Academic Regalia

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities—for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk gowns increasingly are the color of the college which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates the department of specialty.

Commencement Speakers

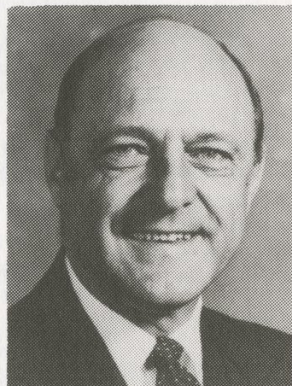

Mr. F. Perry Smith, Jr. of Cumberland was first appointed to the Board of Trustees of the State Universities and Colleges in 1978 and served as its chairman from 1982 to 1984. He served as Mayor of the City of Cumberland from 1974 to 1978, and has been appointed to numerous state and local boards and commissions. Currently he is the Cumberland Regional Director of First United National Bank and Trust, executive committee chairman of the Maryland Health Resources Planning Commission, is the past president of the Rotary Club of Cumberland, and is a Paul Harris Fellow of Rotary International. Mr. Smith is vice president and director of Cumberland Box and Mill Company, and was graduated with honors from Princeton University.

Robin Weber Yankie will graduate with a double major in Accounting and Economics and a minor in Business Administration. She has a 3.86 overall grade point average, a 4.0 in Economics, and a 3.88 in Accounting. She holds memberships in the International Economics Honor Society, the National Business Honor Society, and the Economics Club of Frostburg State College. Offices to which she has been elected are President, International Economics Honor Society, and Treasurer of the Economics Club. Her academic awards include the Elisabeth Hitchins Memorial Scholarship, the National Collegiate Economics Award, and Departmental Honors in Economics. She has participated in such community activities as Sunday School teacher, delivering Meals-On-Wheels, and serving on a steering committee for the community CROP walk. She plans to pursue a Ph.D. degree in economics at the University of Maryland.

Dr. Herb. F. Reinhard, Jr., became the College's 12th president in July 1986. A native of Covington, Ky., he has devoted most of his adult life to public higher education, including the presidency of Slippery Rock University of Pa., Morehead (Ky.) State University, and as an administrator at universities in Florida, North Carolina, and Tennessee. President Reinhard chairs the Committee on Governance of the American Association of State Colleges and Universities, was a member from both Division I and II of the new 44 member President's Commission of the National Collegiate Athletic Association (NCAA), and is active in a number of professional, civic, fraternal, and service organizations. He received his bachelor's and master's degrees in psychology from Florida State University and the doctorate in higher education, business and public administration from Indiana University.

Candidates for Degrees in Course

At this Commencement, degrees are conferred upon persons who completed requirements in May 1987. It is not possible, prior to the printing of this program, to determine who will have completed degree requirements. The list is tentative. The diploma of the College, signed and sealed by its proper officers, remains the official testimony to the possession of a degree.

Alma Mater

Our Alma Mater, Mother of Knowledge,
We sing of thy glory, and thy honored name
Founded for learning, of minds that are yearning
We treasure, we treasure our years at Frostburg State.

Our Alma Mater, Guide us still nearer,
As striving for truth, we follow in thy light.
Grant us thy grace, that our minds may embrace
The wisdom, the wisdom ours here at Frostburg State.
