**This option requires approval by the Graduate School*

By signing and submitting this agreement, I grant UMBC a no cost, nonexclusive, right and license to include the scholarly material identified below in ScholarWorks@UMBC, and, through ScholarWorks@UMBC, to reproduce, publicly display, and distribute the material to users world-wide at no cost provided the University does not alter the content of the material.

I represent that I am the sole or joint owner of the entire copyright in the material or, to the extent that I do not hold copyright in any part of the material, I have the written authority from the owner of copyright to grant this license to UMBC. If the material is based on work that was sponsored or supported by an agency or entity other than UMBC, I represent that I have complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgement of sponsor support.

I acknowledge that I have reviewed the options for making my thesis or dissertation publicly available through ScholarWorks@UMBC and that I have discussed these options with my advisor. I understand that I must enter into a separate license agreement with ProQuest for my work to be included in its database.
