

SOAR@SU Honors Project Distribution License

By signing and submitting this agreement, I grant Salisbury University a no cost, nonexclusive, right and license to include the work identified below in the Digital Repository SOAR@SU, or another Digital Repository system that Salisbury University may in the future utilize in the place of SOAR@SU, and through the Digital Repository, to reproduce, publicly display, and distribute the material at no cost to users world-wide, provided the University does not alter the content of the material. I understand that if I wish to publish the material with a third party that requires me to assign to it all my rights in the material, I may direct Salisbury University to remove the material from the Digital Repository. In such an event, I understand that a bibliographic reference to the material will be retained in the Digital Repository, but the material will be removed to a "dark archive" that is not publicly accessible. I also understand that I may request and specify an embargo period that will delay full text access to my work, if I am considering publication.

I represent that I am the sole or joint owner of the entire copyright in the material or, to the extent that I do not hold copyright in any part of the material, that I have written authority from the owner of copyright to grant this license to Salisbury University. If the material is based on work that was sponsored or supported by an agency or entity other than Salisbury University, I represent that I complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgement of its support.

This agreement will be interpreted and governed in accordance with applicable Federal law and the laws of the State of Maryland without reference to its conflict of laws rules.
