Faculty Senate Meeting

December 14 1999 Devilbiss Hall 149

3 Focused discussion on the issues raised by the acceptance of Educ 200 as general education credit. As part of that discussion we will invite members of the Education department the university curriculum committee chairs of the Fulton school and any other people with information regarding these issues to offer reports to the Senate. We are gathering materials and putting them on reserve in the library. As of 12/14 the course proposal to the curriculum committee and the minutes from the meeting during which the proposal was accepted were on reserve listed with materials from 11/16/99.

Motions passed on December 14 1999 1 Acceptance of minutes of 11/9 and 11/16

2 Motion to have a Senate meeting on 12/21--Motion failed
