## **Academic Regalia**

Academic regalia is a visible reminder that the process of intellectual pursuits has historic and honorable antecedents. The dignity of scholarship in the past remains vital in the present.

Originally academic gowns were an adaptation of priestly toga. They took on brilliant symbolic colors in the medieval universities — for example, purple for doctors of law, green for doctors of medicine, blue for doctors of philosophy. Sober colors were predominant during the Reformation. Gowns did not come into general use in North American universities until late in the last century. Then the brilliant medieval colors were revived. Emerging from black silk gowns increasingly are the color of the college or university which has granted the degree.

The doctor's gown has wide lapels of velvet, its sleeves are wide and bell-shaped and there are three velvet chevrons. The doctor's hood is bell-shaped; the master's is pointed. The lining emblazons a principal color of the scholar's institution; the border indicates the department of specialty.

## Commencement Speakers

**Dr. Edgar B. Schick** was appointed the Executive Director of the Board of Trustees of Maryland State Universities and Colleges in 1987. In this capacity, he is the chief executive and administrative officer for the Board which governs the six public institutions in Maryland. A native of Philadelphia, Schick has held a variety of positions in higher education including Provost and Vice President for Academic Affairs at Eastern Illinois University and President of Nasson College in Maine. He has published numerous articles and papers on American higher education. Schick received his bachelor's degree, magna cum laude, from Muhlenberg College, and his master's and doctorate degrees from Rutgers University.

**Christine M. Bartock** graduates today with academic honors with a major in Political Science and a minor in French. She is the recipient of the Board of Trustees Outstanding Scholar Award, a senatorial scholarship, a presidential scholarship, departmental honors in Political Science and was selected as this year's SGA Outstanding Senior. Ms. Bartock has served as president of both the Honors Student Association and of Pi Sigma Alpha, the political science honors society, and as secretary of Pi Delta Phi, the French honor society. She is a member of Phi Eta Sigma, the freshman honor society, and the Political Science Club. She recently completed a full-time internship with the Bureau of Public Affairs at the U.S. State Department. She is an honors graduate of Bishop Walsh High School and has been awarded a full scholarship for graduate studies in international relations at Syracuse University's Maxwell School of Citizenship and Public Affairs.

**Dr. Herb. F. Reinhard, Jr.,** became the University's 12th president in July 1986. A native of Covington, Ky., he has devoted most of his adult life to public higher education, including the presidency of Slippery Rock University of Pa., Morehead State University of Kentucky, and as an administrator at universities in Florida, North Carolina, and Tennessee. President Reinhard chairs the Committee on Governance of the American Association of State Colleges and Universities, was a member from both Division I and II of the 44 member President's Commission of the National Collegiate Athletic Association (NCAA), and is active in a number of professional, civic, fraternal, and service organizations. He received his bachelor's and master's degrees in psychology from Florida State University and the doctorate in higher education, with additional emphasis in business and public administration from Indiana University. He and his wife, Nancy, are the parents of four children.

## **Candidates for Degrees in Course**

At this Commencement, degrees are conferred upon persons who completed requirements in May 1988. It is not possible, prior to the printing of this program, to determine who will have completed degree requirements. The list is tentative. The diploma of the University, signed and sealed by its proper officers, remains the official testimony to the possession of a degree.
