By signing and submitting this agreement, I grant Frostburg State University a no cost, non-exclusive, right and license to include the scholarly material identified below in the Digital Repository MD-SOAR, or another Digital Repository system that the University may in the future utilize in the place of MD-SOAR, and through the Digital Repository, to reproduce, publicly display and distribute the material at no cost to users world-wide provided the University does not alter the content of the material. I understand that if I wish to publish the material with a third party that requires me to assign to it all my rights in the material, I may direct the University to remove the material from the Digital Repository. In such an event, I understand that a bibliographic reference to the material will be retained in the Digital Repository, but the material will be removed to a "dark archive" that is not publicly accessible. I represent that I am the sole or joint owner of the entire copyright in the material or, to the extent that I do not hold copyright in any part of the material, that I have written authority from the owner of copyright to grant this license to the Frostburg State University. If the material is based on work that was sponsored or supported by an agency or entity other than the Frostburg State University, I represent that I have complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgement of its support.

This agreement will be interpreted and governed in accordance with applicable Federal law and the laws of the State of Maryland without reference to its conflict of laws rules. If you have questions regarding this license please contact the system administrators.
