VOL. 32, NO. 25

FROSTBURG STATE COLLEGE, FROSTBURG, MARYLAND

APRIL 8, 1981

FSC Honor Recipients

Frostburg State College honored 28 of its students at its annual Honors Convocation on Wednesday, April 1, for their outstanding academic achievements and contributions to the College, according to Dr. Kenneth Jablon, vice president for academic affairs.

Dr. Paula Brownlee, dean of the faculty at Union College, Schenectady, New York, was the featured speaker at the public program that began at 4 p.m. in the Lane Center.

Students selected for the departmental honors this year

Lippman Elected SGA President

Rob Lippman was elected Sophia Taylor 35-13. SGA president during last week's campus wide election. In that election, Lippman defeated Karen Kraus for the SGA president's position. In the uncontested election for CCB president, Rick Brindle was re-elected with 699 votes. The position of CCB vice-president turned into a close fought write-in campaign with Mike Brewer beating out

Overall, 901 persons cast a ballot over the two day voting This represents over 30% of the student body and is the highest turnout in several

Campus

On Saturday, April 4, 1981 at approximately 4:30 a.m., a resident of Simpson Hall was raped at knifepoint by an unidentified assailant. Police officially stated that the case is still under investigation, and that they will release no specific information until later in the

week when the results of laboratory test will be know. Although several reports indicate that more than one suspect has been questioned, Sgt. Mc-Gowan of the Md. State Police spoke of "a suspect," thus indicating that the search has been narrowed more than has been officially substantiated.

Shocked

Similarly, college officials have issued no statement on the case and will release no information pertaining to it until such a statement is authorized.

State-To-Date has however, learned from other sources that the window through which the assailant entered the dorm had no lock on it. In addition, another resident of Simpson Hall reported that her room, which is on the first floor, had no lock on its window until Monday April 6th, when the

lock was finally repaired by maintenance workers. Thus, at the time of the rape, the assailant had access to the dorm through at least two unsecured windows. Residents also reported that, since the beginning of the semester, they had made numerous complaints about the lack of working locks on dorm windows, but that these complaints had remained largely unanswered.

Although the dorm does have security assistants, the incident occured in the early hours of the morning, after the 2:00 am quitting time of the SA.

Campus Ministry Celebrates

The 12th annual celebration event, recently took place at St. Catholic Roman Michael's Church in Frostburg. What is a Seder? It is the Jewish celebration of the Passover. Each year, United Campus Ministry sponsors this ecumenical event in which Protestants, Catholics and

ance of Israel from bondage to freedom through a dinner consisting of special Jewish foods.

Rev. Larry Neumark, the Protestant chaplain at FSC, welcomed the group. Father Kieran Fergus, the Catholic chaplain, traced the history of the Seder

within the Frostburg campus community. Dr. Kenneth Jablon, Vice President and Dean of the College, directed the Seder.

Over 80 people, including students, faculty, administrators and people from the community, enjoyed a filling dinner and a very meaningful experience.

Exercising has become the national answer for fitness and well-being. On April 26, every man, woman and child can take part in a healthy and worthwhile effort by joining in the March of Dimes WalkAmerica.

This is the first year that the walk will be truly a national event taking place on the same throughout the weekend country. We expect more than 1000 residents to put on their walking shoes to help support the March of Dimes in its efforts to prevent birth defects. Other walkers will include teams of employees from businesses, public utilities, civic organizations, and schools.

Birth defects are the nation's most serious child health pro-Each year more than blem. 250,000 infants are born with mental or physical damage. The goal of the March of Dimes is to protect the unborn and newborn

and to give every child born the best possible chance for the healthiest life possible.

Walkers will begin their 30 kilometer trek at 9:00 a.m. April 26 from the Cumberland Downtown Mall and proceed along the C & O Canal. The pledges they collect will assist the March of Dimes to purchase needed equipment for the maternity and pediatric wards of the local hospitals, to sponsor local programs such as "Healthy You. ...Healthier Baby", and to proresearch nationally. Walkers will go any distance that they can, earning money pledged by sponsors for each of the Seder, a unique campus kilometer completed. register or for more information, contact the March of Dimes at 722-5818. You can also contact Terry Gaston at 4375 or Framptom 338. Please lend your support to this very worthy cause.

Letters to the Editor

Dear Editor:

Many constituents here question the academic status of FSC. I wish to enlighten those people as to the stock of future world leaders attending this college at the present.

I take this opportunity to formally announce my candidacy for President of the United States in 2008. To assure no surprises and allow adequate time for confirmation hearings, I list below most of my cabinet and major appointed positions (note: all from FSC).

Sec. or State-Charles Fenwick Sec. of Def.-Rusty Jackson Sec. of Navy-Ray Bednarcik Sec. of Food and Drugs-

Dear Editor:

I would like to make it known that there is a growing concern on this campus (especially of the Mainline Christians), about the religious intolerance many of our Christian brothers and sisters are beginning to exhibit towards other people, expecially towards the Mainline Christians.

People, just because a person is not a fundamentalist, does not mean he is not a Christian. To be a Christian means to believe in Jesus Christ as Lord and Savior. But, Christianity does not solely depend upon any one interpretatian of the Bible. The Bible is, of course, God's Holy Word, and one of its many beauties is that it can be interpreted in many ways in any time, place, or situation. Who is to say whose interpretation is right or wrong? Only God knows for sure. Also, saying that "my interpretation is right and yours isn't" is taking a very ethnocentric approach, which is extremely narrow and limiting. It is not a very accepting or loving approach, and God wants us to love everyone. But, how can we say we love everyone, when we hate our neighbor? That is exactly what we are doing when we are beign prejudicial and judgemental to our fellow man. It is especially bad when it pits Christian against Christian, for this certainly does not promote

the unity which we certainly need, but lack. I said judgementalism because it is surely what this ethnocentrism and intolerance comes to. Also, as we all know, judging another person is a sin. God put us here so that we might help one another and serve Him. Judging a person is neither helping him, nor is it serving the Lord. Only God has the right to judge us, and when we judge, especially to the point of deciding for ourselves whether a person is or is not a Christian, then condemning him if he isn't, is taking God's work, God's will into our own hands, in other words, it is playing God! AND, when we make ourselves like God, we are committing the sin of blasphemy.

In closing, may I add that just because U.C.M., or any of the other two Christian groups on campus (IV., or B.S.U.) do not fulfill your own personal and spiritual needs and beliefs, does not mean that it is any less a Christian group, nor does it mean that it is "wishy-washy". Keep your words and thoughts to yourself, they might really offend someone else. Please people, don't lash out at each other, for that is certainly not a very eccumenical spirit which is the type of spirit of which we should all share.

Thank You and Peace Be With You Bob Gribben

Dear Editor,

Your policy prohibiting anonymous criticism is fine, but it should be enforced evenly-starting with Poodlevision. Those of us who often agree with Reagan, Stockman, Falwell, and Haig would like to know who is responsible for all of this tasteless bitching. It is not that we are angry, or even worried-if

Poodlevision represents the best thought of the FSC liberal community, we conservatives are in fine shape—but we are blessed with permanent and involuntary subscriptions to your fine journal, and we would like to know whose unreason the SGA is paying to have published.

Sincerely, David L. Winfrey

Dear Editor:

It seems to me that last week's State-To-Date was one of the heaviest publications this school has seen in a long time. Actually, there are quite a few things I would like to write about, but I shall restrain myself to one of these. I wish to comment about the letter in which Dai Dimmick presented his view on Christianity, or, more accurately, Christians.

In opening, let me state that I am not quite sure what Mr. Dimmick has experienced with the Inter-Varsity Christian Fellowship or its members. Mr. Dimmick makes it rather clear, though, that he is none too pleased with his encounters of "I.V. Leaguers." Let me say this to Mr. Dimmick. They, like the rest of humanity, are not perfect. Jesus never presented the Gospel of Himself in any less than a loving and caring manner and when we as Christians present the Word, we should always follow His example. This is not to say that Jesus didn't speak unrespectfully at times, but rather all his actions resulted from his love for people. This

applies even to the Pharisees. You, obviously, have not always experienced this love from some of my brothers and sisters in the Lord. I am sorry this is so.

Please understand me. When Christians read Jesus saying, "I am the Way, the Truth and the Light. No one can come to the Father but by me.", we believe him. He had (and still has, to this day) miracles to substantiate His claims. He had Sacred Scripture, the prophets of days gone past, to support His message and ministry. He never took Himself or His actions lightly. Neither do we. He said and did these things in order that we may believe that He, Jesus, is the Christ, the Son of God. And so we do. Of course, few humans can be completely sure of anything; it is not our nature. But this I know: our experience with Jesus in our lives is so real that it is fact to us. The peace we Christians experience, the love and joy in knowing God our Savior, is unparalleled. intention in witnessing to the Gospel of Christ is not only to follow the command of our Lord, but also to communicate our conviction that Jesus is the great provider of all that man seeks. It is a beautiful message which exists not only in words. but actions as well.

Mr. Dimmick, whether or not people are indoctrinated is of lit. tle importance in the long run What is important is truth. I'm sure you will agree with me as I say that the truth will set you free. If a person is indoctrinated about a lie, his opinion is of little value to us. Rather, if a person is indoctrinated with the truth, he has every right to be dogmatic even if other people do not recognize it as such. This is not to say that a person has the right to be arrogant or insulting about his truth, but he does have the right to espouse his doctrine as truth since it is, in fact, true. I have done my best to seek the truth and, frankly, I a mathematics major, am more sure of Jesus than the fact that 2+2=4. I really see no difference in subjects about which one can be indoctrinated; facts are facts and falsehoods remain falsehoods.

In closing let me say this. Although you may not experience this with some other Christians, let it be known that Jesus and His children love you. If a word was spoken to you in unlove, please remember that Christians are not perfect, but that is why we are Christians in the first place.

Love, John F. Ortanto

Dear Sir:

With all my heart I applaud the Student Government Association's new Campus Beautification Project. For years I have looked at the weeds, the mud, the cans, the bottles, the lack of trees and shrubs in certain areas, and wished that this potentially beautiful campus could somehow realize its potential. Many are the letters I have written in my head and the suggestions I have made to the

Dear Editor:

I wanted to take this opportunity to congratulate Rob Lippman, out new SGA President. I sincerely hope he will bring the needed change to SGA. I also hope that SGA becomes the respected organization it deserves to be within the college community.

Perhaps with Rob's enthusiasm and his qualified staff, the students will also become motivated. FSC needs this type of motivation to make tangible accomplishments!

Finally, I would like to thank the students for coming out and voting. It was great to see a good turnout. I am glad to see you were interested!

Good Luck to Rob and the students of FSC.

Sincerely, Karen Kraus

More Letters on page 3

the Frostburg Foundation, sororities and fraternities, begging them to undertake some kind of systematic design for landscaping and maintenance of the grounds.

President, the Alumni Office,

And now at last, our students have initiated this program!——a note of hope in a stricken and often disgusting world!

May I respectfully suggest to SGA that they try to obtain the cooperation and help of the Alumni (a pledge for sac tree or shrub per alumni year?), of the Foundation (small contract for the continuing supervisory services of a landscape designer?), the sororities and fraternities (weeding and cleanups on regular basis?).

You will receive my contribution to the project fund under separate cover.

Gratefully, Helene Baldwin Professor of English

State-To-Date is a weekly publication of the students of Frostburg State College. Opinions expressed herein are those of the author and do not necessarily reflect those of the College or subdivision thereof. The staff encourages input and response from the readers. Letters to the Editor must be signed (writer's name withheld upon request) and should not exceed 200 words. Free advertising is available for registered campus organization on a space available basis. Deadlines for articles and letters is 4:00 p.m. Friday prior to publication; deadline for advertisement is Thursday 4:00 p.m. prior to publication. All material submitted automatically becomes the property of State-To-Date. State-To-Date is located in 232 Lane Center, phone 689-4326.

Students In The News:

Collarassi and Mangum

Glenn Colarassi, a junior at Frostburg State College majoring in Physical Education, has been selected to the American Association of Health, Physical Education and Recreation Department's (AAHPER) Periodicals Committee for 1981.

Colarassi is the only student of the nine-member committee, which is organized to evaluate and critique the numerous HPER periodicals. The Alliance Periodicals Committee will meet as a group in Boston at the HPER National Convention on April 17.

In preparation for the convention, Colarassi will review various periodicals under the guidance of Dr. Harold Cordts, the director of HPER at FSC.

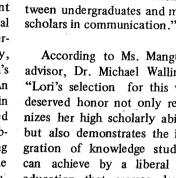

Colarassi, from Seaford, NY, is currently Vice President of Phi Epsilon Kappa (the honorary HPER organization) and is a member of the men's gymnastics team.

Ms. Lori Mangum, a senior major in Speech Communication at Frostburg State College, has accepted an invitation to present a paper at the Seventh Annual Undergraduate Honors Conference at DePauw University, April 2-4, 1981. Ms. Mangum's paper, "The Carter Strategy: An Analysis of Fantasy Themes in the 1980 Election," was selected in competition with papers submitted by other outstanding undergraduate scholars. The rhetorical analysis of communication in the Carter campaign

grew out of a Special Topics class, "The Rhetoric of Campaign '80," offered during the Fall semester at FSC.

The Department of Communication Arts & Sciences at De-Pauw University designed this national conference to "encourage undergraduate scholarship and to facilitate interaction between undergraduates and major

According to Ms. Mangum's advisor, Dr. Michael Wallinger, "Lori's selection for this welldeserved honor not only recognizes her high scholarly ability, but also demonstrates the integration of knowledge students can achieve by a liberal arts education that crosses departmental boundaries."

Letters to the Editor from page 2

To the students of Frostburg State College:

I would like to thank everyone for voting in this 1981 election. It was nice to see the voter turnout higher than it has been in the last few years. I want to thank those groups that gave me time to speak with them. The groups that I missed, I will be in contact with. We officially take office on April 30th. To see our programs and ideas completed, we will start early and plan immediately. This new SGA administration is hoping for an increase in student involvement through some of our programs. I feel these programs are something new and will interest you. My inaugera-

tion is the night of April 30th. I am inviting the campus to attend.

If you have any question, please leave a message with Mrs. Riley at x4304 from 9:00 -1:00 or call me in my room at x7360.

> Sincerely yours, Rob Lippman SGA President Elect

The Student Government Association is currently involved in a campus-wide Beautification Project. Their goal is to plant a variety of trees and shrubs along with the addition of several benches. This would create an area in which all students could study or just plain enjoy the outdoors. The area in which the project will take place is in the lower

quad between Tawes Hall, the Library, and the Lane College Center. As you can already see, now that area is simply ive at this point in time. Can uou imagine how nice it could look with an arrangement of beautiful trees and shrubs and benches also? The SGA is currently rallying financial support from all clubs and organiz-

ations, along with the faculty, staff and administration. They need approximately \$5,000 to carry out such a project. They hope you can all see the need such a project on this campus, and will support it. They really want to make this campus the best possible!!

Robin L. Schaeffer Speaker of the House

Dear Editor:

By now everyone has probably heard about the terrible occurance of this past Saturday What most students morning. don't realize is that this is not the first time someone has been raped on-campus. Over the last several years, there have been several rapes, as well as attempted rapes, assults, muggings, and robberies. Some of these occured in the dorms; others outside, sometimes in well-lit areas. Unfortunately, these crimes were "hushed-up", because school officials did not

want to create panic or have bad This gave most publicity. students a false sense of security. Now, we all must wake up to the cold reality that you are only slightly safer here than if you were at a bigger, urban college. As a fellow student and as a Night Assistant, I strongly urge all students to be cautious and not put yourself or your neighbors in danger. Lock the door whenever you leave your room, even for a minute, and when you go to bed. Make sure that the doors of your dorm lock behind you whenever you go through

them, especially back and side Don't walk across doors. campus alone late at night, if you can avoid it, and stay out of unlit areas.

All students, MALE and FEMALE, should be cautious and use their common sense, because no one is immune from crime. Remember, your actions can make Frostburg a safer place to live for EVERY-BODY.

> Respectfully, Michael P. Milligan Night Assistant Coordinator

Dear Editor,

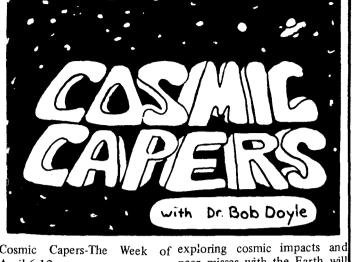

A few weeks ago, I came out of Westminster Hall and saw a large group of men and vehicals apparently digging up the stump in front of Frederick Hall. At that point I really didn't have any particular feelings about the stump staying or leaving. However, as many people might have

noticed after a good days' work by a good number of state employees and state vehicals, the stump remains and is now in an uglier state than before. I admit there might be more important matters for these men to attend to (possibly fixing some doors on a few halls so they shut properly),

but if a job is gong to be started

Continued on page 5

why can't they finish it--instead of digging up a ton of dirt, letting it sit for a few hours, and then piling it back in the hole so that it looks like a hastily done pledge activity in some fraternity's hell week. Maybe I'm wrong. It could be that Gov-

Uncle Frosty

Uncle Frosty will answer any career related question from the college community. Not all questions can be printed due to space limitations and good taste. Uncle Frosty will send a personal response to readers whose letters are not answered Send your queries to Uncle Frosty, c/o Counseling Service, Gunter Hall, 113.

Dear Uncle Frosty:

I'm trying to decide if I should apply to grad school or get a job. What do you think?

Dear K.C.:

Education is like a conveyor belt, so it is often easier to remain on it for the next degree instead of exploring the alternatives. You didn't give me any details so I'll be general:

- 1) Determine if an advanced degree is necessary for the job you want. It depends on the field and your goals. Check with your department, grad school or an employer in the field.
- 2) Some programs encourage students to work in the field before graduate school. These programs believe a 'real world' experience is an assest for stud-
- 3) You should start planning for grad school early. Research the schools and their admission criteria. Talk to faculty and graduates of these schools to learn more about what you can expect from the program.

Budget Requests for the Big Six

Each year the SGA allocates funds to the Big Six organizations. The Big Six is composed of Nemacolin, State-To-Date, SGA, CCB, WFNR, and the Student Artist and Lecture Series. In addition, funds are placed in the SGA Reserve Account for organizations other than the Big Six.

Following are the requested and recommended budgets for the 1981-82 Academic Year. The budgets must still be approved by the SGA House of Representatives at the meeting on April 23, 1981.

All Students Are Welcome To Attend

Employee Waiver Grant

Any person who is eligible for and desires to take advantage of the employee waiver grant must obtain the form at the Registrar's, Admissions, or Graduate

An employee must return the completed form with the required approvals of his immediate supervisor and verification of employment by the Personnel Office, plus his course request card to the same office, according to the regular registration procedures.

An employee dependent must return the completed form with the required signature for verification of employment by the Personnel Office, plus his course request card to the same office, according to the regular registration procedures.

These course request cards will be processed as part of the regular computer scheduling program on a space available basis.

Failure to submit an employee waiver grant form with the course request card will make you ineligible to take advantage of the grant and you will be billed the normal amount for your course(s).

This waiver grant form must be completed and approved every semester a course request is submitted.

In order to be eligible for the employee waiver grant, this form must accompany the course request card.

Alpha Xi Delta Plans Celebration

The Chesapeake Alumnae Chapter of Alpha Xi Delta is planning a celebration to commemorate the twentieth anniversary of Gamma Psi initiation on the Frostburg State campus. A luncheon will be held on April 26, 1981, at 11 a.m. in the Lane Center. An invitation has been sent to all initiated members as well as the Spring Pledge Class of Gamma Psi. Approximately 100 sisters are expected to attend the Sunday luncheon and program.

The history of Gamma Psi dates back to Phi Omincron Delta, a local sorority. May 20, 1961, the local sorority was initiated into Alpha Xi Delta under the direction of Miss Dorothy Stone White. A former faculty member, Miss White was the first Chapter Director of Gamma Psi.

Continued from page 3

enor Hughes or someone down in Annapolis wanted to know the diameter of the stump three feet underground, or maybe it was interfering with the undergroud water pipes. Yet, when the information was gathered on the task accomplished the least they (state workman) could do was attempt to see that the area was somewhat close to its original state instead of creating another ugly eyesore on campus!

> Sincerely your, Stumped

A British Vote of Thanks! (Until We Meet Again)

Our time at Frostburg has been fun, And so we thank you everyone. All our thanks we've got to make, Before you leave for your spring break.

Going home will be so hard, When on radio and T.V. we've starred! And not to mention State-To-Date, Everything's been really great.

Guys are girls as well as guys, At home they'll think all these are lies! Rubbish bins and trash cans too, When you're in the bathroom, we're in the loo!!

Pants are called trowsers, of that we are sure, Pants are underwear and certainly no more! Like showers that you take and never return, You only have showers, and that you must learn!

We couldn't grasp the preppie look, So consequently bought a book. It describes my roomate's dress and way, Looking more like an alligator everyday!

Washington and New York too, Are so impressive and yet so new. Compared to home where much is old, But Frostburg wins hands down for cold!!

The strangest things must be the cars, They're twice the size of all of ours! We just can't cope with left hand drive. We are thankful we're still alive!

Boots, not trunks we have in ours, And under the Bonnet is where the power is! Americans call that the hood, We'd call it that if only we could.

On the study side of school, We have played it really cool! Perhaps our message to the staff, Will have to be we've had a laugh!!

The skiing class--we had some fun, But Frostburg kept producing sun. It melted the snow for all our trips, But thank-you Surgent's from 'tails-to-tips'!

Swimming class was a real blast! Everyone was crawling fast!, Diving, sidestroke, back crawl too, Miss Lottes and Jim all thanks to you!

Golf balls flying through the air, But holes in one are really rare. Mr. Kutler, a real great chap, Has helped improve our handicap!

Then Prevention and Care with Mr. Z., Taping the ankle, arch, and knee. We've learnt a lot, and now have to go, But Frostburg's trainer is great to know.

As honory members of P.E.K., Both of us us want to say, When we get started back at school, P.E.K. there too will rule!

Well, that's it, we've had a ball,
No way will we forget you all.
Leaving for us is really sad,
Thanks again everyone for the time we've had.

With our very best wishes from Marjory and Jane

Senior Awards Given To Suttmeier, Mercer, Sippel And Beamer

On Monday, April 6, 1981, the Health, Physical Education and Recreation staff of Frostburg State College held its Annual Senior Night Awards Dinner at the Lane College Center.

The affair honored the two exceptional seniors in Health, Physical Education and Recreation (HPER) and also the Outstanding Male and Female Athlete as selected and voted upon by the Physical Education faculty and staff.

The first honors presentation of the evening was awarded to Ted Suttmeier as the outstanding senior in Health and Physical Education. Suttmeier, from Bound Brook, New Jersey, is surrently the President of Phi Epsilon Kappa (professional Physical Education and Recreation fraternity), a charter member of Christian Athlete's Fellowship, and has served as a tutor for kinesiology and phyiology. Suttmeier's also nationally ranked in the javelin and has recently qualified for NCAA Division III Nationals this year.

Carol Mercer, from Woodbine, Maryland, was recognized as the Outstanding Senior in Recreation. Mercer has a double major in HPER, and did her recreation internship last summer working at Camp Greentop in Tremont, MD (a camp for handicapped children). Last fall she taught at Romney School for the Deaf, Dumb, and Blind and is proficient in sign langu-Mercer also played on both the women's field hockey and track teams at Frostburg.

Receiving the female athlete's award was gymnast Diana Sippel from Silver Spring, MD. Sippel, 1980-81 co-captain, FSC's placed 30th in the all-around in AIAW Division III Nationals in 1980 and 42nd in 1981. As well as gymnastics, Sippel is deeply involved in dance and has taken part in many of Frostburg's productions.

The final award of the evening went to Terry Beamer from Waldorf, MD, the Outstanding Male Athlete. Beamer was selected to the first-team Kodak All-American status in Frostburg State history. Beamer holds the school's career tackle record with 327 tackles and set the single season record last year with 109. At 6' 4", 220 pounds, Beamer was a fouryear starter and three times earned the title of "Defensive Player of the Year".

In all, 23 nominations were submitted for various awards awards dinner.

with all nominees invited to the

Baseball Stands 5-4

The Frostburg State men's baseball team moved over the .500 mark with a three and five week, to stand at 5-4 on the 1981 campaign. Coach Bob Wells' Bobcats' split doubleheaders with California State (10-4, 7-8) and the University of Maryland/Baltimore County (4-6, 4-3), before defeating Coppin State on Sunday (April 5), 17-12. The second scheduled game with Coppin was rained out.

Frostburg may have had an undefeated week, but committed a total of 13 errors in its two losses to relinquish leads late in each game.

Versatile senior Ray Gerard had a good week, hitting two homeruns with seven RBI and pitched 7 2/3 innings without giving up an earned run. Gerard is hitting .407 with a team high nine RBI.

Freshman Bill Burton, in his first start as a Bobcat, went four

for four at the plate and is FSC's leading hitter with a .455 batting average.

As a team, the Bobcats are beginning to find the groove at the plate, hitting .291. Seven regulars are batting .300 or bet. ter. Besides Burton and Gerard senior Mike Hoyle is at .370: senior Ron Savastano .333; senior Jeff Gottschalk .316; junior Greg Welker .300; and junior Mike Colon .300.

Junior pitcher Brian O'Neill recorded Frostburg's first save on the year against UMBC and has thrown 4 1/3 innings without allowing a run.

""At this point we're a better club than we were the past two years," noted Wells, "we're finally settling down."

Frostburg's next game is this Saturday (April 11), when the Bobcats host West Virginia University for a 1:00 p.m doubleheader.

Women and Men Thinclads at N.C.

This past Friday, the FSC women's and men's track teams departed the college at 9:00 a.m. and travelled eleven straight hours until they arrived at their destination some 400 miles away at Davidson, North Carolina. The purpose of the journey was for their competing in the 22nd annual Davidson Relays. This was a very high keyed meet which featured track and field powers such as Appalachian State and VPI who took first and second in the men's division. The big story of this trip was the FSC Lady Bobcats who were victorious in the women's division with 111 points. They were followed by South Carolina State with 94 and VPI with 73.

The women thinclad's scoring was lead off by junior, Melissa Hill, who won the women's 400 meter dash with a come from behind kick to the finish. Her time of 56.6 established a new meet record as well as a new school record. She also sprinted to a third place finish in the 100 meters and ran two impressive relay splits in the 800 medly relay and anchor leg on the mile relay.

Valerie Pearce and Gail Glave contributed heavily to the Bobcat scoring. Val Pearce out hurdled her competitors in the grueling 400 intermediate hurdles to claim the event in a school record 1:05.5. She also ran an impressive leg on the mile relay. Pearce and Glave took fourth and fifth in the 100 hurdles. Pearce's time of 15.6 ties Glaves' existing school record Glave's time was 15.9.

Gail Glave showed why she is a top flight pentathlete by taking 3rd, in the long jump 17'4", second in the javelin with a school record throw of 120'5", and running two strong legs on the 800 medley relay and the mile relay.

Cyndi Howard also claimed a first place for the FSC effort. She won her specialty by heaving the shot-put in a school record 40'3". She took second in the discuss with a 105'1" toss. Teammate Cheryl Gordon followed close behind in these events with third place in the discus 104'5" and 5th in the shot-put with 33'6" throw.

Other place finishers included Kim Gehrke 3rd in the 1500 in 4:45.8. Lisa Winston leaped 17'2" for fourth in the long jump. Sue Shugars hurdled through an impressive 400 m. intermediate hurdles in 1:11.8. Gehrke ran a strong 2:23 in the 800 m. run while placing 4th. Kellie Bradley hurled the javelin 94' to take 5th. Debbie Meberg endured through a grueling 3000 m. in 11:17.4.

The men got off to a slow start, but by the middle of the meet they were right "in the thick of things" and finished in fourth place overall. Leading the scoring for the men were Ted Suttmeier, the sprint medley, and the shuttle hurdles relay teams. The quartet of Wayne Cottman, Gary Alston, Lorenzo Waters and Noel Cyrus out sprinted their comeptition in the sprint medley with a 3:27.3 clocking. Arden Prather, Robert Stanley, Doug Rowe,

and forth over the barriers claimed the shuttle hurdles in 1:02.5. Suttmeier won his specialty by hurling the javelin 215'11".

The two mile relay consisting of Bruce Banner, Jack Kiley, Junior McDonald and Dwain Thomas ran 7:53.5 for fifth place. Robert Stanley warmed up for the shuttle hurdles relay while running to a fifth place finish in the 110 meter high hurdles in 15.1. Mike Spinnler splashed and hurdled through a 9:40.4 3000 meter steeplechase and placed fifth in the event. Wayne Cottman sprinted to a fourth place finish in a strong 100 meter field. He was Accutraked in 10.89. James Robinson and John Cassadonte made their way across the sand pit with jumps of 22'10" and 22'9" to claim fourth and fifth in the long jump. Duane De-Vance's 6'6" leap over the high bar was good enough to place fifth in the high jump event. Mike Taylor's hop, skip, and jump of 47'1" placed him fourth in the triple jump field. The 440 relay sprinted to a second place finish in 42.7. The 880 relay repeated the same feat in a very close race. They ran a 1:28.5. The final event of the meet-the mile relay, ran a tough race. The quartet ran a season best 3:18.

At the Towson Invitational last weekend the men's team won the shiny trophy while the women took fourth in their division. The Bobcats next meet will be during the Easter recess at the Mason-Dixon Relays.

Women's Rugby

Two Saturday afternoons ago -March 28th-two teams were on the field, tension was in the air, the whistle blew and it all began. Charging at each other full-speed-ahead, both teams have the intention to win. Frostburg's Women's Rugby Club challenged Towson State's Women's Rugby Club in their first home game of the season. Frostburg put up a good fight, but eventually allowed Towson's

club to slip through their fingers with a resultin score of 27-0. It was a disappointing defeat (AW) but the venture of playing a more experienced team provided an educational, instructional, really far-out and groovy game (YEAH). In every dark cloud there is a silver lining: practice makes perfect, and Frostburg's Women improve with every playing experience, sooo... look forward to next week's game at Juniata.

Women's **Lacrosse Victorious**

The Frostburg State women's lacrosse team upped its record to 3-1 last week with convincing wins over Wilson College, 29-0, on Wednesday (April 1) and Salisbury State, 15-6, on Saturday (April 4). The win over Salisbury State avenged last year's 16-3 loss to the Seagulls. After a home game against Slippery Rock on Tuesday (April 7), the Lady Bobcats will not be in action until the MAIAW State Tournament on April 24-25.

Last week junior Jean Goldsborough accounted for 10 goals and six assists to add to her team leading 22 points. Freshman Barb Barrett is the Bobcat's second leading scorer with 13 points followed by another freshman, Michelle Davis with 10 points.

"It's been a long time since we've beaten them (Salisbury) in lacrosse," said Tota. "I'm a little surprised that we've improved so much since we've been practicing outside."

Othello Tickets On Sale

Rehersals are underway for p.m. Reservations can now be the final production of the made and tickets purchased at theatre season at Frostburg State the Lane Center Ticket Office tragedy by William Shakespeare, adults and \$1.50 for FSC Studwill be presented on April 30 ents.
