There's something about the students of Frostburg. Although Frostburg is a small liberal arts college in Western Maryland, there's something about the life of Frostburg students. We are all striving for a higher education; but, beyond the education in classes, we interact with our colleagues that make Frostburg's lifestyle a worthwhile experience.

Who captures those moments that pass by us that are memories we will never forget — INSPECTOR CLOUSEAU. And, of course, the PINK PANTHER helps along too!

There's Something About Our Spirit at Homecoming

Homecoming is the time of the year when alumni look forward to coming back to reminisce about college days. We all look forward to giving alumni a warm welcome back to Frostburg. The class of 1964 celebrated their 20th reunion.

In the Homecoming Parade of 1984, Frostburg's Women's Rugby Club won the award for the most outstanding float.

The TKE Fraternity conducted a Gong Show at the Armory. The underlying goal was to collect food cans and money to support underprivileged groups. The Gong Show proved to be a success by raising \$300 for the Frostburg Light Fund (for Christmas lights throughout the town). Two hundred cans were donated to Heinman, Pennsylvania flood victims. In addition, two hundred cans were donated to the local Frostburg and Cumberland poor.

The Bobcats celebrate the Homecoming Parade

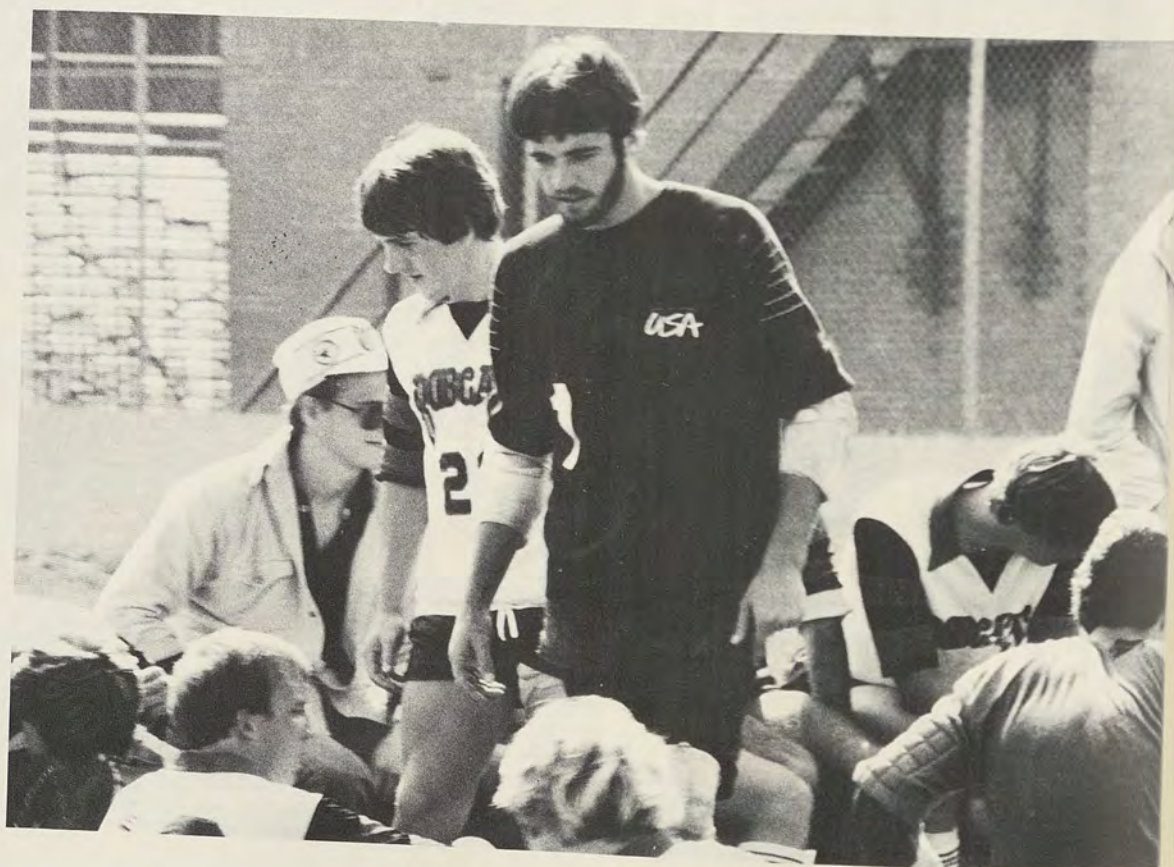

The Frostburg State College football team under the guidance of Coach Dean Peterson had a winning season in 1984. Dominating the offensive strategy of Bobcats was the passing game. Quarterback Jobie Waldt and his favorite wide receiver Bill Bagley terrorized opposing defenses. Waldt broke the FSC record for the most completions in a game with 25. In the same game, Bagley broke the FSC record for most yards receiving in a game with

195. Waldt and Bagley, along with five other FSC players, were named to the All-State First Team. Many fine players will be returning to form a sturdy base upon which Coach Peterson can mold a team for the 1985 season. It will, however, be a tough job to replace the skill and talent that is leaving with the players that are graduating. The 1985 season promises to be challenging with ten scheduled games, six of which will be on the road.

Mike Goodfellow, Greg Blair, Mark Stewart, Robbie Collette, Tony Chase, Howard Sengstack, Ralph Dostal, Head Coach: I
Kutler, Asst. Coach Jay Hegeman, Tom Nachtergaele, Lawrence Sagel

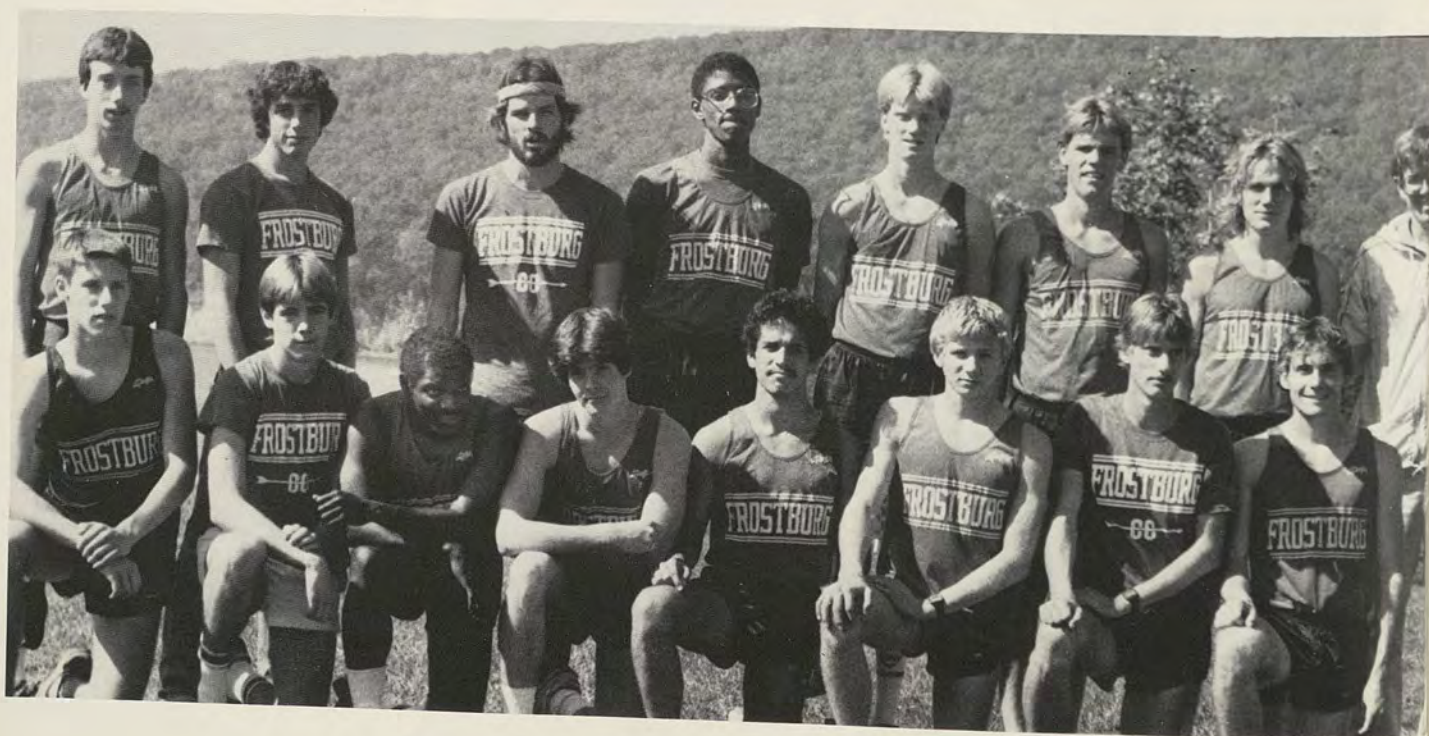

The Bobcats had to settle for a dismal 4-11-1 record. Despite their poor record, FSC did manage to pull off three big upsets. They knocked off highly-rated Slippery Rock, and they also defeated a tough Salisbury State team on the road. In addition the team tied Carnegie-Mellon which had an excellent season.

One bright spot for the Bobcats in '84 was the play of junior Tony Chase. He was the main man for the FSC offense as he scored seven goals. Junior college transfer John Jurek was the team's second leading scorer with five goals and one assist.

Coach Kutler summed up the season: "Even though we were not successful as far as wins and losses are concerned, we achieved a measure of success because of our attitude. It was outstanding all year."

Cross Country

The Bobcat Harriers won first place titles in the Glenville State and West Virginia State Invitationals, and won a second place in the NCAA Division II Mideast Regional and a 15th place in the Division II National Championships.

The team also ran in the Penn State Spiked Shoe Invitational as a tune-up race and finished fifth in the Frostburg State Invitational, second in the Fairmont State Invitational, and fourth in the Mason-Dixon Meet at the Rocky Gap State Park course.

Leading the way for the Bobcats was freshman Dwight Scriber who earned

his All American status after finishing 22nd in the National Championship Meet in Delaware, Ohio. He also finished first place in the Fairmont State Meet, a second place in the NCAA Regional Meet, a third place in the Mason-Dixon Conference Meet, and an eighth place in the Frostburg State Invitational.

Coach Lewis felt "1984 was one of the most personally satisfying seasons I have ever had in my 15 years here at Frostburg. I really enjoyed going to practices and meets with this team."

'84 Women's Tennis: Front Row: Laurie Freeman, Anna Marie Briner, Kathy Orsini, Kara Pratt. Second Row: Head Coach Nancy Crawley, Catalina Valencia, Tammy Long, Dana Tamily, Asst. Coach Tina Pinocci

Frostburg's women's tennis team ended their season with a 6-4 record. The Lady Bobcats put up victories against Fairmont State, Trinity, Loyola, St. Francis, Davis and Elkins, and St. Vincent. They suffered close defeats at the hands of Salisbury State, Shepherd, U.M.B.C., and West Virginia Wesleyan.

Playing the number one position for FSC was sophomore Kara Pratt. Taking on some of the top collegiate players from the Mid-Atlantic states, she registered a fine overall record of 6-7. Also, she was the consolation champion in number one singles in

the state tournament.

Number two player, Kathy Orsini, also won the consolation championship in her division of the Maryland Tournament. She combined with Pratt to form an excellent doubles team. They posted a regular season record of 8-1 and made it to the semi-finals of the championship round at Emmitsburg before losing.

Coach Nancy Crawley is looking forward to what well could be another strong, winning team at Frostburg in 1985.

The Bobcats finished their season with a 9-16 record. The season, however, did have some bright spots in it. They beat sixth rank Salisbury State 79-77 in double overtime on January 22nd.

Team members, Junior Eddie Rutledge and Freshman Charlie Carrol, were named Capitol Conference All-Star team. Rutledge averaged 25.1 points per game before his knee injury which ended his season average to 21.4

points per game. Carrol finished the third leading scorer on the team.

The Bobcats will only lose two starters to graduation. Forward, Jerry Hampton was second leading scorer averaging 12.8 points a game. He led in the Cats steals (38). Also, center, Milton Bailey led in the team rebounds (5.6 per game) and was the most accurate shooter from the floor hitting 50 out of 88 attempts for a 56.8% mark.

The Lady Bobcats concluded the regular season with a 21-3 record. Two of the three losses suffered by the Lady Cats were to 15th ranked Keane College and 2nd ranked U.P.J. Frostburg ranked 20th in the nation, was placed in the Atlantic Regionals of the 32 team

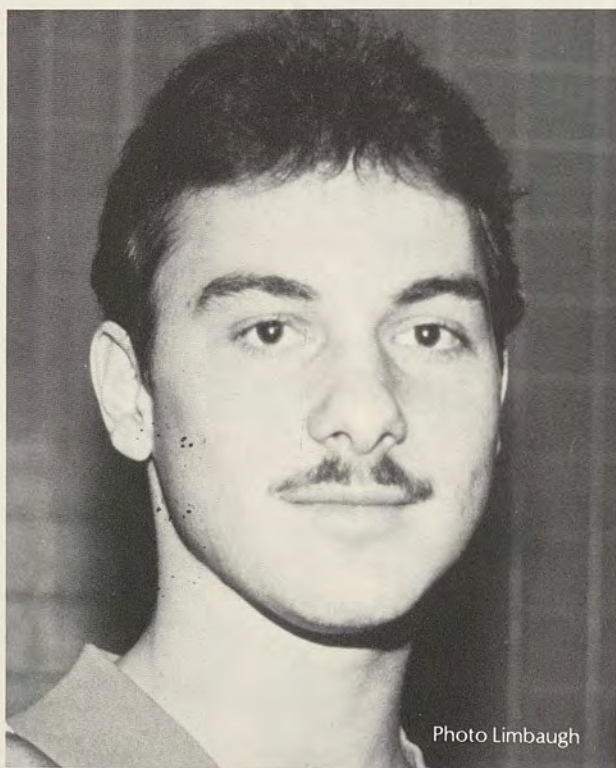

NCAA championships.

Coach Jim Crawley is "really pleased for our team." "They're very deserving. I feel we are capable of winning the Atlantic Regional. Our team is playing with a lot of confidence."

Dr. Nelson P. Guild, in a way, graduated from Frostburg like the rest of the class of 1985. He has served as president at Frostburg for the past 16 years. During those sixteen years not only has the enrollment doubled, but the facilities as well.

Spring Fever!

When the snow finally melts in Frostburg, students seem to find time to "Catch Rays!"
Spring Fever then begins

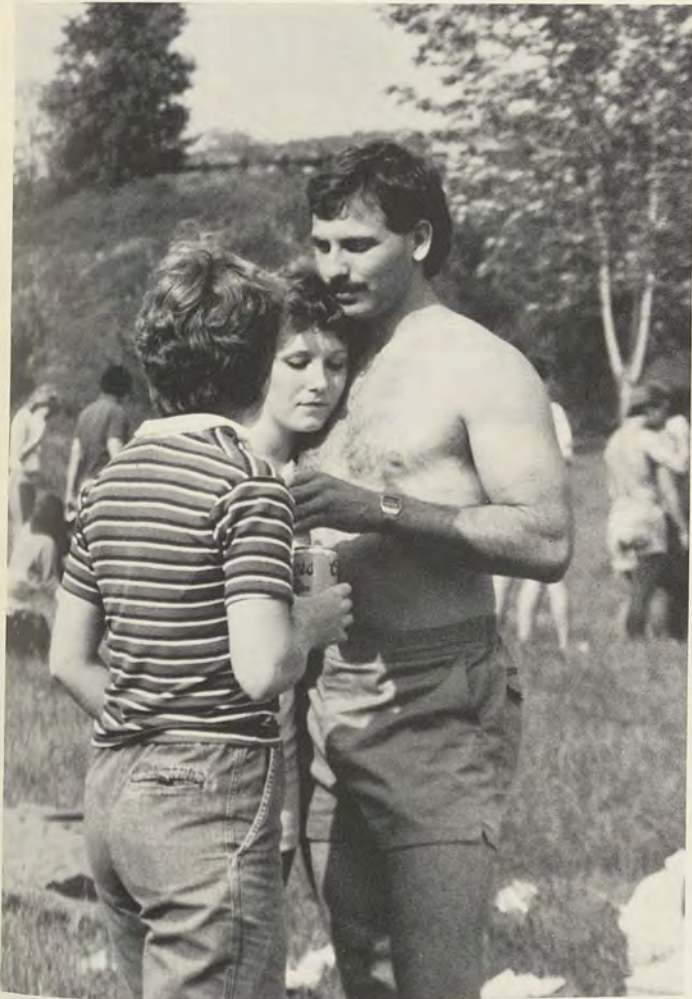

Frostburg is a college of about 3,200 students. The smallness of the school enables students to interact with each other often. At Frostburg, we find FRIENDS FOREVER!

Editor's Note

This page is to be dedicated to all those who helped in some way putting together Frostburg's 1985 yearbook. Thanks especially to DePatie-Freleng Enterprises, the creators of Inspector Clouseau and the Pink Panther. Their only employee, Elizabeth Mills, was kind enough to send two packages of artwork that are irreplaceable. I am also grateful for MGM Studios in New York granting me written permission to use DePatie and Freleng's work.

Mrs. Ellen Arnone of Beall High School initiated the theme "There's Something About Us." Her time with me is much appreciated.

Mr. William Nizinski, head of the Geography Department, supplied me with the aerial view of Frostburg's campus that appears on the cover.

Wray Blair and Carl McAloose gave me many sport articles and photographs that were taken by Trish Limbaugh.

Thanks also to Ron and Doug Richardson, representatives of Taylor Publishing, who were a great help to the questions and problems I had.

Davor Photo — thanks for everything. I would especially like to thank Jim Rainey who inspired me the most throughout the production of the yearbook. I appreciated his support and ideas he had to offer.

Finally, I would like to thank all the Frostburg students who helped carry out the difficult task of producing a yearbook. I hope these pages serve as valuable memorabilia for all.
