**Subject:** Draft of bylaws for UAAC

Dear Colleagues,

As per the Faculty Senate's decision on its April 10, 2007 meeting, the University Academic Assessment Committee (UAAC) completed today the process of writing a draft of bylaws to make UAAC a standing committee of the Senate. The same was approved today at UAAC's last meeting of the year. I am forwarding the same to both of you as outgoing and incoming presidents of the Senate for your consideration and action as appropriate.

If in need of further assistance on this matter (until July 15), please feel free to contact me when convenient.

Cordially,

Joaquin S. Vilá  
Chair UAAC 2006-07
