Hi ,

UMBC recently implemented a digital repository, ScholarWorks@UMBC, here: <https://mdsoar.org/handle/11603/14>. We're trying to add more publications so that ScholarWorks better showcases what we do at UMBC. I'm wondering if you'd be willing to include your journal article "Effects of delay fading and signals on self-control choices by children" in ScholarWorks@UMBC? Adding the article to ScholarWorks@UMBC will extend access to it beyond The Journal of Applied Behavior Analysis subscribers to the world via Google Scholar increasing citations and impact.

The Journal of Applied Behavior Analysis allows the submitted or accepted version (after peer review but before the journal has done any work on it) to be placed in institutional repositories, so if you're willing, please send me one of those versions and I'll add it.

Michelle
