his Sophomore year.

Robert Scott Fitzgerald, son of Mr. and Mrs. E. Frank Fitzgerald of Princess Anne, Maryland, graduated from Washington High School in 1957, and enrolled in S.T.C. the same year in the Junior High Education. Since his coming here, Mr. Fitzgerald has been an active participant in the College Chorus — serving as Chorus Librarian in his Junior year, Chorus Vice-President in his Senior year, and as a member of the Men's Chorus ever since his Freshman year. A recipient of the Achievement Key in his Junior year, he has maintained a high scholastic record throughout his duration here. Included in his list of activities are Gym Club, Sophanes Players, and Science Club — for which he served as Vice-President in his Junior year. President of his class this year, Mr. Fitzgerald has bestowed much of his time and talents towards insuring the success of his years here.

Miss Mary Anna Lake, daughter of Mrs. Helen Lake of Chesapeake City, was graduated from Chesapeake City High School in 1957 and enrolled in the Junior High Education program here. Being of enthusiastic personality and outstanding achievements, Miss Lake has been an active participant in numerous activities including Phi Alpha Theta since her Junior year, College Chorus since her Freshman year, Women's Dormitory Council in her Junior year and the Gym Club for her first six semesters. This year she has the distinction of acting as Evergreen Co-Editor — having served as Assistant Editor last year—and also of filling the position of class treasurer. In her Junior year, Miss Lake was accredited with serving on the Cultural Affairs Committee and as a S.G.A. representative. Including among her endeavors are Fencing Club, Sophanes Players, Holly Leaf, and Wesley Foundation, for which she has been Secretary and President. In her Freshman year, Miss Lake was an Achievement Key Winner.

Son of Mr. and Mrs. Richard Lee Taylor, Sr., of Salisbury, Maryland, Richard Lee Taylor, Jr., is a 1955 graduate of Wicomico High School and is enrolled in Junior High Curriculum. A commendable student and an active participant in practically all phases of college life, Mr. Taylor is presently a member of Phi Alpha Theta, a representative to the Cultural Affairs Committee, and on the staff of the Evergreen. In his Freshman year, he played baseball, following with Varsity Soccer in his Junior year, and Intramural football in his Sophomore and Junior years as well as

Intramural softball.

One of our most conscientious and capable students, Mr. Thomas Duncan Wimbrow, son of Mr. and Mrs. Ralph Edwin Wimbrow of Whaleyville, Maryland, and graduate of Stephen Decatur High School, is enrolled in the Junior High Education Program. Mr. Wimbrow is presently serving as Student Government Association President — having acted as Treasurer in his Sophomore year and as Vice-President in his Junior year. As a Freshman, he was elected to the office of class president and sang in the College Chorus. Most diligent in his services enacted for the school, Mr. Wimbrow has been a member of the Cultural Affairs Committee for the past two years. In his Junior year, he had the honor of receiving the coveted Anne H. Matthews award.

STREET (Con't. from Pg. 3)

ing Barbara as an active participant, but that is only because no other sports have been started yet. Playing halfback on the varsity squad, of which she is co-captain, she has displayed much dexterity and skill in the two appearances the hockey team has made thus far.

President of the Women's Athletic Association this year, this young lady helps plan, along with Dr. Whitney and the W.A.A. Council, the sports activities of the year, for all the women of the college.

Undoubtedly, Barbara Street well deserves this title she has so diligently earned. Congratulations, WOMAN ATHLETE OF THE MONTH!

—L. F.

McCREA (Con't. from Pg. 3)

Here his accomplishments on the athletic fields need little elaboration, but we will attempt to give a brief sketch of his four years' participation:

Freshman: Earned three varsity letters in soccer, basketball, and baseball.

Sophomore: Lettered in all three sports again.

Junior: As a junior, only two major sports were played in which he also lettered.

Senior: Will again letter in soccer, and the rest remains to be seen.

In this varsity competition Jay received three broken bones in three seasons: broken collarbone, broken leg, and a broken ankle. In addition to this varsity competition, Jay participated in intramural leagues, when he was well. Outside of school he played baseball in the Central Shore League where he filled the positions of first base, second base, shortstop, outfield, and on occasion was called upon to relief pitch. During the winter he officiates at local high school soccer games and is a member of the Salisbury Moose basketball team.

For the last two years, Jay has been called upon on Senior Day programs to speak on the athletic program at our school. Among his

other honors is being President of the Men's Dormitory Association.

Jay loves music, is a member of the college chorus, and has been for three years.

To sum it up, no finer example could be cited than Jay's value to our 1960 Gull soccer team. As goalie, Jay has done a tremendous job as is illustrated by the fact that in three games thus far he has permitted only two goals to be scored.

Even in the political light Jay has been seen exhibiting his verbal talents in support of Nixon!

—P. M.

FOOTBALL (Con't. from Pg. 3)

and that was the game. The most outstanding contributions to the Junior victory would have to be credited to LeCompte and John Barnes whose pass completions on vital third downs allowed the Juniors to get close enough to get enough points to win.

Freshmen 25 - Sophomores 22

Man, in the wildest and wooliest game yet to be played in the intramural league the Freshman Class mustered their scoring potential into one contest and eaked out a win over the Sophs. Defense in this contest was completely unheard of. The scoring was so numerous that it would be impossible to list them all. The most outstanding play of the game was a punt return of 60 yards by Wayne Foltz and this turned out to be the margin of victory. The sour note of the contest was the inability of the Sophs to field a complete team, but this may have been a wise move, because they borrowed a man from the Frosh and he proved to be one of their big men on offense.

MAYHEM (Con't. from Pg. 3)

boys come through with that win. Apparently, a well-aimed shot in the arm to the club.

AS OF LATE . . . ther has heard in the gym the pitter patter of little feet so this writer has naturally curious ventured to see what was happening. It was just a few members of gym team getting a head start on the season. It is good to see a few new faces, but if anyone reading this column, either male or female, has an interest in gymnastics be sure to contact Cal Maggs and discover all the pertinent information needed concerning your participation as one of his "Ace gymnasts". I'm sure you will be more than glad to see.

GULLS SCORE 2-1 WIN

Things are looking better for our Gulls in the soccer light. Last week, they met and defeated Philadelphia Bible Institute on their own stamping grounds. Our defense centered around Ed Star who did all the Gull's scoring. Shining again on defense was Johnny Barnes, and goalie McCrea.

QUITE AMUSING . . .

but admittedly out of the sports column in the column in the Salisbury Timth in which Mr. Adkins stated that the veterans at STC were embarrassed by being asked to walk between girls for our formal convocations. Not to be one-sided about this affair this writer thought that he was correct in one part of his statement. That is, he made the remarks in the Farm Journal of the paper — a place that is reserved for all subjects of a "CORN" nature. In his own language, our reply is simply, "we 'uns are plumb fur it!" See ya next time

LITTLE MAN ON CAMPUS

"NO WONDER TH' RUSSIANS ARE AHEAD OF US — BOTH OF YOU SHOULD BE IN THE LIBRARY STUDYING."
