

Constitution Revisions Accepted by SGA Board

The revision of the SGA constitution has been accepted by the SGA Board, with a few minor changes. The constitution was subject to discussion concerning an amendment dealing with the composition of the Board itself.

The alternative, proposed to replace the amendment recommended by the constitution committee, suggested that the Board be composed of all the presidents of organizations whose constitutions have been approved by the SGA Board, plus two representatives from each of the four classes. Voting privileges would be held only by the presidents and representatives of the four classes, and the officers of the SGA. The president, would be allowed to vote in the case of a tie.

The discussion following this proposal led to a third suggestion, namely, that the voting members of the Board be chosen from the Dormitory and Day Associations, rather than from the four classes. The discussion ended with the group's accepting the suggestion that a xerograph sheet setting forth the proposals be circulated among members of the Board so they could familiarize

Evergreen Arrives Ahead of Schedule

Charlotte Lynch, editor of the 1956-57 *Evergreen* announced that the yearbooks arrived April 23rd, although they were not due until the middle of May. The yearbooks were distributed to the student body during the middle of May with no charge.

The editor feels that the photography is in general very good, and she is particularly pleased with the division pages which were done by the art editors, Helen Ellis and Patsy Miller. Each organization has an explanatory article. The staff was able to keep within its budget, and the yearbook is of such fine quality that the Taylor Publishing Company has asked for two copies to use for advertising purposes.

Dr. John B. May, the faculty advisor, sponsored a party for the staff to reward them for the fine work they have done.

Barbara Caine, editor of next year's *Evergreen*, has already begun organizing her staff, and plans have been made for the *Evergreen* of 1958.

JOANNE CATHELL

New Editor Elected by Holly Leaf Staff

The newly-elected editor of *The Holly Leaf* for the 1957-58 year is Joanne Cathell. Miss Cathell is a member of the junior class. She is from Berlin, Maryland, where she graduated from Buckingham High School in 1954. During her high school years, she was a reporter for her school on the two Worcester County weekly newspapers. She was also a member of the yearbook staff at Buckingham.

Miss Cathell has been a member of *The Holly Leaf* for two years and is presently a copy editor. She is also a member of *The Evergreen* staff. Miss Cathell is active in varsity sports at STC and has been on the basketball and hockey teams during her three years at college.

Miss Cathell attended the Columbia Scholastic Press Association Convention this spring in New York to represent *The Holly Leaf*. It is her hope that by next year, *The Holly Leaf* will be a member of that organization.

Annual Music Festival Given by Campus School

One of the highlights of the Campus Elementary School year is the annual Spring Music Festival, which this year was held on Thursday, May 16 in the gymnasium of the Campus Elementary School.

Each grade in the school presented a unit in the program. The kindergarten presented some rhythms about spring and spring flowers. "Goldilocks and the Three Bears" was the theme for a musical play presented by the first

PLANS FOR GRADUATION HAVE BEEN FORMULATED

Baccalaureate Exercises Will Be Held June 2 Commencement Ceremonies Listed for June 3

As the cycle of annual events on the academic calendar draws to a close, plans are being formulated for the traditional baccalaureate and commencement exercises. These ceremonies will be distinguished by appropriate music and fine speakers, chosen with an eye towards contributing dignity and meaning to the last college days of the degree-winners. This year, some forty-eight prospective teachers will be honored as bachelors of science, while five persons will receive the associate in arts degree of the junior college program.

Sunday, June second, has been scheduled for the religious observance of graduation. During the reading of Scripture (from Ecclesiastes), those present will be reminded that "to fear God is the fullness of wisdom." The Rev. Robert Varley of St. Peter's Episcopal Church, Salisbury, will explore the theme, "Knowledge: the Handmaid of Worship." Members of the College Chorus will add to the solemnity of the occasion with the anthems: "Unfold, Ye Portals" from *The Redemption* by Gounod and Roff's "Gracious Spirit, Dwell With Me." Mary Evelyn Doepp and Joan

Hayman will act as soloists for the latter. "The Spacious Firmament on High" and "God of Our Fathers" have been chosen as the processional and recessional hymns respectively.

On the following day, Monday, June third, the Rev. Harold P. Spedden of Fairmount Methodist Church will open the commencement ceremony with an invocation. "Prayer for Our Country" by Cunkle and Chopin's "Hymn to Music" will follow. Dr. Thomas G. Pullen, State Superintendent of Schools, is expected to introduce the main speaker of the program, Dr. W. Earl Armstrong, director of the National Council for the Accreditation of Teacher Education. Degrees will then be granted by President Wilbur Devilbiss and diplomas awarded by Mr. Jerome Framptom, vice-president of the State Board of Trustees. The commencement service will conclude with the singing of *Alma Mater* and the recessional, "War March of the Priests" by Mendelssohn. An open invitation has been extended to faculty, students, graduates and guests for the informal luncheon which will immediately follow in the college dining hall.

FTA MEETING TODAY

Wednesday, May 22, 1957, at 4:30 P.M. in The Little Theatre. Topic: "Public Relations".

June Ball Will Be Held In Salisbury Elks Home

The annual June Ball is to be held this year at the Salisbury Elks Home on Friday night, May 31. A formal affair, the ball will begin at 9:00 with music provided until 12:00 by the Orchettes. Refreshments are to be served.

Sponsored by the junior class, under the direction of the class president, Wayne Smith, the dance is open to STC faculty members and guests, and to students and their dates. There is no admission charge.

Any student planning to attend the dance is requested to register, on a provided form, his name and the name of his date. This information is to be deposited in the ballot box in the resident supervisor's office with May 28 as the deadline.

Although an off-campus affair, the dance will be held under campus regulations. This dance, the final social activity of the year is expected to be a gala affair.

Plans Are Formulated For STC Alumni Annual Spring Reunion June 1

The Spring Reunion for the STC Alumni Association will be held on Saturday, June 1, 1957.

An informal dinner-dance in the Salisbury Room of the English Grill at 6:30 P.M. has been planned. The charge will be \$6.50 per couple for dinner and dancing or \$2.75 per person for those just desiring dinner.

The tea and business meeting will be held at the college starting at 2:30 P.M. that afternoon, with registration in the main corridor. Seniors will be inducted into the Alumni Association during the tea in the social room on June 1, 1957.

Editorially Speaking

Editor's Note: The editor is happy to introduce through the editorial column the president-elect of the SGA, Henry Hausdorff, and the editor-elect of The Holly Leaf, Joanne Cathell.

It is a newspaper's job to report the news as it is received. Therefore, one expects to find articles written about incidents that have occurred sometimes in the not-too-distant past. There is no implication that a newspaper should report a story before it happens. In fact, it is bad policy for anyone to be too concrete about what the future holds in store. People, as individuals and organizations, should plan conscientiously and optimistically for the future. They should not, however, be absolute in their feelings toward the future, nor become apathetic if their well-laid plans go awry.

The foregoing is applicable to the SGA and its elected officials. Many people have asked me subsequent to the election held this spring, "What do you intend to do next year?" It is difficult to answer this type of question. The most foolish thing any elected official can do is to say that he is going to do certain specific things if elected. I would like to see the SGA become a well-run, efficient campus organization. To this end, I intend to devote my time and all my efforts.

STC is indeed fortunate. The students they have elected to the offices of vice-president, secretary, treasurer, and social chairman are outstanding personalities, and I consider it my greatest privilege to have the opportunity to work with them this coming school year.

To reiterate: the officers you have elected to the SGA are optimistic, ambitious, and enthusiastic in their outlook for next year. We do not intend to sink into the "doldrums of indifference."

In answer to the question, "What do we intend to do next year," I take the liberty of drawing an analogy. A millionaire stooped to pick up a penny from the floor. Seeing his action, one asked, "What do you need with a penny?" the millionaire answered, "I'll take care of the pennies, and the dollars will take care of themselves. That's the secret of my success." In regard to the SGA, "We'll take care of the broad, overall objectives of student government, and the minor, specific items will take care of themselves."

— Henry Hausdorff

"Be Prepared" is the motto of the Boy Scouts of America. It might well be the motto of each and every student at STC. This is especially true as exam week becomes a thing of the present.

Every phase of scholastic life constantly requires preparedness if real learning is to take place. The very goal of education and of educators is to prepare students for life situations.

The art of being prepared is acquired only through use. It must be practiced constantly or it grows rusty. What better time to make preparedness a habit than during one's college career? Opportunities for practice present themselves at every corner to the real student.

The person prepared to meet life is most usually the successful, happy and well-adjusted individual.

"Tis education that forms the common mind.
Just as the twig is bent,
So's the tree inclined."

— Pope

grade. Patriotic songs were sung by the second grade, who also presented a flag drill. The class had previously been studying a unit about our flag. The third and fourth grades together sang a variety of songs. The third grade played three selections on melody and harmony instruments. The fourth grade sang a song which they had composed themselves.

Latin America was the theme

of the fifth grade's presentation. They sang Latin American songs, danced traditional dances, and played Latin American musical instruments.

The sixth grade sang a group of songs about the western pioneers, and danced two square dances. They were accompanied by music produced on washboards, jugs, and harmonicas.

The student teachers assigned to the Campus Elementary School assisted, as well as the members of the Education 308 Music class.

REPRESENTING STC: Miss Nancy Laws, Miss STC; Miss Louise Holbrook, Most Athletic Woman; Miss Jean Fitzgerald, Duchess of the May; and Miss Dolores Cooling, Queen of the May, represented STC in the parade at the Flower Mart sponsored by the Salisbury Junior Women's Club on Saturday, May 4.

themselves with the plans before voting at the next meeting of the Board. Bill Livingston, as Vice-President elect of the SGA, represents the group suggesting the alternative proposal.

At the SGA meeting of May 7, it was decided to accept Article 3 of the constitution. The organization of SGA will remain unchanged under the present constitution. This was done to prevent the constitution from remaining in an uncertain state for the coming year.

Science Club Visited Vienna Electrical Plant

STC's Science Club has had three meetings since last reported. The first of these meetings was held in room 103, with Joseph Evans presiding and discussing the atom. At the second meeting, Mr. James Focht, of the Campus Elementary School, spoke to the club on navigation in relation to the stars and on guided missiles.

The third meeting was presided over by Thelma Hackert, whose topic was "The Ocean Floor." Future plans include, for next semester, a trip to the research station on Solomon's Island and a guest speaker, Mr. William Yates of Cambridge, who will speak to the group on Indians of the Eastern Shore and surrounding areas.

On May 16, the Science Club took a combined exploratory trip and picnic to the Vienna electrical plant in Vienna, Maryland.

Intramural Softball Teams Formed by Girls

These last two weeks of the semester are devoted to Women's Intramural Softball, under the management of Norma Politt and Dolores Gardner. Three games are scheduled between the Freshman, Sophomores, and Junior girls. The first of these games was played on Monday, May 13th between the Freshman and Sophomore girls. At the end of the 6th inning, the Freshmen were leading 16-12. On Thursday night, May 16th Freshmen vs. Juniors, and on Monday, May 20th, Sophomores vs. Juniors. Whichever team that has won the majority of games will challenge the Men's Faculty in an exciting game of softball.

During 1956, there were 2,200 more highway traffic fatalities than in the previous year.

Awards Presented at Annual WAA Banquet

The Womens Athletic Association banquet will be held on Wednesday, May 22. At this time the year's awards were presented. Thirty-three girls will receive awards. They are given on the basis of accumulation of points determined by participation.

1st award—medal 250 points
2nd award—gold lapel pin

. 600 points
3rd award—engraved plaque

. 1200 points
4th award—loving cup 2400 points

No one this year will receive the fourth award. Points are accumulated by serving on the WAA Board, Varsity teams, intramural participation, gym club, cheer leading, bowling, and various other sports events.

Men's Baseball Team Defeats Wesley College

On May 7, 1957, the Men's Baseball team played the men from Wesley on STC's field. Tom Comer, hindered by his own wildness and ten hits, had enough to keep Wesley from scoring more than six runs while his teammates crossed the plate eleven times.

Wesley was the first to score, pushing across one run in the top of the second inning on two hits and an error. In the bottom of the second, STC exploded for four runs. The rally featured triples by Stan Bozman and Comer. After that spree, STC was never headed, although pressed by the Whippets from Dover.

Wesley scored two more in the third, one in the fifth, and still one more romped across in the ninth on Joe Pispia's pinch hit single.

STC erupted in the fourth for three runs on two walks, a run-producing single by Tom Fallin and another base knock by short-stop Murray Smith which chased across two runs. In the fifth, STC scored a lone tally on a single, a base on balls and a fielder's choice. In the seventh, the Gulls put on their hitting caps again and knocked across three runs on four singles and a fly ball.

Comer, although walking six batters, compensated for this by striking out fourteen batsmen. He also helped himself at the plate, getting two hits and driving in three runs. Wilson "Flash" Gray also had a good day at plate, lashing out two seeing-eye ground balls that pushed three runs across the plate.

Of drivers in 1956 highway accidents, 96.7 per cent had more than one year's driving experience.

Sport Beat

By GARY WHITE

America's track and field teams, for the last month or so, have been rewriting many record books, from individual records and meet records to world records. That America is supreme in track and field cannot be denied. They excelled at the 1956 Olympics and are still showing the promise of more astounding feats in the future.

At the Drake Relays, Bobby Morrow, winner of two gold medals in the '56 Olympics, tied the meet record for the 100-yard dash. His time was 9.4 which is just one-tenth of a second off the world mark. He has equaled the world mark of 9.3 on two or three occasions, but each time he had too much wind behind him.

In Philadelphia, the track and field fan's interest was on the Penn Relays where some 3,000 athletes were battling each other for honors. One of the outstanding performers there was Indiana's Greg Bell, who won the broad jump and 100-yard dash. Bell is the Olympic broad-jump champion. The Texas relay team won both the quarter-mile and the half-mile relays. They equaled the meet records in each event.

At the recently-held Kansas relays, Perry O'Brien and Bill Neider held a two-man duel in putting the shot. O'Brien, the world record holder puts for the Air Force while Neider is a member of the Kansas team. Both are a threat to the world's record every time they walk on the field. In this exhibition, Neider won with a toss of 62 feet 6 inches.

Perhaps the greatest individual performance of the current season was made when Bob Gutowski, of Occidental College, pole vaulted 15 feet 8 1/4 inches. This set a new outdoor world's record that was held by Cornelius Warmerdam. The old record had stood for almost 15 years.

So much for track. Many fight fans witnessed a stunning upset on May 1 as Sugar Ray Robinson knocked out Gene Fullmer. Without an argument Sugar Ray has proven himself to be one of the greatest fighters ever to lace on the gloves. Four times, Sugar Ray has proven himself a real champion by winning the title. I believe no man could do any more. In the re-match to come, it will be an entirely different story. Fullmer will be the one with nothing to lose. Sugar Ray won the title four times and his next fight will mark four times he has lost it.

STC Gulls Defeat D. C. Teachers 13-5

Our STC sluggers slammed eighteen well placed base hits to all fields defeating the District of Columbia Teachers College 13-5 in a game at the capitol city.

Going into the game with a 0-2 record, the Gulls were determined to claim a victory. The encounter was a back and forth battle for six innings. The seventh proved fatal for the Capitol Teachers when the local boys broke a 5-5 deadlock with an array of clean base hits from the bats of Jack Messick, Tom Fallin, Buddy Butler, Murray Smith, Kenny Wilson, and Tom Alderson. Kenny Wilson dominated the inning with a pair of singles. The big blasts of the game were homers by Buddy Butler and Charles Muir. Muir actually had two home runs but was called out on one due to a disputed play when he failed to touch second base.

Tom Dorman, starting his first game of the season went all the way on the mound for STC. He allowed nine hits, well scattered throughout the game. Walking only three, he collected four strike-outs. Every member of the STC lineup collected at least one hit. Murray Smith, playing third base, raised his batting average, getting three hits for four times at the plate.

The Gulls had a dissapointing day in the field. Although they easily won the game, they were responsible for eight errors while the D. C. Teachers were guilty of six. This was the first win of the season for the Gulls.

White's Intramural Team Leads League

As in previous years, men's intramural softball has again been organized here at STC. The league this year consists of four teams. Bill Livingston and John Mavromatis, organizers of the league, choose captains for each of the teams. The captains were chosen on the basis of their interest and ability. Heading the squads are Nelson Lynch, Gary White, Tom Comer, and Jerry Fields. Each captain was charged with finding his own ball players among both dormitory and day men students.

The first game of the season saw Fields defeating Comer 16-4. White took the second game, 12-5, over Lynch. Comer, carrying a 0-1 record, defeated White, 10-8, in the third contest, and White took the fourth game, 9-0, over Fields on a forfeit when Fields failed to field a team.

The standings as this issue goes to press are follows:

	W	L
White	2	0
Comer	1	1
Fields	1	1
Lynch	0	1

Passenger cars were involved in nearly 80 per cent of all U. S. traffic fatalities in 1956—85 per cent of traffic injuries.
