Hi Michelle,

yes that's fine. But I note that Jamar Reeves is not the same as James Reeves, the latter being the visiting scientist who is co-author on my paper.

Jane

Hi Jane and Jamar,

UMBC recently implemented a digital repository, ScholarWorks@UMBC, here: <https://mdsoar.org/handle/11603/14>. We're trying to add more publications so that ScholarWorks better showcases what we do at UMBC.

I'm wondering if you'd give me permission to put your pre-print paper recently submitted to MNRAS, "On the Nature of the High-Energy Rollover in 1H 0419-577," in ScholarWorks@UMBC? I've checked the MNRAS does allow for placing works in a repository.

If your ok with it also appearing in ScholarWorks@UMBC, simply reply yes. Thanks.

Michelle
