It is stated that the counties south of the Choptank have had the congressmen much of the time of late years. The truth is that during the past twenty years, the section of the district south of that river has had congressmen just ten years, one half the time; and this calculation is made by giving to the lower section the nearly two years of Mr. Covington's term yet to expire. Delicate and Eeeble Ladies.

Those languid, tiresome sensations, causing you to feel scarcely able to be on your feet; that constant drain that is taking from your system all its former elasticity; driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain are permanently removed. None receive so much benefit, and none are so profound-

ly grateful and show such an interest in recommending Hop Bitters as women. FEELS YOUNG AGAIN. "My mother was afflicted a long time with Neuralgia and a dull, heavy, inac-

tive condition of the whole system; headache, nervous prostration, and was almost helpiess. No physicians or medicines did her any good. Three months ago she began to use Hop Bitters with such good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family."—A lady in Prosiders.
