STUDENT LIFE

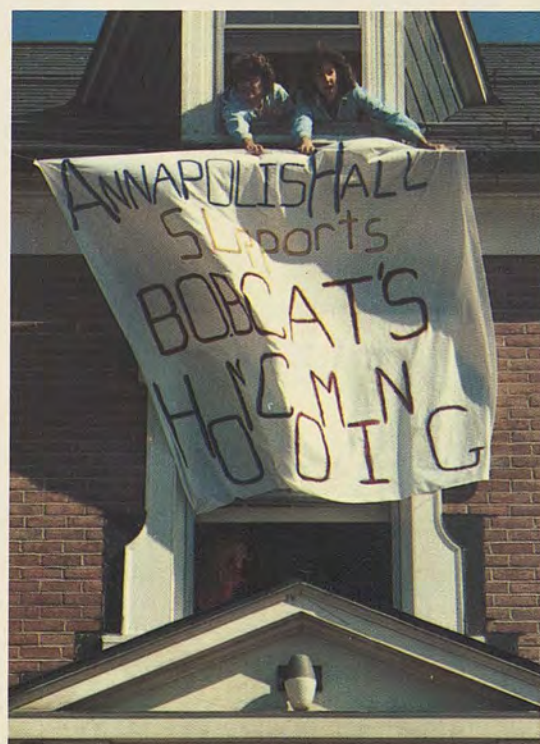

Homecoming Revived!

What does Homecoming weekend mean at Frostburg State? Homecoming is football games, queens and attendants, fans, cheerleaders, alumnae, soccer games, bake sales, banners, and lots of school spirit! Students decorated dorms and made banners to show their support for our school; coloring the campus red, black, and white. 1981 homecoming marked the beginning of a revitalized tradition for F.S.C. Girls were sponsored by an organization on campus, and the one to raise the most money from student contributions became the Homecoming Queen. The winner this year was Billie Bodie. Famous alumnae were honored at the football game, also. As Homecoming '81 proved to be an exciting, spirit-filled weekend for all, Homecoming '82 promises to be even better.

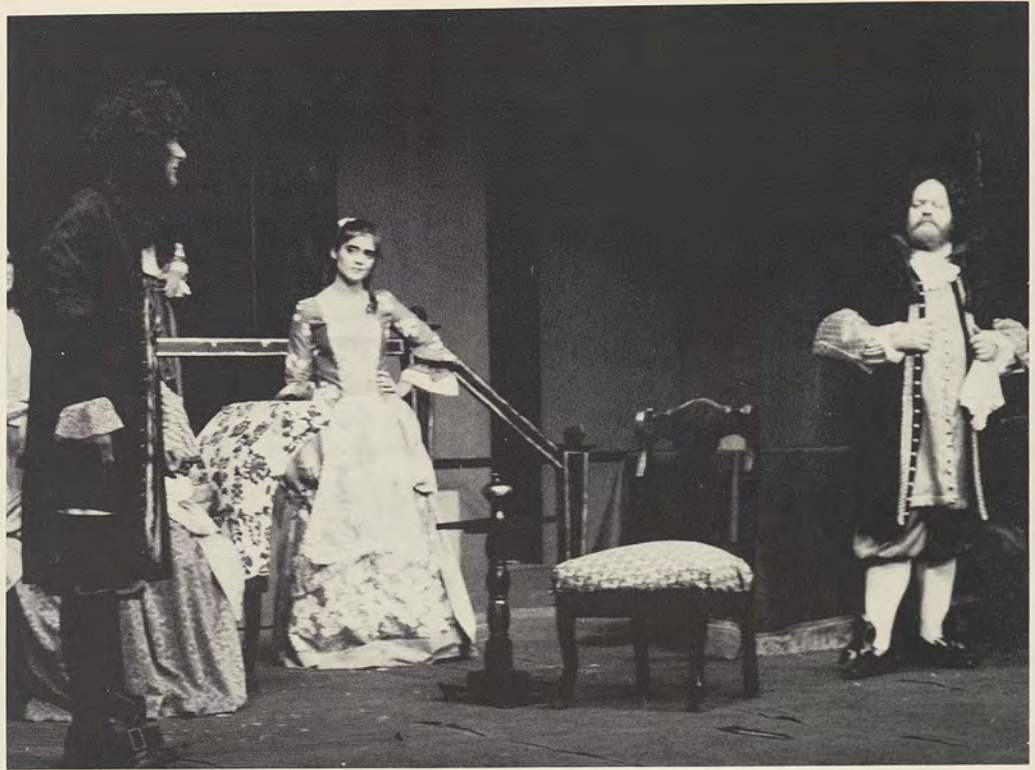

OPPOSITE PAGE: Above left: In all their splendor and glory, the princesses and their escorts make their way to the field. Above right: Lynnie King escorts famous alumnae onto the field where they receive citations. Middle: Sandy Brown and her escort ambulate onto the court. Below left: This lovely bunch of ladies provide a quick cure to a Saturday afternoon *munchies* attack. Below right: Homecoming queen Billie Boddie addresses her subjects. THIS PAGE: Above left: Krista McGowan aids in selling flowers. Above right: The cheerleaders and the bobcat prepare to incite the crowd. Below left: Terry Bell makes a flying leap to halt the Waynesburg opponent. Below right: Annapolis hall says it all — winner of the dorm decorating contest.

Showboat

LET'S HAVE A PICNIC

1. Keith Pope takes in the sun while munching on some potato salad. 2. Why did I get this? Scooter Miller appears saddened by his choice of sandwiches. 3. Twenty or so fun-loving students make a gallant attempt at building a human pyramid. 4. As the heat increases some students take to the shade and the watermelons. 5. Earlier in the day the dorms had some fun and excitement with tug 'o war, three-legged races and other games. 6. recovers a ball during the soccer game. 7. The main focus.

5

Usually eating in the cafeteria is a drag. Every meal is spent hunting for clean silverware, searching for anything edible, and then securing an unoccupied place to consume it all. This routine changes when the cafeteria puts on a Special Dinner.

The picnic this Fall gave students a different culinary experience. The warm weather permitted food to be eaten outside, and most students took advantage of this opportunity. Besides eating hamburgers, hot dogs, and watermelon, many people participated in outdoor games sponsored by the dorms. Three-legged races, tug 'o war, and human pyramid building made college adults seem like school kids. Music at this event was provided by WFNR and entertainment in the form of "steppin' " was given by the Omega fraternity.

The only complaints were those of the cafeteria staff who had to clean up the mess left by the picnickers. Nevertheless, it was a memorable, if untidy, event.

7

What Goes on in Here?

CLOCKWISE FROM ABOVE: The bulletin board is always a great service to the students. The Lane Center experiences some peaceful moments as students are busy in classes. Some students find the prices at the bookstore to be amusing. The Lane Center Lounge can provide entertainment and a relaxing atmosphere for even the shyest college students. There is always someone hard at work in the SGA Office. The Armed Forces are persistent in recruiting FSC students. Anyone with a sweet tooth would find the job of stocking the candy counter quite rewarding. Career Day is once again successful as the Lane Center fills with students seeking post-graduation direction. For this fellow, the temptation of all this candy may be more than he can handle.

Everything!

A typical day at the Lane College Center is one bustling with activity. This building hosts numerous activities ranging from college and community meetings, dances, discos and movies. With so much going on here, it is no small wonder why the Lane Center is often seen as an important aspect of FSC memories.

During the morning hours the upstairs lounge is filled with people: some passing time between classes, others grabbing a bite to eat from the Snack Bar, and perhaps one or two overworked students catching forty winks before their next class. Many students find the lounge a haven from the brutal Arctic air which descends on the 'Burg every winter. The morning also finds the recruiters from the military and business communities giving students information and professional guidance concerning post-graduation opportunities. In addition, the representative from ArtCarved becomes quite popular as people decide whether to invest in a college ring while scrutinizing the styles displayed and wishing they were not so expensive!

As the day progresses, people continue to use the building. Oftentimes the Sweet Shoppe upstairs has a line of people wanting to buy newspapers, cigarettes and assorted candies, crackers and other munchies. Downstairs, the Bookstore supplies students with school essentials and nonessentials. More than once has a frantic student ran into the Bookstore bleary-eyed looking for a bluebook for the exam that started five minutes ago!

When evening arrives at the Lane Center, the focus is on relaxation. The Games Room comes alive with sounds as pinball machines buzz, PacMan and Astroblaster hum, and the juke box blasts the latest tunes. Pool sharks compete while backgammon players pray their luck holds out until the game's end. The T.V. set also keeps many informed on current events as well as the latest on "Dallas." During the weekends the Snack Bar and Multi-Use room are hosts to dances and discos.

With everything that goes on here, the Lane Center is well-loved by the students who use and finance this building. Part of our memories of FSC will certainly be tied to this place where so many people gather, relax and enjoy.

Harlem Globetrotters Visit Frostburg

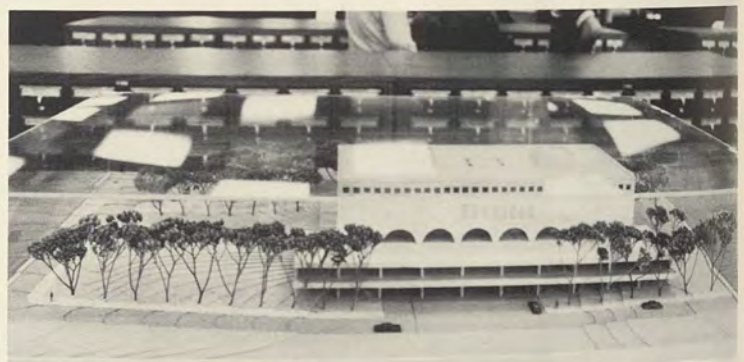

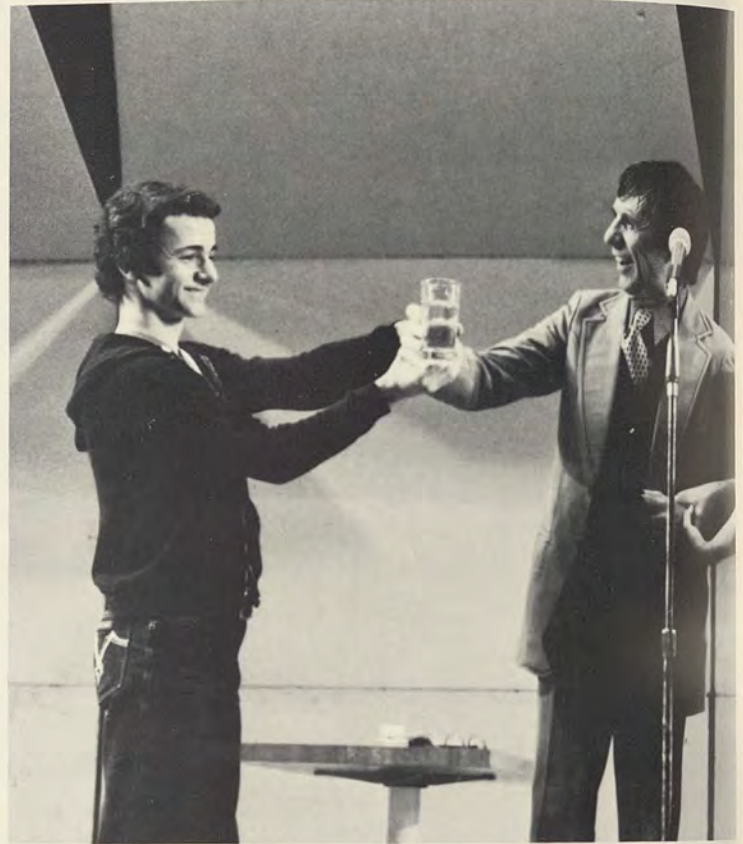

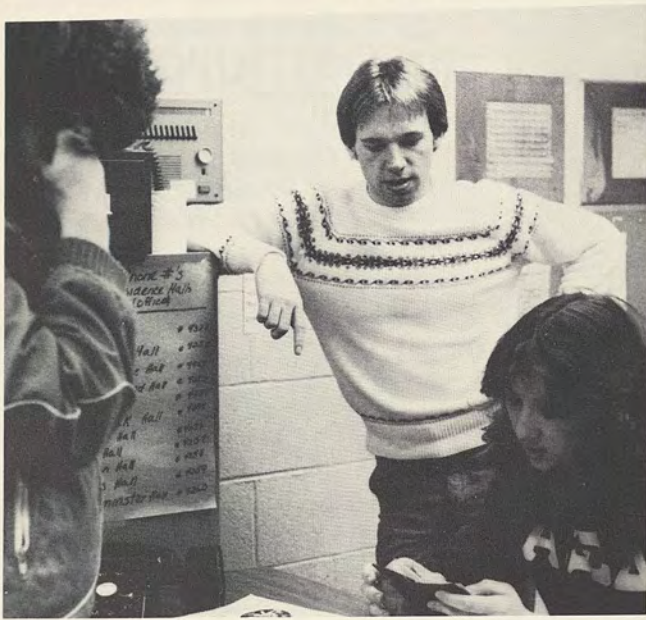

December 2, was a day for the Frostburg community to become as children and have endless fun and excitement as the Harlem Globetrotters enthralled everyone with their magical wizardry.

Far left: Gesse Ausbio has some words with the referee. Left: Halftime entertainment was truly entertaining. Below left: A Harlem Globetrotter pulls a fancy move on the board. Below: Warm ups. Bottom: Havin' some fun with the crowds.

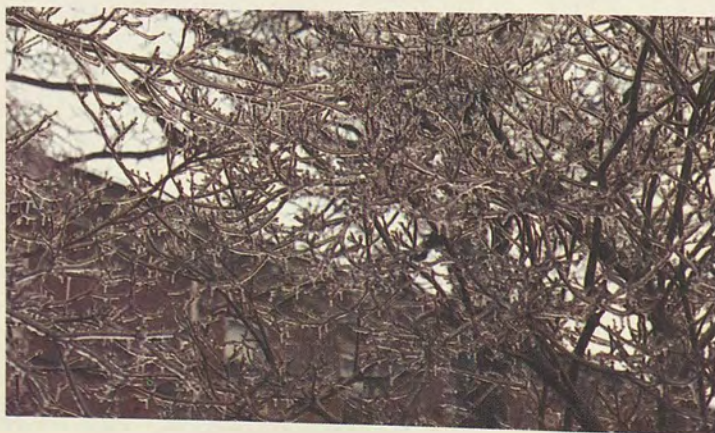

"Places to Go; People to See"

Above left: The RA's on FSC's campus do a fine job. Monica McRae performs an RA related function while Al Vie looks on. Above right: Kreskin amazes an FSC student by performing a trick that the amazing Harry Houdini couldn't perform. Left: An off campus view of an on campus site. Above: This is where you'll find the missing periodicals. OPPOSITE PAGE: Above: Kreskin has these two in a state of confusion as to who shot JR. Left: Kreskin performs another mind-boggling act. Right: Trent Arterberry moves with style and grace in slow motion.

Our Favorite Time of Year

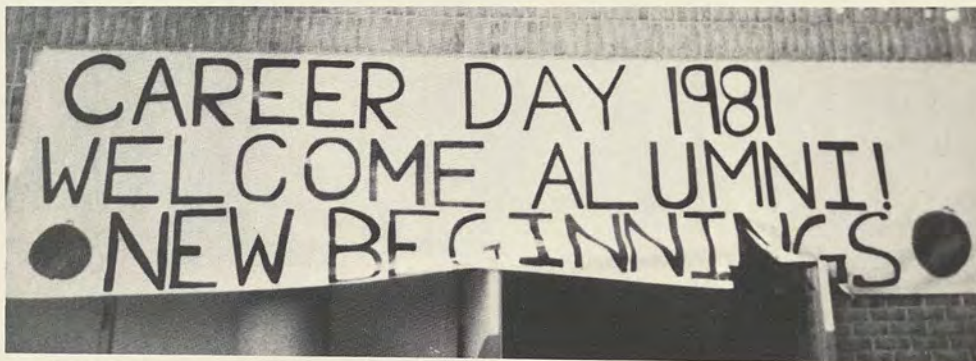

*Merry
Christmas
to All and
to All...*

What Do You Know About Your Career?

Did you miss Career Day? Career Day "New Beginnings" was held October 16, in the Lane College Center. The annual event was sponsored by the Alumni Affairs Office and the Office of Career Planning and Placement. The day was filled with FSC alumnae and other distinguished guests from various fields who lectured to career-minded students from FSC, Allegany Community College, and Beall High School. The guests lectured all morning, had lunch, then many assembled for a panel discussion in the afternoon to summarize the day's topics. Just as last year Career Day '81 was termed a success by coordinator Bill Grab. The best part of the day was that students discovered a number of different careers which are available to them, and that a little initiative goes a long way when looking for a job.

Above: Stephanie Green listens diligently to the Career Day lecturer in an effort to gain some additional knowledge on her future career. Middle: "Signs of the Times." Right: Susan Wolszek thumbs through her Career Day pamphlet to find a lecture to attend. Left: Lecturing on the best possible way to land a job.

Mickey's Golden Anniversary

FSC Celebrates Mickey Mouse's 50th Birthday

On a crisp cool November night many FSC students flocked to the Lane College Center for the birthday celebration of a well known celebrity. Although just an animation, this celebrity was a mainstay in our childhood memories and many apparently are still fond of him. This larger than life character is none other than the laughable, fun-loving Mickey Mouse — 50 years old and still going strong. The students who showed up enjoyed cake, Mickey Mouse films, and book covers. To some this type of birthday party is viewed as “childish” but to the many who enjoyed the party it was downright **fun!**

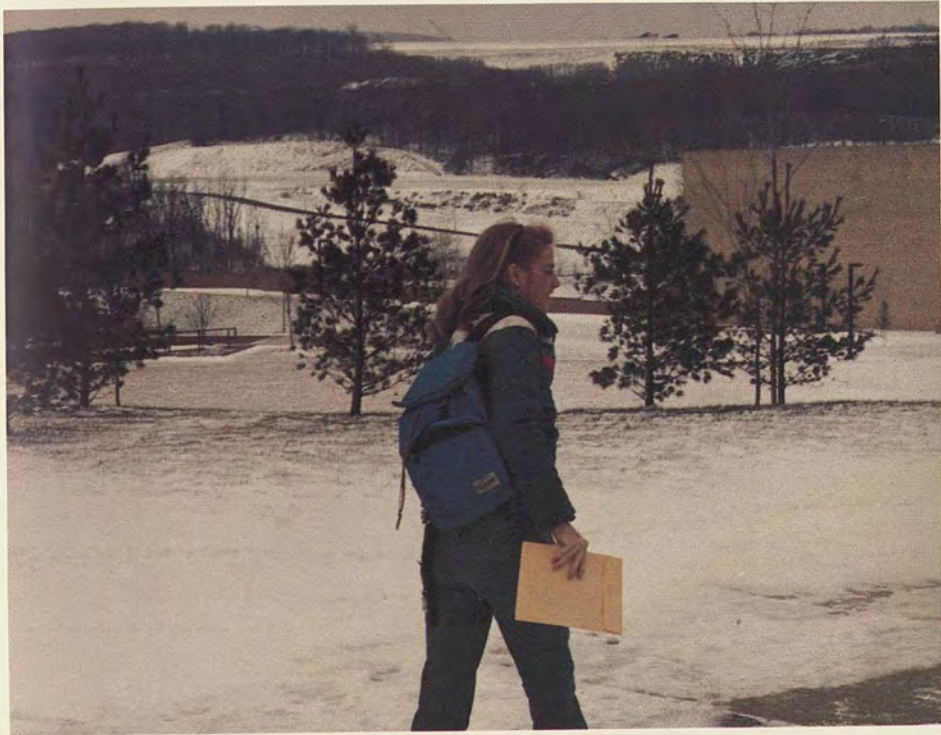

Above: Mickey's birthday cake was enjoyed by the many who came out for the party. Below: Linda Arrington and fellow students gather around as Francie Coghill and Betsy Roberts serve the cake.

The Burg Can Be Beautiful Under Ice

When the snow and ice comes to rest upon Frostburg's campus most students look at it negatively. If these negative thoughts were shunned and a more positive attitude taken, the splendor and glory of the campus under ice could be realized.

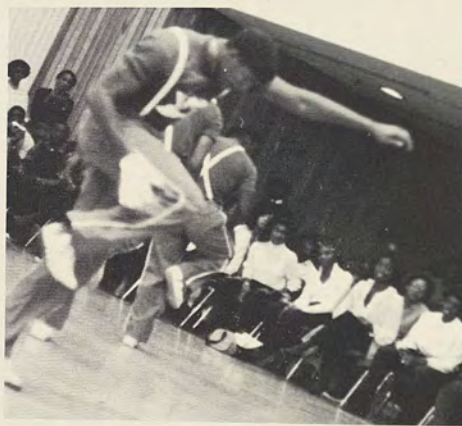

Left: Lisa Thomas makes her way through the snow enroute to the library. Below: This student enjoys one of Frostburg's favorite winter pastimes — **Traying**.

Stomps and Bonfires Are Among

the Many Activities Greeks Enjoy

OPPOSITE PAGE: Above left: The members of Alpha Phi Alpha show why they will "rock you." Above right: Spectators warm up by the intense heat of the Homecoming bonfire. Left: Tony Berkley leads his frat brother in a nasty Que dog stomp. Middle: Sigmas are getting down as shown here by Kevin Burnett. Right: Kappa Alpha Psi performs incognito. THIS PAGE: Above: The Black Voices sing a few songs to start things off at the greek stomp. Left: Linda Carlton steps in time with her sorors. Below: The Alpha Xi Delta pledges performing at the pep rally bonfire. Bottom: The pledges of Lambda Phi Delta get a big hand.

GHOSTS AND GOBLINS

As heads rolled, demons showed, and operations failed, Halloween crept up on Frostburg State. The annual Halloween dance in the Lane Center was a big success, and had to turn away even the best of costumes once the dance sold out. Other parties went on that night, though, so no gruesomely clad student had to spend Halloween night alone or without an audience.

The Haunted House in Annapolis Hall turned out to be a frightening success. The hard work and effort put into the project by members of Lambda Phi Delta and residents of Annapolis Hall was reflected in the expressions on unexpected visitors to the house.

Shooting for their ultimate goals

By finishing the regular season 6-3-3, the Bobcat soccer team received its first NCAA tournament bid. The Cat booters lost a 1-0 heartbreaking decision to Franklin and Marshall thus ending what many observers felt was one of the best seasons ever for Frostburg State Soccer.

Leading scorers for FSC this year were senior Francisco Castro, who was MVP, with 11 goals and 4 assists; and junior Noel Cyrus with 2 goals and 4 assists. Castro finished his career as FSC's all-time leading point scorer with 38 goals and 18 assists.

Castro, Cyrus, and sophomore Lawrence Sagel were selected to the All-State Soccer team for the second consecutive year.

Other graduating seniors include Doug Zittle, Shawn Hurley, and Dennis Alexander. Sophomore Mark Weber saved 102 shots and allowed only 13 goals.

The 1982 season looks quite promising as many quality players return. Hopefully the Bobcats will make it to the "Final Four" and come home with a National Championship.

Looking Forward to a Strong Beginning

The 1981 football season was filled with question marks. The biggest and most important question was can a program that emphasizes team unity, individual responsibility and commitment. After a very poor start (1-5) we felt that the question had been answered. The answer was yes, and the program arrived with three wins to finish the season at (4-5).

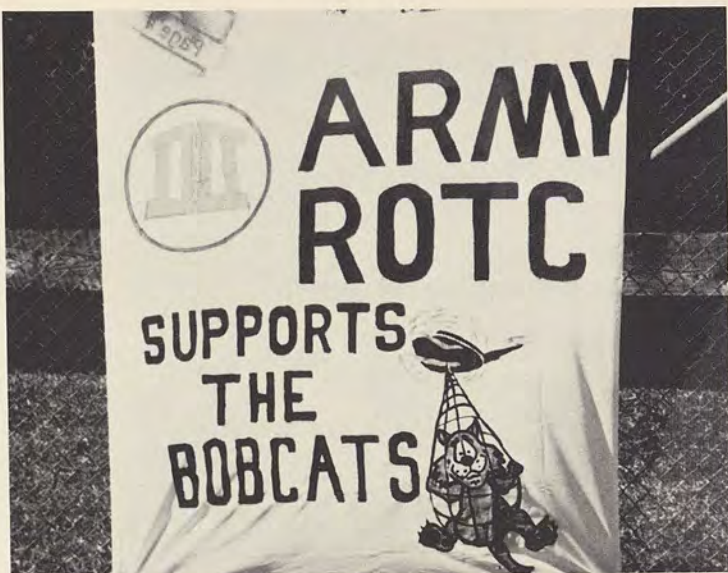

The attitude and ability of the players we have returning make the 1982 season look very promising. The football program will continue to improve both in the quality of student athlete and the results on the field.

The Bobcat gridders will look to junior Rich Prather, MVP for the 1981 season, for many of these improvements. Prather set 8 school records this year. One included FSC's first 1000 yard runner. His total 1,276 yards on 254 attempts. MVP's for offense and defense went to Bill Ridge and John Gessner respectively.

A Farewell to a Well Team

Why would a team which is doing so well be dropped? Budget cuts? Lack of interest? The issue came up four years ago but the student body rallied to save the sport. Unfortunately, Administration won this time, so we must say farewell, for at least a year, to a team which sent four members to the NCAA Regionals.

FSC finished third at the regionals behind Becky Sharp's fifth place in the all-around and Linda Koeliker's tenth place finish in the same category. Angie Stanbery was the other FSC scorer with a sixth place on the balance beam.

Highlights Shine in the Dark

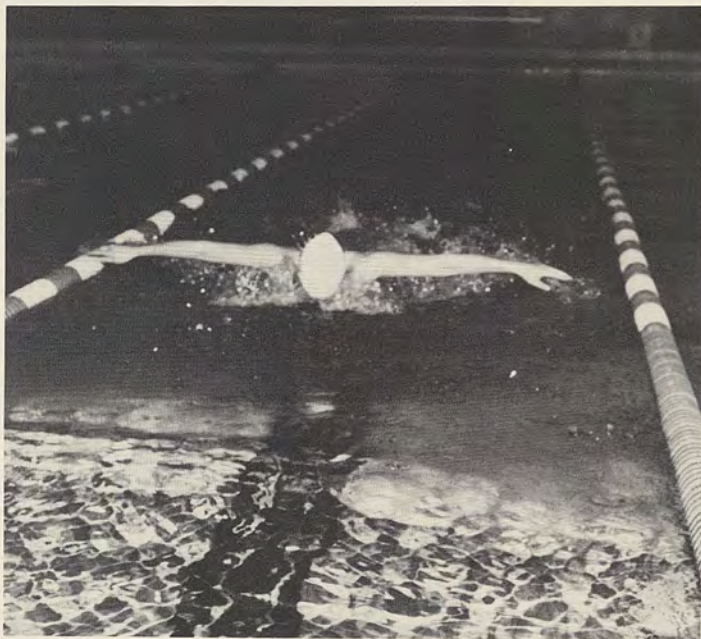

The FSC Hoopsters finished the season with a disappointing 9-13 record. However, in the shadow of a losing season, there were some shining highlights. Examples of this were Steve Lilleres 19.6 season scoring average which included a record setting 36 point effort against powerful Mt. St. Mary's squad. Also, this year's squad accomplished a difficult task by beating Waynesburg 72-70 on a Tony Doerr basket at the game ending buzzer — this was the first time in 8 years. FSC will lose most of their starters due to graduation but can look to returning players and incoming students to improve next season's record.

Team Shows Improvement Under New Coach

The 1982 women's lacrosse squad won 9 and tied 2 of their last 13 games to finish the season with an impressive 10-5-2 finish. This improvement under new head coach Sharon Irwin was probably the biggest turn around for any team all year. With such a strong finish the team can look forward to an even better season next year.

Football Without Cheerleaders!

Cheerleaders are a vital part of football games. Who else will still root for the team when they're down 52-10 midway through the fourth quarter. Who else will brace the cold 32 degree weather in revealing outfits to get the team pumped-up. Who else will stick with the team through thick and thin even though their record is 1-7. The Cheerleaders will and aren't we all grateful.

black student alliance

The Black Student Alliance offers black students at FSC and other students of various ethnic groups a focal point whereby the students may create a collective, spiritual entity in order to maintain the institutions that are peculiar to our heritage.

Also, the B.S.A.'s ideal purpose is to develop and maintain a positive rapport between blacks and whites on campus and to perpetuate the black cultural traditions through special events.

Jean Boduy, Ron Williams, Effie Hendricks, Lisa Winston, Keith Price, Jock Pearson, Charlene Taylor, Linda Arrington, Davis Bates, Chuck Carter, Bruce Banner, Bruce Nicholas.

The Dance groups at Frostburg State have been gaining much popularity by the astounding performances given in their annual concerts. Pictured here are some of those performers practicing their acts.

business club

Tim Reese, Becky Stanton, Nancy Zeiller, Sally Sybert, Debbie Holden, Chris McGowan, Milissa Young, Kathy Conley, Tammy Luzader, Kim May, Nikki Day, Dave Alt, Patty Coffey, Matt Hohnson, Lisa Thomas, Sharon Stack, Cindy Wingood, Shawn Chelton, Janet Barker, Randy Scourtis, Betsy Roberts, Sharon Barret, Brenda Matthews, Arlaan McKay.

The FSC Business Club was developed to promote interest in the fields of business administration, accounting and economics. It was also developed to appreciate and demand high ideals in these areas. In the past year the club has sponsored the college's first recruitment day, participated in Winter Carnival, and the Alumni Office's phona-thon. The club also provided funds for the Lane Center video message center and sponsors a yearly scholarship for a junior who is majoring in business, accounting or economics.

inter-varsity christian fellowship

Originating in the 1870's in the universities of Cambridge and Oxford in England, Inter-Varsity Christian Fellowship spread to the United States and is now in over 600 universities and colleges. The chapters are run by students who are reaching out to other students and faculty with the "good news of Christ." This year's growth included an expanding group, many new students, two summer missionaries, and a firmer stance on biblical truths.

college center board

The College Center Board is a student organization which works to provide a well-balanced student activity program at FSC. We annually sponsor a film series, band dances, and selected special events which include Autumn Week, Parent's Weekend, Winter Carnival, Sibling's Weekend, Bluegrass Festival, and Senior Week. Some special events we sponsored this year include The Toons, The Amazing Kreskin, The Talent Show, Nick Varner, and Chris Bliss and his magic balls.

delta alpha iota

Delta Alpha Iota is a service/social sorority chartered in Frostburg during 1966. Service projects include helping the Cumberland Jaycees with their annual Sea Food Festival and Haunted House, sponsoring a family in Frostburg Village, leading a Girl Scout troop, and ushering at all the theatrical performances. All fundraisers are used for our annual Spring Formal held every May.

Walking to class on a warm spring morning with friends can be exhilarating.

delta sigma theta

Bernice Parks, Charlene Taylor, Sabrina Harris, Pat Biggs.

The Kappa Psi chapter of Delta Sigma Theta was formed in 1974. Since that time 37 members have been initiated into the sorority. The members of Delta strongly uphold the goals of public service for the campus and surrounding community. This is exemplified in the approximately 6 public service projects performed yearly. We have received numerous awards in recognitions of our efforts.

Delta Phi Omega began in 1975 with the belief that a group of guys could achieve the unity of brotherhood without the demeaning rituals of hazing. We are a non-hazing fraternity which performs numerous public service projects as well as having a good time with the brothers. We have over 100 alumni and 29 active brothers, and have established a firm fraternal base.

delta phi omega

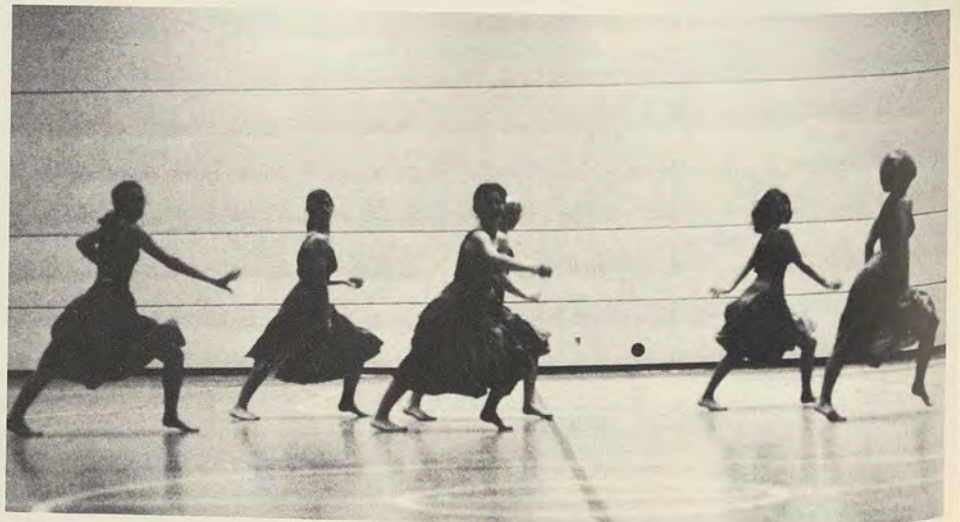

dramatis personae

Dramatis Personae is a theater group to any student interested in any aspect of the theater — acting, construction, costumes, lighting or make-up. Now in its forty-eighth year as an organization, its purpose is to further the students interest in theatrical production and performance by participating in major productions, one-act and children's plays.

dungeons and dragons

kzx little sisters

lambda phi delta

Lambda Phi Delta is a local, academic, social-service sorority. Having had its initial start in the Fall of 1963, the sorority is currently 40 sisters strong. The purpose of Lambda Phi Delta is to strengthen character, offer service, improve scholarship, promote leadership, and stress the importance of the social aspects of college life through sisterhood.

Some of our social activities include two pledge dances, a Christmas dance, a trip to Florida over Spring Break, a summer picnic, a Christmas get-together, and our annual Lambda Falisman Ball in the Spring at Wisp. Our service activities include babysitting at the Presbyterian Church, sponsoring a foster child, giving a scholarship every year for a senior at Beall High School who plans to attend Frostburg State College, and sponsoring the March of Dimes campaign for the town of Frostburg.

rugby club

The Omega Psi Phi Fraternity was founded November 17, 1911 in Thirkield Hall at Howard University. The incorporation date is October 28, 1944. Beta Kappa was founded August 28, 1976 by ten men who chose to be called "The Futile Ten." Since 1976 seven pledge lines have crossed the "burning sands" into Omega Land. The brothers participate in many individual and group activities geared to cultivate the brotherhood of the fraternity. The brothers of Beta Kappa also participate in activities throughout the east coast that exemplified the fraternity's four cardinal principles: Manhood, Perseverance, Scholarship, and Uplift.

phi epsilon kappa

In April of 1979, twelve Frostburg physical education and recreation majors formed the Gamma Chi chapter of Phi Epsilon Kappa. Observing the motto, "Friendship hath power," the chapter has provided many outstanding services to F.S.C. and the community. It is through these services that a new "professionalism" in physical education and recreation is created and leadership is nurtured.

order of diana

The Order of Diana is a group of women composed of friends and girlfriends of Tau Kappa Epsilon. It was the first, and only, national little sister organization at F.S.C. The purpose of this organization is to provide help and friendship to the brotherhood of Tau Kappa Epsilon and to develop an atmosphere of genuine hospitality and human kindness through loyalty to TKE.

Strike Up the Bands

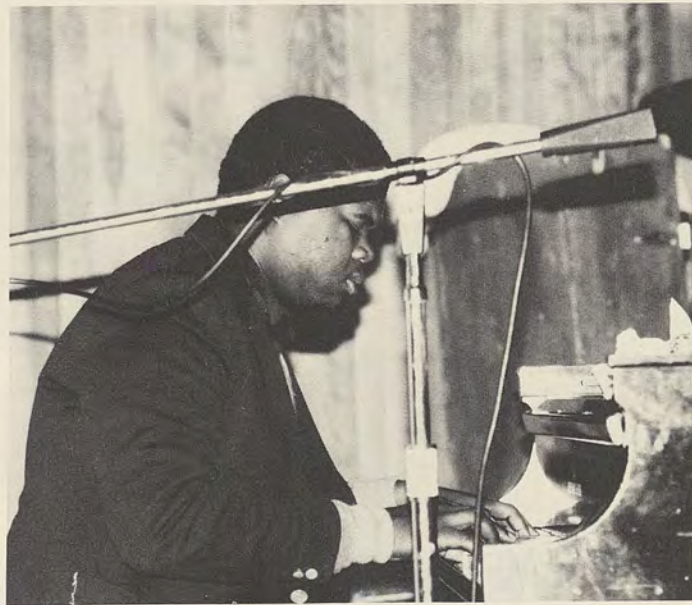

The era of the *Big Bands* may be gone but the era of the Band will never leave. It is an integral part of the music world, especially on the college campus where it is thriving. Bands aren't limited that is one of the many reasons they are so interesting. They can range from jazz to punk. Yes one style of Band may no longer be prevalent but one thing is for certain they're here to stay.

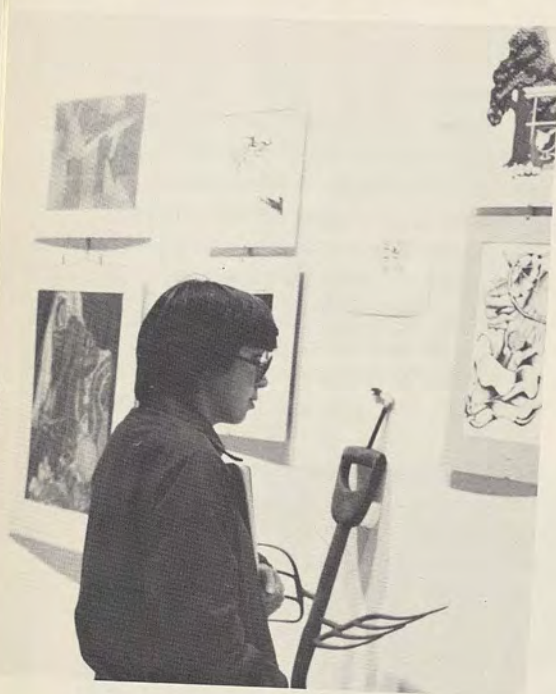

Above Right: The Jazz Ensemble in the CCB talent night. Above: A member of the infamous FSC Band. Right: The FSC Band performs during halftime at the football game.

For the Love of Art

Students Rally on Dr. King Jr.'s Birthday

January 15th
Celebrate the birthday
of a great man.
Dr. Martin Luther King Jr.

January marks the birth of a very popular man whom many feel should be recognized as a holiday. The FSC black community joined in the continuing controversy. Some FSC students journeyed to Washington, D.C. that day to join thousands of others in a rally for the purpose of showing their desire to have this man's birthday recognized as a national holiday. Other FSC students who could not make the trip to Washington braved the cold in Frostburg to hold a rally here. When asked their feelings on the prospects of having civil rights leader, the late Dr. Martin Luther King Jr.'s birthday recognized as a national holiday, most students replied, "It will happen and soon, until then we will continue our efforts."

ROCK

PUNK

The Glass Menagerie

You Asked to See More

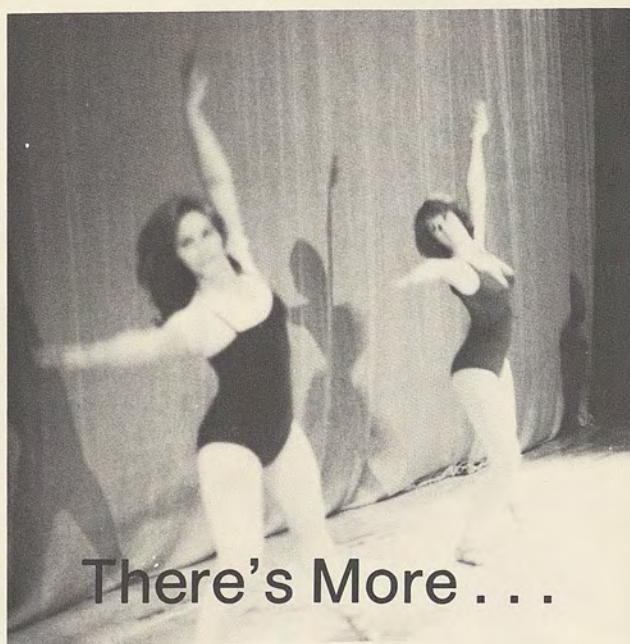

One of the most popular events on campus is the annual dance concert put on each spring by the students in dance class, the dance instructors, and dance club members. The highly acclaimed "Dimensions in Dance" concert this year was well received by FSC students, faculty, administrators, staff, and the residents of the town. Much hard work and long practice hours go into this concert being successful and evidently pays off year after year.

Top: Pam Merrit moves gracefully to the tune of the song. Above Right: Nahni Yarborough leads through this number. Above: Celebration for a job well done. Right: Show stomping footwork at its best. OPPOSITE PAGE Above: Karen Plunkett leads while the group practices. Left: Cheryl Taylor, Wanda Primrose, and Robin Perry at the start of their act. Right: Moving in sync is Lorenzo Waters, Duane DeVance, Allen Pleasants, and Diana Sipple. Bottom: They move like the wind.

We'll Give You More

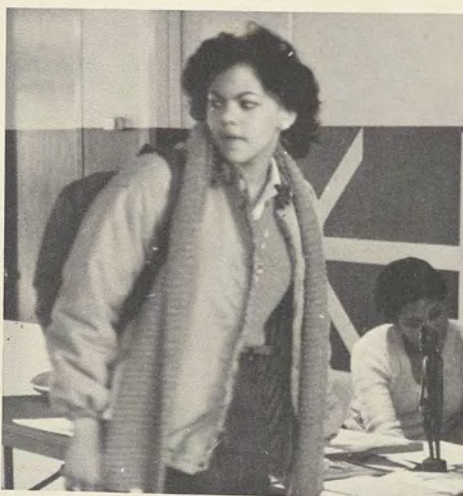

There's More . . .

This One Is for the Ladies

1982 saw the end to a long hard struggle by many who felt a fight for equality was well worth the pain. Unfortunately, the amendment for equal rights which would have given women equality in a **man's** world was not ratified by enough states in time. So here's a salute to the women of FSC in recognition of their long, hard struggles.

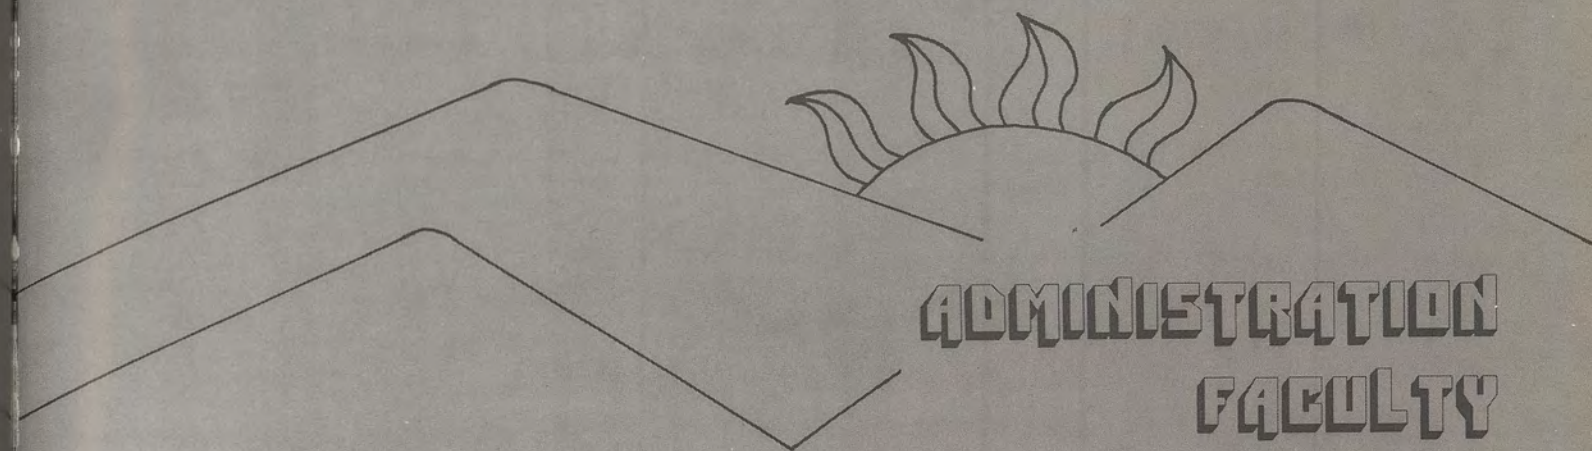

Out of the darkness . . .

come the bright ideas.

A Cold December Night to Be Remembered

Thursday, December 17, was a cold and windy 25 degree night. In spite of the conditions, there were 293 candidates for degrees along with their family members, friends, and well-wishers who were anxiously waiting for 7 p.m. to come. The event took place in the Lane Center Multi-use room and was filled to capacity. The overcrowding, however, did not seem to bother anyone since all attention was focused on the matter at hand. Dr. Donald Alexander, President of Allegany Community College, delivered the address to the candidates. As all commencements go, the point of reckoning finally arrived for the anxiously waiting early graduates of the 1982 Class. A President's Reception followed the commencement exercises. The attitude of the new alumnae of FSC foreshadowed what is to be expected from the other half of the Class of 1982.

Above: Degree in hand, Chuck Fales follows in recessional an FSC graduate. Middle: Dr. Alexander delivers the speech. Far Left: Tense moments before the line-up. Left: The alma mater being sung.

In Memory Of . . .

STEPHANIE ANN ROPER
1960-1982

Stephanie Roper was one who could brighten just about anyone's day. Many at Frostburg State were saddened to hear the news of her untimely departure. The Nemacolin staff has dedicated this page in her memory as we too share in the sorrow of her departure. We don't, however, want to dwell on her passing, but rather praise and remember her good works in art as well as in human service. In these thoughts her life works perpetuate.

*There is a girl I know who stopped by this way
she didn't stay for so very long
she shed her beauty, her goodness, her love
and then went on to bless another.*

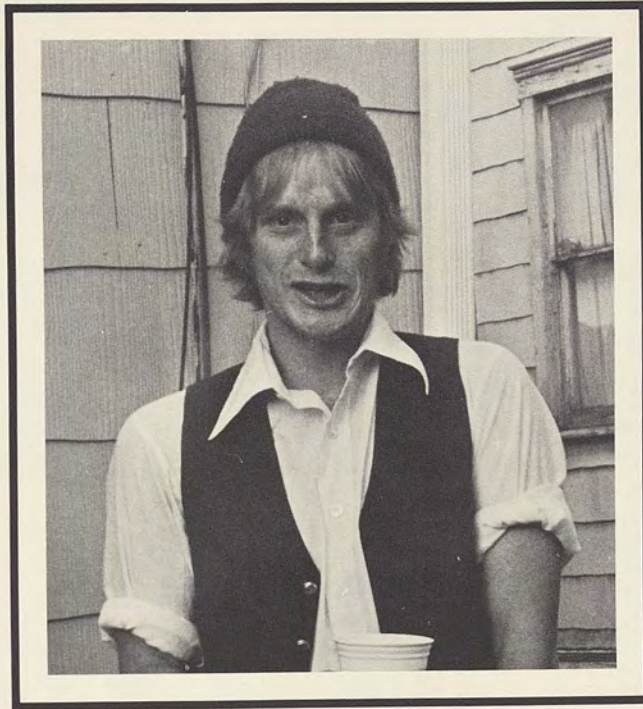

*I would love to have her visit again
but cannot be selfish for want of her grace
she had too much to give for one
she must travel on, she must pass it on*

*I will take what she left to us
a memory of smiles
she has made my life richer
I am that much more blessed.*

*Stephanie Ann Roper, thank you so very much for just stopping by.
Betsy Roberts*

*I saw you right before the sun
had set
The wind was breathing softly
The sky held a brilliance of color and light
In its strong silence
you spoke to me
and told stories of the beauty
and essence
that only your strong spirit could hold
Memories lay deep in the soul
they drift
but never go away
Memories
a collection of your dreams
that yet remain
Dear friend
your smile is still dancing
there is laughter in your eyes
your goodness is rich and everlasting
like the sun right before it sets.*

Karen Laco

CHRISTOPHER CARL ROGERS
1958-1981

Chris Rogers' untimely departure from this life saddened many at Frostburg State College. We will miss his daily inter-communications. In his memory, the Nemacolin staff has dedicated this page to Chris. We would like to express our gratitude to Chris for his humanitarian efforts. Chris may no longer be among us but his works in art and the memories of him will love on.

*Climbing halfway to the stars
I saw you
your face was smiling then,
but as the distance grew shorter
I knew that you were not
With my hand held out
You tried to reach me
but you slipped . . .
I TRIED TO CATCH YOU
but I was not strong enough
motionless, I stood there
as I helplessly saw you
drift
further
and further
away
with no direction or boundaries
you left that night
into the heavenly realms
But friend, you shall remain eternal*

Karen Laco

BENSALEM, PENNSYLVANIA

The sun has set behind the hills of Frostburg. The chilling thrills of these hills have come to an end. You can look back through the tunnel of time to recapture the memories but you can never go back to relive them. As you proceed through tunnel you will find there will be many new hills to conquer with more thrills and more chills than ever imagined.

Class of 1982, we wish you much success in your conquest new hills. We know you will meet the challenges with the determination you possessed in your conquest of the hills at FSC because after Frostburg you can conquer mountains.

Nemacolin Staff
