Dr. Whiting has also held the former positions of President of the American Association of State Colleges and Universities, Vice President and Treasurer of the International Association of University Presidents and Chairman of the Educational Testing Service. He holds degrees from Amherst College, Fisk University and The American University. He resides in Columbia, Maryland.

Elizabeth Ann Yoder, of Meyersdale, Pennsylvania, graduates summa cum laude in the teacher education curriculum with majors in English and psychology and a minor in public relations. She has been awarded six FSU scholarships and received departmental honors in both English and psychology. She has served as president of the Student Alumni Ambassadors and as vice president and program committee chairman of the Educational Honor Society. A member of national English, psychology, and freshman honor societies, Yoder has also been a college tutor and a student assistant in the Office of Admissions, the Instructional Technology Support Center, and the Department of Psychology. In addition, she has taught continuing education courses in wedding planning and calligraphy, served on a faculty search committee and held the office of church pianist at the Summit Mills Grace Brethren Church.

Dr. Herb. F. Reinhard, Jr., became the University's 12th president in July 1986. A native of Covington, Ky., he has devoted most of his adult life to public higher education, including the presidency of Slippery Rock University of Pa., Morehead State University of Kentucky, and as an administrator at universities in Florida, North Carolina, and Tennessee. President Reinhard chairs the Committee on Governance of the American Association of State Colleges and Universities, was a member from both Division I and II of the 44 member President's Commission of the National Collegiate Athletic Association (NCAA), and is active in a number of professional, civic, fraternal, and service organizations. He received his bachelor's and master's degrees in psychology from Florida State University and the doctorate in higher education, with additional emphasis in business and public administration from Indiana University. Academic Regalia

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities — for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk gowns increasingly are the color of the college or university which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates the department of specialty.

Candidates for Degrees in Course

At this Commencement, degrees are conferred upon persons who completed requirements in May 1989. It is not possible, prior to the printing of this program, to determine who will have completed degree requirements. The list is tentative. The diploma of the University, signed and sealed by its proper officers, remains the official testimony to the possession of a degree.

Alma Mater

Our Alma Mater, Mother of Knowledge,
We sing of thy glory, and thy honored name
Founded for learning, of minds that are yearning
We treasure, we treasure our years at Frostburg State.

Our Alma Mater, Guide us still nearer,
As striving for truth, we follow in thy light.
Grant us thy grace, that our minds may embrace
The wisdom, the wisdom ours here at Frostburg State.
