CHEMNITZ, (HUNGARY) April 3.

SOME Huntsmen from Frauenmark, in the Province of Horenfer, who were out a Bear-hunting, being in pursuit of a very large One, he buried himself very deep. On digging the Ground in order to unkennel him, there were found in the Snow, Marks of human Footsteps: Upon following these they found to their great Astonishment, a wild Woman, about 16 or 18 Years old, quite naked, clumsy, strong, and black. She was taken up by main strength, and, to her, with great Reluctance, she looking on every one with much Indignation and Resentment. She is put into an Hospital, is clothed, and taken care of. She will eat nothing but raw Flesh, and wild Roots. No Person has heard her speak, and it is thought she is dumb.

LONDON, May 18.

Extract of a Letter from Madrid, April 20.

A French Gentleman, in the Service of Spain, in Quality of Captain to a Regiment of Foot, which was stationed at Paraguay, happening to be in a House of the Jesuits on that Continent, Two Manuscripts fell into his Hands, consisting, it is said, of Instructions from the General of the Society to the Missionaries in India. The Officer perceiving that these Instructions contained atrocious Things, as well against the King of Spain, as against the Pope, he took and clapped them up carefully in his Pocket-Book. The Superior of the Jesuits finding the Manuscript missing, suspected the Officer of having taken them, and employed Prayers, Promises, and Threats to prevail on him to restore them; but the Officer having denied seeing them, the Jesuits had recourse to the Authority of Mr. Savallos, Commandant-General of Paraguay, who being devoted to the Jesuits, caused the French Officer to be condemned by a Council of War, under Pretence of Disobedience, to loose his Employ, and to remain Eight Years in Confinement at Ceuta. After this Sentence, the Officer having found Means to inform his Family in France of his Condition, they solicited the Spanish Ministry in his Favour, and obtained an Order for his being brought to Madrid. At his Arrival he delivered up the Two Manuscripts in Question to the Count d'Aranda, with whom he had several Conferences. As to Mr. de Savallos, he is recalled, and disgraced.

Extract of a Letter from Paris, April 27.

The Pragmatic Sanction of the King of Spain against the Jesuits in his States, is publicly sold by the Hawkers here and in Spain.

In 1598, these Fathers were banished from France, for being concerned in the Assassination of King Henry IV. They were driven from England by Queen Elizabeth in 1602; from the Republic of Venice in 1605; from Poland in 1607; from Bohemia, Silesia, Moravia, and Hungary, in 1619, where, however, they are again re-established. They were expelled from Portugal and France, and now just banished for ever from the Monarchy of Spain.

Extract of a Letter from the Ecclesiastic State, April 18.

The Pope has addressed a Brief to the King of Spain, to engage him to relent in favour of the Jesuits; and, at all Events, declaring that he will not receive them.

Extract of a Letter from Florence, April 18.

We are just now informed by a Letter from Rome, that after a Deliberation on the Subject of what has happened to the Jesuits in Spain, it was resolved not to receive in the Pope's Territories any other of those Religious than such as are Italians by Birth; and that Orders to that Purpose had been dispatched to the Governors of all the Ports in the Ecclesiastic State. We are not a little surprized at this News, since those Fathers are each of them to enjoy a Life-Annuity, and of Course need not become burthenome to the State where they reside. There are Thousands of Conjectures made here on the Occasion of this Catastrophe of the Jesuits. We always thought that Spain was the last Country where they were likely to suffer such a Disgrace. The Society had its Birth there, and Don Ignatius de Loyola, its Founder, was a natural born Subject of that Kingdom.

The turning Reason for the Expulsion of the Jesuits out of Spain has been, a late Discovery of a Fourth Vow enjoined by that Order, though not to all its Members, nor known even by them, of being true to their General above King or Pope! Thus Roman Catholics at large vow Attachment to the Pope above Civil Magistrates; and Jesuits to their General above the Pope! Protestants, beware of both, like your Ancestors, neither grant them Emoluments nor Trusts.

Advice is received in Town, that the whole 27 Convents of St. Maur, in France, who had adopted some Principles of the Jesuits, and were discoverd

therein, have had absolute Orders for Removal, within 48 Hours, upon Pain of Imprisonment.

On Saturday Night some Dispatches were sent away for Sir Henry Moore, Bart. Governor of New-York, said to be relative to the late Resolutions of an August Assembly.

We learn from Edinburgh, that the fine Carpet, which was some Time ago ordered to be manufactured at Pittenweem, in Fifeshire, for her Royal Highness the Princess Dowager of Wales, is now finished, and last Week was shewn to a vast Number of People at the Custom-House. It is esteemed by the best Judges to rival, if not excel, the Manufacture of Turkey and Persia; the Figures are finely fancied; the Colour exquisite; and the whole so highly finished, as to excite universal Admiration. It is about Twenty-five Feet long, by Seventeen in Breadth. The drawing of the Pattern alone, by which it was worked, it is said, cost Fifty Pounds, and the Carpet itself, we are told, is valued at Three Hundred Pounds Sterling. On Monday last it was sent off by the Waggon for London.

On Friday last the Prince Frederick, Captain Hanan, one of the Transports who sailed with Commodore Byron to Patagonia in South-America, arrived in the Downs, and remains for Orders; and, we hear, he has got on board Three Men, Two Women, a Boy and a Girl of that Country.

The General-Court of the East-India Company, which met on Monday at Merchant-Taylors-hall, did not break up till Five Yesterday Morning. The Papers and Letters received from Abroad were read, and the general State of the Company's Affairs was laid before them; after which a Motion was made for offering the Government 400,000 l. per Annum for Three Years, or half their Profits in Trade for that Time, which ever they should prefer; which was agreed to; then a Motion was made for petitioning to be heard by Council against the Bill depending for regulating the Dividends, and a great Debate arose thereupon; at length a Ballot for the Question was proposed. Fifty Gentlemen protested against that Motion; but, notwithstanding, the Ballot began at Ten on Monday Night, and was declared at Four Yesterday Morning, in Favour of the Petition.

A Stop, it is said, will soon be put to the enormous Exportation of Silver to the East-Indies.

CHARLES-TOWN, (S. CAROLINA) July 10.

This Day arrived here from West Florida, his Majesty's Ship Cygnet, commanded by Philip Durell, Esq; in which came Passengers Brigadier General Taylor and his Lady, whom Capt. Durell landed at St. Augustine. The Cygnet in her Way from Pensacola, went to the Havannah, and, when a-bread of the Moro, was hailed and ordered to bring to, Captain Durell answered he would do so, as soon as the Ship was in Safety, on which several Guns were fired at him from the Moro, and, just as the Anchor was gone, a Twenty-four Pound Ball struck the Cygnet about Six Inches above the Water, went through her Larboard Side and stuck in the Starboard. Capt. Durell was not permitted to go on Shore, but wrote to the Governor, complaining of the Insult offered to the British Flag, and had for Answer, that they had the King's Orders not to suffer any Ships to enter that Port. We are told several other Letters past. A few Days after, the Adventure Frigate, Capt. Fitzherbert, came off the Havannah, with Dispatches from Admiral Parry to the Spanish Governor, and met with much the same Treatment. The Spaniards used the most scurrilous abusive Language to both Ships, calling the People, English Dogs, &c. These are all the Particulars of this extraordinary Affair we have as yet been able to procure. There is no doubt that proper Notice will be taken of such daring Insults, and the Dons be made to know themselves, and not to forget who were their Conquerors.

Letters from Pensacola make mention of a Reinforcement of Spanish Troops being arrived at New-Orleans; Part of which, with a Convoy of Provisions, and some Presents for the Indians, was gone up the Mississippi, to take Possession of the Territories on the Western Side of the River, ceded to Spain.

Extract of a Letter from New-Provident, dated June 24, 1767.

By a Vessel in Three Days from Porto Prince, in Cuba, we are assured, that all the Jesuits in that Island had been seized a few Days before she sailed, together with their Papers and Effects, to a very considerable Amount, and carried to the Havannah, in order to be sent from thence to Old Spain; They had not the least Notice or Apprehension of this extraordinary Revolution till they saw themselves surrounded in their Convents, &c. by a Num-

ber of Soldiers, and their Persons and Properties conveyed, under Guard, to the principal Port in the Island. This is all the News we have of any Importance.

July 14. From North-Carolina we are informed, that Governor Tyron, with the Commissioners appointed for that Purpose, joined by the Chiefs of the Cherokee Nation, on the 4th of June, began to run out the Boundary-Line between North-Carolina, and the Cherokee Hunting-Grounds, at the Corner Tree on Reedy River, where the Line behind the Province terminates. The Surveyors went a North Course 53 Miles, marking as they went into the Mountains; and on the 13th of June, they marked several Trees on the Top of Mount-Tyron, on the head Waters of White Oak and Pacolet Creeks, running into Green and Broad Rivers; but several Obstacles having impeded a further Survey, it was agreed by the whole, that the Boundary should be a direct Line from the said marked Trees, to Chiswell's Mines in Virginia; which being settled and agreed upon, proper Instruments were drawn up, and signed by the Parties present, to be transmitted to his Majesty. The Indians were so highly pleased with his Honour's Condescension to their several Requisitions, that they complimented him with the War Name of *The Great Wolf of North-Carolina*.

Extract of a Letter from Pensacola, June 13.

Our Assembly is dissolved by the Lieutenant-Governor, and new Writs of Election are about to be issued: Disputes run high, so that the whole Province seems to be in Confusion.

Other Letters from the same Place mention, that Five Traders had been lately found murdered on the Cherokee River, by (as the Cherokees say) some of the Northern Tribes who have strolled thus far South. The Creeks, by burning a Choctaw Headman alive, whom they lately made Prisoner, has kindled up afresh the Fury of that Nation, which had almost subsided.

NEW-YORK, July 23.

Captain William Moore, of the Brig Africa, who arrived here on Sunday last from New-Orleans, brought with him one George Cahoon, a Lad of about 15 or 16 Years old, who says that he was (with the whole Family) taken about 10 Years ago, from Cumberland County, in Virginia, by the French Iroquois Indians, that his Father's Name was also George Cahoon, and that Three of his Brothers, and Three of his Sisters, were still with the Indians, when he was purchased by a French Officer, and carried to the Mississippi; the said Lad is now by Choice going to Trois Riviere in Canada, attending on Two Young Gentlemen, Sons of the Surveyor-General of New-Orleans.

Tuesday last arrived here Captain Cotton, from Iaquibo, but last in Fifteen Days from St. Eustatia. The Day he sailed from thence, the Brig Helena, Captain Harriot, arrived at Statia, from this Port, in her Way to Coracoa, and had brought in with him, Dr. Vanzolingen, late Owner, and Captain Livingston, Master of a Sloop, from this Port, bound for the West-Indies, together with all his Men, whom Captain Harriot took out of the Wreck at Sea, Six Days after he sailed from this Port: By several Letters from them, we have the following melancholly Account of their Disaster: That on the 16th of June, Four Days after they left the Land, the Sloop sprung a Leak, and, notwithstanding all their Endeavours, she soon filled: They had but a few Feet of the Quarter-Deck above Water; but the Vessel happily did not sink un- The next Day several Planks of the Main-Deck blew up, and a pretty high Sea running, they were exposed to the utmost Distress; they could not make any Sail at all, but were left to the Mercy of the Waves: After continuing in this deplorable Condition above Four Days, Capt. Harriot happily appeared, and took them up: They saved nothing but the wet Cloaths on their Backs; and as the Vessel began to fall to Pieces just as they were discovered, it is thought, had not the kind Providence of God so seasonably interposed, that in a few Hours more they would all have perished.

Extract of a Letter from New-Orleans, June 21, 1767.

Monsieur De Ulloa continues at the Bellies; the Spaniards are building a Fort opposite the old one, on the Right Hand as you enter the River, another within Gun Shot of Fort Bute, another below the Natches; on the West Side of the River, and a Fourth near Fort Chartres, Illinois. Brigadier Haldiman is daily expected here on his Way to the Natches: We hear the Lieutenant-Governor has occasioned a general Dissatisfaction among the Inhabitants of Pensacola.

ing Act is complied with, we can assure the Public, is without Foundation, as no such Act was brought here in the Gaspee, Captain Allan.

PHILADELPHIA, July 30.

Last Sunday Evening the Royal Highland Regiment embarked for Ireland; which Regiment, since its Arrival in America, is distinguishable for having undergone most amazing Fatigues; made long and frequent Marches through an inhospitable Country, bearing the most excessive Heat, and severest Cold, with Alacrity and Cheerfulness; frequently encamping in the deep Snows, such as those who inhabit the interior Parts of this Province but rarely see, and which those only who inhabit the most Northern Parts of Europe, can have an Idea of; continually exposed in Camp, and on their Marches, to the Alarms of the savage Enemy, who as frequently flew from them successful in their Attempts; were present at almost every Engagement during the last War in the West-Indies and America; served at Guadaloupe, Martinico, the Havannah, at Ticonderago, at the Reduction of Fort Du Quesne, at the Reduction of Canada. They have the sincere Thanks of the Freemen of this Province, for that still further distinguishing Mark of their Resolution and Bravery, by which, under the Conduct of Col. BOUQUET, assisted with a small Number of the Royal Americans, this, and the neighbouring Provinces, are now at Ease, and have the Blessings of Peace secured to them, from any further Interruption from the savage Enemy; and that though they were much inferior in Number, and had an additional Disadvantage, a large Convoy to protect, they defeated an Enemy, whom, if successful, would have desolated the whole Frontier; and, instead of the Distress, which would have been consequently felt in the interior Parts of the Province, have restored a beneficial and advantageous Commerce. Besides our Thanks for having thus secured our Peace, they receive our Thanks for that Decorum in Behaviour, which they kept up during their Stay in the Barracks of this City, giving an Example, that the most amiable Behaviour in civil Life, is not inconsistent with the Character of the good Soldier; and for their Loyalty, Fidelity and orderly Behaviour, the Inhabitants of this City wish them, the Officers and Men, Health, Happiness, a safe and agreeable Voyage.

At present there is one well improved Tenement, with a Dwelling-House, 16 Feet by 26, a Kitchen, 22 Feet by 14, a Meat-House, 12 Feet Square, a Milk-House, 10 Feet, ditto, all of framed Work, and well shingled; a small Store-House, a Hen-House, a Garden and Yard, well paled in, all which Improvements are almost new; a Tobacco and Corn-House, an Orchard of Seven or Eight Hundred Peach Trees, and another, with about 200 Apple-Trees. Prince-George's County, July 28, 1767.

RAN away from the Subscriber, in August last, a Negro Lad, named DICK, about 17 Years of Age, 4 Feet 7 or 8 Inches high, well-set, has remarkable red Gums, which he shows much when he speaks or laughs, has a sly cunning Look, which corresponds very well with his Disposition, is very talkative, speaks plain, and, if examined, can tell a very plausible current Tale. He is notorious for running away, having constantly practised it since he was Six Years of Age, in return for which he has received Two remarkable Certificates; the first, Stripes, by Whipping; the other, having the Letter D branded on his A-se, which, however, may be now wore out, as he only received a slight Impression. Notwithstanding the Space of Time since his last Elopement, he has never been heard of but once, which was about Six Weeks after, I am therefore inclined to think he is clandestinely detained in some remote Part of this, or the neighbouring Provinces.

Whoever takes up, or secures said Negro, so as I may get him again, shall have, if taken in this, or Charles County, Three Pounds; if in any other County in this Province, Five Pounds; if in the Province of Pennsylvania or Virginia, Ten Pounds; and, if in Carolina, Twenty Pounds, and reasonable travelling Charges, if brought home, paid by

EDWARD DYER.

There is also sundry EUROPEAN GOODS to be sold at said Place, to the highest Bidder, by JOHN RALLS.

LUMPING PARCELS of GOODS, July 21, 1767.

As the extraordinary Situation and Convenience of this Place is well known, it makes it less necessary to say any Thing in its Behalf. Credit will be given for the Purchase, on giving Bond, and Security, if required, and paying Interest.

Any one inclinable to purchase, may know the Terms, by applying at said Place, to JOHN LEE WEBSTER.

each Place he continues to manufacture TO-
BACCO and SNUFF, and will sell the same,
either in Wholesale or Retail.

He finds so little Notice taken of his several
sentiments concerning the Payment of his
standing Debts, that he is now under the dis-
agreeable Necessity of acquainting all those who
are indebted to him, that he will endeavour to collect them by
the Methods as the Law directs.

He will either Rent or Sell Two or Three well
improved and convenient LOTS in George-Town.
Terms may be known of the Subscriber, or
Mr. Josiah Beall, Merchant in George-Town,
who is also entitled to receive any of his Debts,
whose Receipts for the same, shall be good
in Law.

WHEREAS little Regard has been paid to
the Subscriber's Advertisement, in 1764,

and open Accounts, above Twelvemonth's stand-
ing, to settle their respective Balances 'twixt this
the last of August next; as those that refuse to
comply with this moderate Request by that Time,
expect, without respect of Persons, to be
sued as the Law directs, by

NERY, CURRYING, and SHOEMAKING Business,
which he will accept of Country Produce in

THE Subscriber takes this Method to ac-
quaint the Public, that he now carries on
the STAY-MAKING BUSINESS in all
its Branches, at his House, in LONDON-TOWN,
within 4 Miles of ANNAPOLIS, having for that
Purpose supplied himself with the best of Mate-
rials, and engaged good Workmen to carry on
the same, particularly Richard Littlemore, who some
Years ago carried on that Business for Mr. Wil-
liam Beane, in Prince-George's County; and, since
that Time, was a Principal Hand in Mr. Wal-
lace's Shop for Four or Five Years; and likewise
since wrought for Mr. Joppa Feard, till his
Death. Those LADIES who shall please to fa-
vour me with their Custom in that Way, may

Branch. Those who are in long Arrears for
Dealings with me in the above Way, or in that

(6) 3 ALEXANDER FERGUSON.

ANNAPOLIS, May 19, 1767.

RAN away from the Subscriber, a Servant
Woman, named ANNE GRIFFITH,
born in Wales, but speaks pretty good English;
she is a stout well-grown Woman, but not of the
largest Size, about 25 or 30 Years of Age, dark
brown Hair, grey Eyes, and a tolerable fresh
Complexion: Had on and took with her, an old

Purple Calico ditto, &c. She was seen on the
Road towards Baltimore, and said she was going
to Philadelphia, to her Husband, but she has none;
and shewed a counterfeit Letter, as if from him,
requesting her to come to him. It is very likely
she may have a false Pass, as I have since under-
stood she applied for one.

ning of May, a Servant Man, named THOMAS
SHORES, who lately lived with Sals Tucker, in
the Swamp, near West-River.

try Dialect, and has a Blemish in one of his Eyes.

Cloth Coat, a brown Holland lapelled Jacket,
and Breeches of the same, all much worn; a Pair
of clouded Country-made Stockings, a Dowlas
Shirt, an Irish Linen ditto, and an old Felt Hat.
As he can both read and write, 'tis probable he
may forge a Pass.

Whoever takes up said Servant, and brings
him to me, near Mr. Samuel Hanson's, in the
County aforesaid, if within 20 Miles, shall have
TWENTY SHILLINGS Reward; and, if at a
greater Distance, or out of the Province, THREE

SCHEME
 OF THE
 MARYLAND LIBERTY LOTTERY.

THE Lower House of Assembly of Maryland have con-
 stantly and ineffectually hitherto, since Seventeen
 Hundred and Thirty-nine, RESOLVED, That his Lord-
 ship hath no Right to collect Twelve-pence per Hoghead on
 Tobacco exported.

A Constitutional Tax on the People to support an Appeal
 of the Appointment of the Lower House, has been greatly
 desired, frequently attempted, and as often refused by the
 Upper House.
 The Lower House of Assembly contend, That the Clerk
 of the Council his reasonable Reward, as well as every other
 Expence necessarily attending the Execution of the Powers
 of Government, ought to be defrayed out of the Public
 Forfeitures, Amerciaments, and other Monies received by the
 Government for the Support thereof; and, That Sen-
 timent being directly opposite to the Opinion the Upper
 House had, on mature Consideration, formed upon the
 Subject of the Clerk of the Council's Claim, principally
 occasioned the Non-payment of the Public Debt for upwards
 of Ten Years: The Distress of Trade for Want of a Circu-
 lating Medium, and the extreme Necessity of Public Credit,
 compelled the Lower House to agree to an Appeal to his Ma-
 jesty in Council, on the Subject Matter of Difference, with
 out the Allotment of any Public Money for that Purpose,
 as the only Means to settle Disputes, restore Public Credit,
 and lay a sure Foundation for the future Ease and Good
 of the Province.

A Subscription; therefore, by RESOLVE of the Lower
 House, has been Open'd, and Subscriptions are taken in
 every Member, for maintaining an Agent, and supporting
 the Appeal on the Part of the People, as well as obtaining
 Redress of their other Grievances; and, by RESOLVE of
 the Lower House, as an additional Means of raising Money
 for the same Purposes, the following SCHEME of
 LOTTERY, by which to raise One Thousand Pounds
 Common Money, is submitted to the Public.

Joppa, Baltimore County, May 28, 1767.

RAN away from the Subscriber, living in Joppa,
 Baltimore County, Maryland, on the 10th of
 May, the Three following Servant Men, viz.

John Chappel, aged about 43 Years, but appears
 to be much older, as he has a very grey Head, he
 is an Englishman born, a tall slim made Man, ex-
 cept his having broad Shoulders, has a Sore on one
 of his Legs which causes him to walk a little lame;
 his Dress when he went away, was an Osnabrig
 Frock, one ditto Waistcoat, one old blue Kersey
 ditto, one Pair of brown Kersey Breeches, Osnabrig
 Trowsers, one Check Shirt, one Osnabrig
 ditto, Yarn Stockings, and Country made Shoes,
 had a Felt Hat bound round the Edge with black
 Worsted, and wears a brown Bob Wig. The said
 Chappel has been much used to the Seas, under-
 stands Navigation perfectly well, and has been a
 Captain of a Man of War, has a Register from the
 Admiralty at home, which makes him appear to
 have acted in that Capacity; he is under Inden-
 tures for Five Years.

John Barret, an English Convict Lad, about 20
 Years of Age, well grown, of a fair Complexion,
 has a down Look, and stammers when he talks,
 wears his own Hair, which is straight, and on the
 backish Order, his Cloathing, when he went a-
 way, was but mean, being coarse Country Cloth,
 had several Osnabrig Shirts, and Trowsers, an old
 Hat, and Country made Shoes.

Timothy Lynch, an Irish Convict, is a short well
 set Fellow, much pitted with the Small-Pox; had
 on when he went away, a good Snuff-coloured
 Cloth Coat, full long for him, a red Waistcoat, a
 brown Kersey ditto, a Pair of Breeches of the same,
 one white Sheeting Shirt, Two Osnabrigs ditto,
 Country Yarn Stockings, and a Pair of Shoes;
 wears a brown Wig, a Felt Hat, bound round the
 Edge with black Worsted; he is a pert artful Fel-
 low. Whoever takes up the said Servants, and
 secures them in any Jail in this Province, the Pro-
 vince of Pennsylvania, or the Colony of Virginia,
 so that their Master gets them again, shall have a
 Reward of NINE POUNDS, Maryland or Pennsyl-
 vania Currency, or THREE POUNDS, like Money,
 for each, and reasonable Charges, if brought home,
 paid by HENRY GASSAWAY.

N. B. The above Servants went away in a large
 Pettiaugre, with a Suit of Sails belonging to their
 Master. H. G.

 sers, Osnabrig Shirts, White ditto, and a half-
 worn Hat; 'tis likely he may have other Apparel,
 tho' unknown. He wears his own Hair, of a
 light brownish Colour, has a fair pale Complexion,
 and grey Eyes. He is very fond of Strong Liquor,
 and will get drunk if it is to be had. 'Tis pro-

 OF THE
 MARYLAND LIBERTY LOTTERY.

THE Lower House of Assembly of Maryland have con-
 stantly and ineffectually hitherto, since Seventeen
 Hundred and Thirty-nine, RESOLVED, That his Lord-
 ship hath no Right to collect Twelve-pence per Hoghead
 Tobacco exported.

A Constitutional Tax on the People to support an Ap-
 pointment of the Lower House, has been greatly
 desired, frequently attempted, and as often refused by
 the Upper House.

The Lower House of Assembly contend, That the
 Council his reasonable Reward, as well as every other
 Expence necessarily attending the Execution of the Pro-
 ceedings of Government, ought to be defrayed out of the
 Forfeitures, Amerciaments, and other Monies received by
 the Government for the Support thereof; and, That Sen-
 timent being directly opposite to the Opinion of the
 Upper House had, on mature Consideration, formed upon
 the Subject of the Clerk of the Council's Claim, principal
 occasioned the Non-payment of the Public Debt for upwards
 of Ten Years: The Distrust of Trade for Want of a Cir-
 culating Medium, and the extreme Necessity of Public Credit
 compelled the Lower House to agree to an Appeal to his Ma-
 jesty in Council, on the Subject Matter of Difference, with
 out the Allotment of any Public Money for that Purpose,
 as the only Means to settle Disputes, restore Public Credit,
 and lay a sure Foundation for the future Ease and Good
 of the Province.

A Subscription therefore, by RESOLVE of the Lower
 House, has been Open'd, and Subscriptions are taken in
 every Member, for maintaining an Agent, and supporting
 the Appeal on the Part of the People, as well as obtaining
 Redress of their other Grievances; and, by RESOLVE of
 the Lower House, as an additional Means of raising Money
 for the same Purposes, the following S C H E M E of

A Species of Smuggling is now carried on from Holland, which, tho' taken little Notice of, greatly affects the Revenue, and our own Linen Manufactures, which is, that of importing great Quantities of ready made Shirts, Shifts, and Sheeting under the Name of Wearing-Apparel. It is computed that 50,000l. Sterling annually of Dutch Hollands are brought over in this Manner.

NEW-YORK, July 30.

ELIZABETH-TOWN (New-Jersey) July 28.

This Town was last Night alarmed by a Riot, committed by several of the Officers of the 28th Regiment (late from Montreal) the Particulars of which are as follow, viz.

The Officers being under Arms to march with the Troops quartered here, by 4 o'Clock this Morning, to join their Regiment at Amboy, in order to embark for Europe, between 12 and 1 o'Clock at Night they assembled in a Body, and marched through several Parts of the Town, with Drums and Fifes. As the Inhabitants had used them so very ungentle as to make them pay their Debts, which they had generally been obliged to do according to Law, the Officers seemed determined upon Revenge. They first broke a Window in the Meeting-house, afterwards attacked the Court-house and Goal, by breaking the Windows, and endeavouring to break open the Doors, swearing Vengeance against the Goaler, who was Under-sheriff and Constable, and had frequently been obliged to do his Duty upon them. As they attacked the House in this Manner, the Goaler got up, and desired them to desist, which they refused; he then, to deter them, pointed out of the Window a Fusée loaded with small Shot, the End of which was seized, and endeavoured to be wrested from him; upon which he fired among them, and wounded one of the Rioters in both Legs, as afterwards appeared. The Goaler then released the Prisoners for his Assistance, and rung the Bell; the Officers then marched off, but soon returned with a Body of Soldiers, some with their Bayonets fixed. The Inhabitants, by this Time alarmed, began to assemble. The Goaler finding some Assistance had come, opened the Doors for their Reception, when the Officers and some of their Soldiers entered with them, and a Fray ensued, but happily no Lives were lost. The Inhabitants continuing to collect, the Officers thought fit to abscond, and it being by this near the Time of their departing, they joined their Companies, which began their March a little after Four. Some of the Magistrates however assembled, before they left the Town, and demanded the Assistance of the Commanding Officer, Captain Johnson, then present, at the Head of his Men, but were refused. The Colonel, Sir John St. Clair, happily being at Amboy, the Magistrates then proceeded thither, leaving the Soldiers and their Officers on their March behind them; the Magistrates, in Expectation of their arriving soon after at Amboy, applied to the Chief Justice, for his Warrant to apprehend the Rioters; but were surprized to hear that they had deserted their Men upon the Road, and had, in a private Manner, conveyed themselves on board one of the Transports. Upon which the Chief Justice then applied to the Commanding Officer at Amboy, who immediately ordered them on Shore, and being brought before the Chief Justice, and the Magistrates of this Town, it was thought proper, as they were then bound Home, to accept of their humble Submission and Acknowledgment, satisfying the Persons particularly injured, with Submission, which was made in a public humble Manner. The said Rioters, after paying the Damages at 25l. and asking Pardon of the Goal-keeper, were again set at Liberty.

RAN away from the Subscriber, in August last, a Negro Lad, named DICK, about 17 Years of Age, 4 Feet 7 or 8 Inches high, well-set, has remarkable red Gums, which he shows much when he speaks or laughs, has a cunning Look, which corresponds very well with his Disposition, is very talkative, speaks plain, and, if examined, can tell a very plausible current Tale. He is notorious for running away, having constantly practised it since he was Six Years of Age, in return for which he has received Two remarkable Certificates; the first, Stripes, by Whipping; the other, having the Letter D branded on his A-se, which, however, may be now wore out, as he only received a slight Impression. Notwithstanding the Space of Time since his last Elopement, he has never been heard of but once, which was about Six Weeks after, I am therefore inclined to think he is clandestinely detained in some remote Part of this, or the neighbouring Provinces.

Whoever takes up, or secures, said Negro, so as I may get him again, shall have, if taken in this, or Charles County, Three Pounds; if in any other County in this Province, Five Pounds; if in the Province of Pennsylvania or Virginia, Ten Pounds; and, if in Carolina, Twenty Pounds; and, reasonable travelling Charges, if brought home, paid by

LUMPING PARCELS of GOODS, have been found not so well to answer the BUYER; because, in taking whole Packages, he is often burthened with Articles he does not want:—To avoid this Inconvenience, there is now opened, at Port-Fabacco, on Patowmack River, a considerable ASSORTMENT of EUROPEAN and EAST-INDIA GOODS, imported this Summer from London and Glasgow, and to be sold in Wholesale ONLY; where the Purchaser may have what Quantity he pleases of any Article in the Store, not cutting Pieces of Linen, Woollen, or other Goods, by the Yard, nor breaking Dozens of Stockings, Shoes, Hats, Gloves, Tapes, and others, by the Dozen: Glass, Delf, and Stone-Ware, as it would be troublesome re-packing them to carry away, and perhaps could not be so well done, are put up in small assorted Packages. Loaf Sugar, Soap, Pepper, &c. are also in small Packages: Gun-Powder, in Half-Barrels; Shot, in Bags of One Quarter of a Hundred Weight each.—The Retail Business is carried on as formerly, and in a separate House.

* * I want a Quantity of BARREL STAVES delivered at Nanjemoy; and take this Method of acquainting the Eastern-Shore Traders, that they shall have a better Price for them than I have usually given for some Years past.

S C H E M E OF THE

MARYLAND LIBERTY LOTTERY.

THE Lower House of Assembly of Maryland have constantly and ineffectually hitherto, since Seventeen Hundred and Thirty-nine, RESOLVED, That his Lordship hath no Right to collect Twelve-pence per Hoghead on Tobacco exported.

A Constitutional Tax on the People to support an Agent of the Appointment of the Lower House, has been greatly desired, frequently attempted, and as often refused by the Upper House.

The Lower House of Assembly contend, That the Clerk of the Council his reasonable Reward, as well as every other Expence necessarily attending the Execution of the Powers of Government, ought to be defrayed out of the Fines, Forfeitures, Amerciaments, and other Monies received by the Government for the Support thereof; and, "That Sentiment being directly opposite to the Opinion the Upper House had, on mature Consideration, formed upon the Subject of the Clerk of the Council's Claim," principally occasioned the Non-payment of the Public Debt for upwards of Ten Years: The Distress of Trade for Want of a Circulating Medium, and the extreme Necessity of Public Creditors, compelled the Lower House to agree to an Appeal to his Majesty in Council, on the Subject Matter of Difference, without the Allowment of any Public Money for that Purpose, as the only Means to settle Disputes, restore Public Credit, and lay a sure Foundation for the future Ease and Good of the Province.

A Subscription, therefore, by RESOLVE of the Lower House, has been Open'd, and Subscriptions are taken in by every Member, for maintaining an Agent, and supporting the Appeal on the Part of the People, as well as obtaining Redress of their other Grievances; and, by RESOLVE also of the Lower House, as an additional Means of raising Money for the same Purposes, the following SCHEME of a LOTTERY, by which to raise One Thousand Pounds Common Money, is submitted to the Public.

Table with 3 columns: Prize, Amount, and Value. Includes entries like '1 PRIZE of £.500 is 500', '1 of 250 is 250', '1 of 100 is 100', '2 of 50 are 100', '2 of 30 are 60', '4 of 20 are 80', '4 of 15 are 60', '10 of 10 are 100', '20 of 5 are 100', '50 of 4 are 200', '80 of 3 are 240', '73 of 2:10 are 182:10', '2250 of 2 are 4500'. Also includes '1 First drawn Blank, 13:15' and '1 Last drawn Blank, 13:15'.

2500 Prizes. 24 £.6500
2500 Blanks.

5000 Tickets, at Thirty Shillings each, £.7500 amount to
From which deduct 1000 £.6500

Two and an Half per Cent to be deducted from the Prizes, to defray the Expences of the Lottery.

The Drawing to be in the Court-House at Annapolis, in the Presence of the Managers, and as many of the Adventurers as shall be pleased to attend.—From the best Estimate that can be found, there are about 800 of the 5000 Tickets still for Sale; and as Gentlemen have not sent in their Account of Tickets unsold, the Drawing is put off till the Monday after the Third Tuesday of October next, which is then certainly expected, even should there be some Tickets remaining to be taken on the Risk of the Lottery.—Those Gentlemen who have generously assisted in the Sale of Tickets, are requested to send an Account of the same against that Time; and the Managers are desired then to meet.

The Managers are, William Murdoch, Esq; Messieurs Thomas Sprigg, William Pace, John Watts, Thomas Galloway, Saurb River, Thomas Ringgold, B. T. B. Worthington, Henry Hall, John Hammond, Thomas Johnson, John Hall of Annapolis, and Samuel Chase, or such of them as shall chuse to act.

The said Managers to give Bond to the Hon. SPEAKER, and be upon Oath for the faithful Discharge of their Trust.

A List of the Prizes to be Published in the MARYLAND GAZETTE, and the Prizes paid as soon as the Drawing is finished; and those not demanded in Six Months after the Drawing, to be deemed as generously given to the above Use.

The Scheme to be made public in the Maryland and Virginia GAZETTES, and Pennsylvania JOURNAL.

"LIFE without LIBERTY is worse than DEATH."

TICKETS may be had of any of the Managers, and of most of the Members of the Lower House of Assembly.
